

Quarterly Motor Fuel Inventory Report by Retail Service Stations

For the period June 1, 1988 thru August 31, 1988
(due September 25, 1988)

Do not attach this report to your sales tax return or use it to report taxable sales or to remit sales tax due. This is an information report, not a sales tax return.

Use labeled form and return envelope for filing your return

If there have been any changes in your business' name, ID number, mailing address or business address, telephone number or owner/officer/responsible person information, please complete Form DTF-95, *Change of Business Information*. If no form is enclosed, call 1 800 462-8100 (from out of state (518) 438-1073).

- This information report **must be filed quarterly by every retail vendor purchasing, selling or using motor fuel (do not include diesel motor fuel or kero-jet fuel)**. This form should be used to report the requested information for all business locations for which you file sales tax returns under the sales tax identification number indicated above. You must file a separate report, Form FT-943, for each location having a separate sales tax identification number.
- **This inventory report must be used to account for motor fuel held at retail service stations and is to be filed in addition to any other inventory report required as a result of your other business activities.**
- Failure to file this report or willfully filing a false report is a misdemeanor.
- This report must be filed within 25 days of the end of the quarter covered by this report.

Please read the instructions for each part before completing the form.

PART I — Business Description

Check the box(es) which describe(s) your **motor fuel** business. You may check more than one box.

1. Service station operator
2. Motor fuel wholesaler or jobber
3. Registered distributor of motor fuel # M — _____

PART II — Inventory Reconciliation (Report by type of fuel.)

For lines 1-5 add amounts in Columns A, B and C and enter totals in Column D.

Line 1— Indicate the retail service station inventory, by gallons and type of fuel, on hand at the beginning of the quarter being reported. The opening inventory should be the same as the previous quarter's closing inventory; attach an explanation if these figures do **not** correspond.

Note: Inventory held at locations other than retail service stations should **not** be included here, but reported on Form FT-945, *Report of Sales Tax Prepayment on Motor Fuel*.

Line 2— Enter by type the number of gallons of motor fuel purchased during the quarter or transferred from your non-retail marketing locations to your retail service stations (as reported on Form FT-945, Part I, Line 4).

Line 3— Add lines 1 and 2 to arrive at motor fuel available for sale.

Line 4— Enter by type the gallons of motor fuel sold or used during the quarter.

Line 5— Subtract line 4 from line 3. The amount entered on line 5 is your closing inventory for the quarter being reported and should also be your opening inventory for the next quarter.
