

Instructions for Form ST-810 (Quarterly Return for Part-Quarterly Filers)

Tax Facts For Vendors

Did you know?

- You are subject to a \$50.00 penalty if you don't prominently display your Certificate of Authority at your place of business.
- Your Certificate of Authority can be suspended or revoked if you:
 - don't file a return (or report), or if you willfully file a false return (or report), or
 - willfully fail to collect, truthfully account for or pay over any state or local sales tax, or
 - have been convicted of a crime under the Tax Law.
- You may be charged with a misdemeanor if you issue a receipt without itemizing the sales tax, or you advertise either directly or indirectly that the sales tax is not part of the price paid by your customer for goods or services.

For more information on these and other penalties which may be imposed under the Tax Law, see N-86-2, *Information on . . . Omnibus Tax Equity and Enforcement Act of 1985*, previously sent to you, or contact the Taxpayer Assistance Bureau. (See telephone number and address on page 4.)

These instructions will help you complete your Form ST-810 Quarterly Return for Part-Quarterly Filers. If you need further assistance, call the Taxpayer Assistance Bureau at the telephone numbers provided on page 4. You should keep all records and other supporting documents used in completing your return and be able to produce them on request by the Commissioner of Taxation and Finance or his agents for at least **three years** after the due date of the return or the date when the return was filed, if later.

The Sales Tax Return

Two copies of the sales tax return are mailed to each registered vendor. You must file the preaddressed copy and keep the second for your records.

The completed quarterly return, Form ST-810, must show your actual gross sales, taxable sales and purchases subject to use tax for the 3 month period covered by the return unless you are a seller of motor fuel. If you are a seller of motor fuel, see page 2 of instructions under "Notice to Retail Sellers of Motor Fuel and/or Diesel Motor Fuel."

The front of the return is used to summarize the business activity and tax due. Page 2 is used to report the details of taxable sales and services and purchases subject to use tax and the total state and local taxes due for each taxing jurisdiction. Although this return is all that is required for most vendors, certain vendors are required to file separate schedules in addition to the return. (See "Schedules Which May Be Required.")

All part-quarterly (monthly) filers must use this form as a report for the third month of the quarterly period and as a quarterly report, irrespective of which type (long or short form) part-quarterly return was filed for the first two months of the quarter.

Change In Filing Period

Monthly Filing

You must file monthly returns beginning the first month after any quarter in which:

- You have had total taxable receipts (including purchases subject to use tax), rents, and amusement charges of \$300,000 or more or
- You are a distributor as defined under Article 12-A, selling motor fuel and/or diesel motor fuel, and you have sold a total of 100,000 gallons or more of this fuel (taxable or nontaxable).

Note: Importers and others registered under Article 12-A as distributors of motor fuel or diesel motor fuel **must not** include on this return, Form ST-810, or on the part-quarterly return, Form ST-809, any amounts reported on Form FT-945, *Report of Sales Tax Prepayments on Motor Fuel*, or the new Form FT-1045, *Report of Sales Tax Prepayment on Diesel Motor Fuel*.

Detailed explanations of the Tax Law which affect persons selling motor fuel or diesel motor fuel can be found in Publication 881, *Sales Tax Information For Retail Sellers of Motor Fuel*, Publication 882, *Sales Tax Information For Motor Fuel Distributors, Jobbers and Wholesalers*, and Publication 884, *Information on Diesel Motor Fuel Legislation*. Information relating to the legislative changes in treatment of diesel motor fuel effective September 1, 1988 can be found in Publication 100, *Notice of New Legislation Pertaining to Diesel Motor Fuel (including Heating Oil)*. Since Publication 100 reflects the latest treatment of diesel motor fuel, information found in this Publication will supercede any conflicting information found in previous publications.

Change in Filing Period Quarterly Filing

If you are presently required to file part-quarterly (monthly) returns and

- your total taxable receipts (including purchases subject to use tax), rents and amusement charges amounted to less than \$300,000 in every one of the last four quarters, or
- you are a distributor as defined under Article 12-A selling motor fuel and/or diesel motor fuel, and you sold less than 100,000 gallons in every one of the last four quarters

you may request conversion to quarterly filing.

To change your filing period, notify the Sales Tax Processing Unit, W. A. Harriman Campus, Building 8, Room 409, Albany, N.Y. 12227 or call 1 518 457-7311 immediately. Failure to file a timely return may result in late filing charges.

Schedules Which May Be Required

If you must file any of the following schedules, attach them to Form ST-810 and include total tax amounts on line 1 of the applicable return. Refer to the instructions accompanying each of the schedules for additional information.

Form ST-810.1 — Schedule U

Use Schedule U to report sales or purchases subject only to local sales and use taxes:

- Installation, repair, maintenance or service of machinery and equipment used directly and predominantly in production
- Installation, repair, maintenance or service of central office equipment or station apparatus used directly or predominantly in receiving or initiating and switching telephone or telegraph communication
- Installation, repair, maintenance or service of parts, tools and supplies used in connection with the above machinery, equipment or apparatus

- Parts with a useful life of one year or less, tools and supplies used in or on central office equipment or station apparatus used directly and predominantly in receiving or initiating and switching telephone and telegraph communication **within New York City only**.

Form ST-810.2 — Schedule A

Use Schedule A to report the tax on the occupancy of hotel rooms, food and drink, admissions to places of amusement, club dues and cabaret charges. Presently, only vendors in the counties of Chenango, Nassau and Westchester are required to file Schedule A.

Form ST-810.3 — Schedule B

Use Schedule B to report sales in any locality listed on the schedule which imposes a sales and use tax on the following energy sources and services:

- Telephone, telegraph, refrigeration and nonresidential gas, electricity and steam services
- Residential gas, electricity and steam services, and
- Residential use of coal, fuel oil or propane sold in containers of 100 pounds or more, and wood used for residential heating.

Vendors must also use Schedule B to report the use tax due to those localities on the above energy sources and services purchased tax-free under direct payment permits or otherwise.

Retailers of heating oil only however, whether or not they file Schedule B, must report self-use of heating oil used in their motor vehicle on Form ST-810 and take credit on Form ST-810 for any prepaid tax paid on the fuel used. No credits may be taken for any prepaid tax passed through to them on their purchases of enhanced fuel later sold for residential heating (sales reported on Schedule B). They may recover this portion of the prepaid tax by applying for a refund using Form FT-1010, *Application for Refund of Prepaid Sales Tax on Diesel Motor Fuel Sold Other Than at Retail Service Stations*.

Form ST-810.4 — Schedule NJ

If you are registered under the New York/New Jersey Reciprocal Tax Agreement you must attach this schedule to your return. Use Schedule NJ to report the tax due, if any, on deliveries of tangible personal property into New Jersey or services subject to tax in New Jersey. To complete Schedule NJ, see Form ST-810.4-1, *Instructions for Quarterly Schedule NJ for Part-Quarterly Filers*.

Form ST-810.5 — Schedule N

Use Schedule N to report sales of the following services within the City of New York:

- Parking, garaging or storing of motor vehicles at facilities other than garages which are part of premises occupied as private one- or two-family dwellings
- Credit rating and credit reporting services
- Protective and detective services (except port watchman)
- Beauty, barbering, hair restoring, manicuring, pedicuring, electrolysis, massage and similar services
- Charges from sale of services or for the use of weight control salons, health salons, gymnasiums, turkish baths, sauna baths and similar establishments
- Charges for occupancy of hotels, motels and similar establishments

Form ST-100.10 — Schedule FR

As of September 1, 1988 Schedule E and Schedule R will no longer be used to report sales of motor fuel and diesel motor fuel. One schedule, Schedule FR, replaces these two schedules. Schedule FR must be filed by vendors to report sales tax due on diesel motor fuel sold at retail to the ultimate consumer or who must report tax on the self-use of diesel motor fuel. This schedule must also be filed by vendors to report sales tax due on motor fuel (leaded, unleaded and premium gasoline) sold at retail to the ultimate consumer or tax due on the use of motor fuel. Refer to the specific instructions for this schedule for reporting information.

Form ST-810.11 - Schedule CT

If you are registered under the New York/Connecticut Reciprocal Tax Agreement you must attach this schedule to your return. Use Schedule CT to report the tax due, if any, on deliveries of tangible personal property into Connecticut or services rendered in Connecticut. See the Schedule CT for instructions relating to that form.

Completing Your Return

Complete page 2 of Form ST-810 Quarterly Return for Part-Quarterly Filers and any required schedules **before** completing page 1.

Instructions For Page Two

The Department of Taxation and Finance is required by New York State law to collect and distribute the sales taxes imposed by local jurisdictions. The information on page 2 of the sales tax return enables the department to make the correct distribution. Credits that can be identified by locality should be taken on the appropriate line on page 2 of the return. Net credits (negative amounts) should be shown in parentheses.

Notice to Retail Sellers of Motor Fuel and/or Diesel Motor Fuel

Retail sellers of motor fuel and/or diesel motor fuel must report all sales, self-use and sales taxes on this fuel on Form ST-100.10, Schedule FR. This schedule must be filed with the vendor's Form ST-810, together with any other applicable schedules.

Important: Do Not include sales, purchases for self-use or sales tax on the above fuel on page 2 of your Form ST-810 if you are a retail seller of motor fuel and/or diesel motor fuel.

Column (a) — Taxing Jurisdiction

Column (a) lists the name of each locality now imposing a sales and use tax.

Column (b) — Combined Tax Rate

Column (b) lists the combined state and local tax rates that apply in each of the localities listed in column (a).

Columns (c), (d) and (e)

Columns (c), (d) and (e) are used to report taxable sales and services, purchases subject to use tax, and sales and use taxes for the localities listed in column (a). You must report these amounts for the full period covered by the return unless a shorter period is specifically indicated.

Column (c) — Taxable Sales and Services

Subtract any applicable exempt sales and adjustments from gross sales and services to arrive at taxable sales and services. Make adjustments for transactions where the tax should not be paid, such as returned sales on which the tax was refunded to the customer or previously reported sales that became bad debts.

Taxable sales and services should be reported on the line for the locality where delivery occurs. Delivery occurs at the vendor's place of business on over-the-counter sales. Otherwise, delivery occurs where the customer takes possession. Exception: delivery of a motor vehicle is determined by the purchaser's home address. Deliveries to points **outside** New York State are **not** to be reported.

Sales made in localities that do not impose local sales and use taxes are subject only to the 4 percent state tax. Report receipts from sales and services in these localities on the New York State Only line.

The exemption from the New York State and upstate local sales tax allowed for the items and services listed below **does not apply** to New York City. On the **New York City** 4 percent line, report the sale of the following to businesses located within New York City:

1. Fuel and utility services used directly and exclusively in the production of tangible personal property for sale
2. Machinery, machinery parts with a useful life of **more than one year** and equipment used directly and predominantly in such production
3. Parts with a useful life of **more than one year** used in or on telephone central office equipment or station apparatus or comparable telegraph equipment used directly and predominantly in receiving at destination or initiating and switching telephone or telegraph communication
4. The services of installing, repairing, maintaining and servicing tangible personal property used directly and predominantly to produce a product for sale by farming, including servicing tangible personal property used in erecting, adding to, altering or improving a silo (but not including the foundation), and the servicing of posts and wire used to make and maintain a trellis for grapes.

These transactions should **not** be reported on the New York City 8¼ percent line or on Schedule U.

Column (d) — Purchases Subject to Use Tax

Use column (d) to report the value of tangible personal property or services purchased without payment of sales tax and used in your own operations. **Do not** include tangible personal property or services which are resold or which qualify for a production exemption.

Property or services are also subject to the use tax if purchased by a New York State resident, business or branch of a New York State business located outside New York State and shipped or brought into the State.

Additional Use Tax: If a sales or use tax was paid in one locality in New York State and the property is then used in another locality in New York State, an additional use tax will be due if the local tax rate is higher in the second locality and:

- the user is a resident of the locality where use occurs,
- the user, in the performance of a contract, incorporates the property into real property situated in the second locality, or
- the user is a nonresident but uses the property in the second locality in the course of his employment, trade, business or profession.

Attach an explanatory statement and use the blank lines at the bottom of page 2. Enter the taxing jurisdiction in column (a) and the additional rate of tax in column (b).

Column (e) — Sales and Use Taxes

Compute the tax by multiplying the amounts in columns (c) and (d) by the combined state and local tax rate in column (b). On the last line enter the total amounts reported on both sides of page 2 in column (e). Include this total in the amount you report on line 1, page 1, of the return.

Penalty

For failure to file a return on time, even if no tax is due, the penalty is \$50.00. For failure to file a return on time, **with tax due**, the penalty depends on how late the form is filed.

- **1-60 days late:** The penalty is 10% of the tax due for the first month plus 1% of the tax due for each month thereafter, but in no instance less than \$50.00.
- **61 or more days late:** The penalty is the greatest of the following three amounts:
 1. 10% of the tax due for the first month plus 1% of the tax due for each month thereafter, not to exceed 30%
 2. The lesser of \$100.00 or 100% of the tax due
 3. \$50.00.

Interest

Interest is computed at the rate determined under Part 603 of the Tax Regulations and is compounded daily. Call the taxpayer assistance number listed below to get the current rate.

Part-Quarterly and Quarterly returns are each due within 20 days of the end of the period covered. If you were required to file Part-Quarterly

(monthly) returns for the first two months of the quarter but failed to do so, penalty and interest should be computed as indicated above on the amount due each month from the due date until the date the payment is remitted.

Report on line 4 the total late filing charge on any Part-Quarterly return together with any late filing charge due on this return.

Line 5 — Amount Due

Add lines 3 and 4.

If this amount is an overpayment you may either:

1. Claim credit for the overpayment on your next return by entering this amount on line 2a on page 1 of the return, or
2. Apply for a refund.

To apply for a refund, file Form AU-11, *Application for Credit or Refund of State and Local Sales or Use Tax*, unless the overpayment is the result of a credit for prepaid sales tax on motor fuel and diesel motor fuel sold at retail; in which case, you must file the appropriate application(s):

- **Form FT-950, Application for Refund of Prepaid Sales Tax on Motor Fuel Sold by Retail Service Stations.**
- **Form FT-1007, Application for Refund of Prepaid Sales Tax on Diesel Motor Fuel Sold by Retail Service Stations, or**
- **Form FT-1010, Application for Refund of Prepaid Sales Tax on Diesel Motor Fuel Sold Other Than at Retail Service Stations.**

Do not attach the refund application (Form AU-11, FT-949, FT-950, FT-1010 or FT-1007) to your return. This application must be filed separately and mailed to the address shown on that form.

As a sales tax vendor you should be aware that you may be subject to or liable for other taxes such as motor fuel tax, highway use tax, corporation tax or income tax withholding. For information relating to any of these taxes, or for any forms or publications you will need, you may use the address and telephone numbers listed below.
