

Instructions for Form IT-360.1

Change of City Resident Status

City of New York • City of Yonkers

IT-360.1-I

These instructions apply to the 1989 tax year only. Do not use for other tax years.

General Information

Whenever you have a city of New York or city of Yonkers change of resident status, you must complete Form IT-360.1. If you changed your New York City or Yonkers residence, but not your New York State residence, attach Form IT-360.1 to Form IT-201, *Resident Income Tax Return*. If you changed both your New York State residence and New York City or Yonkers residence during the same tax year, you must complete both Form IT-203, *Nonresident and Part-Year Resident Income Tax Return*, and Form IT-360.1. If you changed your city resident status, you cannot use Fast Form IT-100 or Form IT-200, *Resident Income Tax Return*.

Your move into or out of New York City or Yonkers will be recognized as a change of resident status if:

- at the time of your move, you definitely intended to permanently leave your home and residence; and
- you definitely intended to establish a permanent home (domicile) someplace else.

The New York State Tax Department will consider your actions as well as your statements in deciding if you have met both conditions for a change of resident status.

For definitions of *domicile*, *permanent place of abode*, *resident*, *nonresident* and *part-year resident*, and for information on who must file returns, see the instructions for Form IT-201 or Form IT-203.

Which Forms to File

City of New York or City of Yonkers Change of Resident Status

If you were a New York State resident the entire year but you changed your New York City or Yonkers resident status by moving into or out of one of these cities, you must file the following forms with the Tax Department:

- **Form IT-201, *Resident Income Tax Return***, to report your part-year New York City resident tax or Yonkers resident income tax surcharge for your city resident period.
- **Form IT-360.1, *Change of City Resident Status***. If you had a change of resident status for New York City or for Yonkers, complete Form IT-360.1 following the specific instructions that begin on page 2 of these instructions.

You may also have to file the following forms:

- **Form NYC-203, *City of New York Nonresident Earnings Tax Return***, or **Form Y-203, *City of Yonkers Nonresident Earnings Tax Return***, to report any wages or net earnings from self-employment that you received from New York City or Yonkers sources during your city nonresident period. (However, if you did not receive any such wages from an employer or earnings from self-employment during your nonresident period, you do not have to file Form NYC-203 or Form Y-203. Simply attach to your Form IT-201 a statement saying that you received no wages or earnings from self-employment from New York City or Yonkers sources during that period.)

New York State and City of New York or New York State and City of Yonkers Change of Resident Status

If you changed both your New York State resident status and New York City resident status or your New York State and Yonkers resident status during the same tax year, you must file the following:

- **Form IT-203, *Nonresident and Part-Year Resident Income Tax Return***, to report your part-year New York City resident tax or Yonkers resident income tax surcharge for your city resident period.
- **Form IT-360.1, *Change of City Resident Status***. If you had a change of resident status for New York City or for Yonkers, complete Form IT-360.1 following the specific instructions that begin on page 2 of these instructions.

You may also have to file the following forms:

- **Form NYC-203, *City of New York Nonresident Earnings Tax Return***, or **Form Y-203, *City of Yonkers Nonresident Earnings Tax Return***, to report any wages or net earnings from self-employment that you received from New York City or Yonkers sources during your city nonresident period. (However, if you did not receive any such wages from an employer or earnings from self-employment during your nonresident period, you do not have to file Form NYC-203 or Form Y-203. Simply attach to your Form IT-203 a statement saying that you received no wages or earnings from self-employment from New York City or Yonkers sources during that period.)

City of New York and City of Yonkers Change of Resident Status

If you moved from New York City to Yonkers, or from Yonkers to New York City, you must file the following forms:

- **Form IT-201, *Resident Income Tax Return***, to report your part-year New York City resident tax and your Yonkers resident income tax surcharge for each city resident period.
- **Form IT-360.1, *Change of City Resident Status***. Complete Form IT-360.1 following the specific instructions that begin on page 2 of these instructions to compute your part-year New York City resident tax and to compute your part-year Yonkers resident income tax surcharge.

You may also have to file the following forms:

- **Form NYC-203, *City of New York Nonresident Earnings Tax Return***, to report any wages from an employer or net earnings from self-employment that you received from New York City sources during the period that you lived in Yonkers.
- **Form Y-203, *City of Yonkers Nonresident Earnings Tax Return***, to report any wages from an employer or net earnings from self-employment that you received from Yonkers sources during the period that you lived in New York City.

Returns for married taxpayers

If you are married, filing a joint New York State return, either on Form IT-201 or Form IT-203, and you each changed your **New York City** resident status at the same time, you must file a joint Form IT-360.1.

If you are married filing separate New York State returns or if you changed your New York City resident status at different times, you each must file separate Forms IT-360.1.

If you are married filing a joint New York State return and only one spouse had a New York City change of resident status, you must complete your New York City taxes separately. The spouse who changes city residence must complete Form IT-360.1 and Form NYC-203, if applicable, and attach them to Form IT-201 or Form IT-203. The other spouse, if a resident, must compute a separate city of New York resident tax for the entire taxable year on New York State Form IT-201 or, if a nonresident who is subject to the nonresident earnings tax, file Form NYC-203.

If you are married, filing a joint New York State return either on Form IT-201 or Form IT-203 and you each changed your **Yonkers** resident status, you must file a joint Form IT-360.1. If you are filing separate New York State returns, you each must file separate Forms IT-360.1.

If you are married filing a joint New York State return and one of you was a resident of Yonkers and the other was a part-year resident of Yonkers, you must each figure your Yonkers resident income tax surcharge separately. The part-year resident must complete Form IT-360.1 and Form Y-203, if applicable, and attach them to Form IT-201.

Attach Form IT-360.1, NYC-203 and/or Y-203 to either your resident return, Form IT-201, or your nonresident and part-year resident return, Form IT-203, and mail them in the same envelope.

Income and Deductions - Special Accruals

If you moved out of New York City, you must include on Form IT-360.1 any item of income, gain, loss or deduction which, under an accrual method of accounting, would be reportable at the time you changed your residence. This includes income or gain you elected to report on the installment basis. You also have to accrue to New York City items of tax preference subject to the minimum income tax (Form IT-220) and the total taxable amount of lump-sum distributions subject to the separate tax on lump-sum distributions (Form IT-230).

Accruals are not required if you file a bond or other acceptable security in an amount equal to or greater than the amount of additional New York City resident tax that would be due if the accrued items were included on your part-year resident return, and you include the accrued amounts on your New York State return for subsequent taxable years as if no change in resident status occurred. If you elect to file a bond or other acceptable security instead of accruing income, you will need Form IT-260, *Surety Bond Form*, and Form IT-260.1, *Change of Resident Status - Special Accruals*. See *Forms and Telephone Assistance* on page 4 of these instructions for information on how to get these forms.

As a resident, if you received proceeds from lottery winnings (the amount of winnings less the amount of the wager) of more than \$5,000 from a

state lottery, the proceeds are subject to New York State, New York City (if applicable) and Yonkers (if applicable) income tax withholding. Form IT-2102-G, *Statement for Recipients of Certain Gambling Winnings* will serve as an acceptable security in lieu of making a special accrual of lottery winnings as required by the Tax Law.

If you became a New York City resident during the taxable year, you must accrue any item of income, gain, loss or deduction which, under an accrual method of accounting, would be reportable at the time you changed your residence, except that no accrual is required or allowed for items of income, gain, loss or deduction derived from or connected with New York City sources.

Any item of income, gain, loss or deduction accrued up to the time you changed your residence must be excluded in determining your New York taxable income, minimum taxable income or total taxable amount of lump-sum distributions for the year of change or any subsequent year.

Standard Deduction

If you claimed the standard deduction on Form IT-201 or Form IT-203, you must claim the standard deduction on Form IT-360.1.

Use this chart to figure your standard deduction.

Filing Status	Standard Deduction
Single and you can be claimed as a dependent on another taxpayer's return	\$2,800
Single and you cannot be claimed as a dependent on another taxpayer's return	6,000
Married filing joint return, or qualifying widow(er) with a dependent child	9,500
Married filing separate return	4,750
Head of household (with qualifying person)	7,000

How to Prorate Your Standard Deduction and Dependent Exemptions

When you change your New York City resident status, you have to prorate your standard deduction and your dependent exemptions. To do this, first figure the number of full months you spent as a New York City resident and nonresident during your twelve-month taxable year. Count any period of more than one-half month as a full month; do not count a period of one-half month or less. Then use the **Proration Chart** below to find the allowable amount of your standard deduction and exemptions.

If you are married and filing separate returns and one of you claims the standard deduction, the other must also claim the standard deduction.

Proration Chart
For standard deduction and dependent exemptions

Number of months in period	Single claimed on another return	Single not claimed on another return	Married joint return	Married separate return	Head of Household	Value of one dependent exemption
1	\$ 233.33	\$ 500.00	\$ 791.67	\$ 395.83	\$ 583.33	\$ 83.33

12	2,800.00	6,000.00	9,500.00	4,750.00	7,000.00	1,000.00

Example 1 — You and your spouse moved into New York City on April 1; your three-month city nonresident period is January through March; your nine-month city resident period is April through December. Your standard deduction on your joint return for the entire year is \$9,500. Your standard deduction for the nine months that you and your spouse were New York City residents, based upon the Proration Chart, is \$7,125.

If you have more than one dependent exemption, use the Proration Chart and multiply the allowable dependent exemption amount (the right-hand column) by the number of your dependent exemptions claimed on Form IT-201 or Form IT-203.

Example 2 — You are married filing a joint return and have two dependent children. On June 10 you moved from New York City to Rochester. You are entitled to two dependent exemptions totaling \$2,000. For New York City purposes, the dependent exemption must be prorated to conform with your five-month city resident period (January through May). Your prorated dependent exemptions total \$833.34 (2 dependent exemptions x 416.67).

This is your city of New York household credit.

Example 1 — You are single and moved into New York City on March 29. Your federal adjusted gross income for the entire year is \$9,000. This entitles you to a New York City household credit of \$10 which you must prorate for your resident period. To prorate your credit for your nine-month resident period, multiply \$10 by 9/12 and include the result (\$7.50) on line 49 of Form IT-360.1.

If you are married and filing separate returns, you must first divide New York City household credit equally between the two of you before you can prorate it.

Example 2 — You moved out of New York City on May 9, and your spouse moved on August 30. Your combined federal adjusted gross income for the entire year is \$14,500. You and your spouse have one dependent child, and therefore claim a total of 3 federal exemptions. You are entitled to a \$150 New York City household credit, but you must divide this \$150 equally on your separate returns (\$75 for you and \$75 for your spouse) and then prorate it as follows:

	You	Your Spouse
New York City household credit (\$150 divided equally)	\$75	\$75
Resident period of 4 months (4/12 × \$75)	25	
Resident period of 8 months (8/12 × \$75)		50

You and your spouse must each enter your prorated New York City household credit on line 49 of your separate Form IT-360.1.

Accumulation Distribution Credit

If you are a beneficiary of a trust and received an accumulation distribution from the trust during the period that you resided in New York City, you may be allowed a credit for the New York City income taxes paid by the trust (section 1310 of the Tax Law). Attach a schedule showing how you figured your New York City accumulation distribution credit.
