Statewide Tax (All Jurisdictions)	5			0006

Do not transfer this amount to Form ST-810 Transfer this amount to Line 1 on Page 1, ST-810

Instructions (for Part-Quarterly Filers)

Schedule A should be completed by:

- vendors and operators of hotels, motels, taverns and other establishments within Nassau County who are required to collect tax on all or any of the following: hotel room occupancy, food and drink;
- recipients of amusement charges, club dues and cabaret charges within Westchester County.
- operators of hotels where the charge for occupancy is at the rate of one hundred dollars (\$100) or more per day.

A vendor who must file Schedule A must also complete Form ST-810, reporting other taxable receipts on page 2, Form ST-810. Instructions that apply to the preparation of Form ST-810 also relate to the preparation of Schedule A.

Note: *Other establishments required to collect tax on sales of food and drink include various types of vendors, including supermarkets, delicatessens, etc., which sell heated foods for off premises consumption. This includes: barbequed chicken, hot chowder, hot soup and other similar items.*

Part I: a hotel, restaurant or tavern operator in Nassau County (whether within or outside the city of Long Beach) must report taxable receipts from hotel occupancies and/or restaurant sales, including sales of alcoholic beverages, on the Long Beach (city) or Nassau County (outside Long Beach) line of this schedule. The taxable receipts such as those from the candy and cigarette counter sales are reported on the Nassau County line on page 2, Form ST-810.

Part II: Sales in the city of Norwich and in the rest of Chenango County previously reported in Part II of this schedule must be reported on page 2 of the ST-810 as of March 1, 1990.

Since these were the only sales reported in Part II of this schedule, Part III has been renumbered Part II.

The city of Rye does not impose a general sales tax, but does impose a tax on admissions, club dues and cabaret charges. Therefore, all Westchester County vendors who have receipts from such sales must report them on this schedule so that the revenue due may be properly distributed to Westchester County and the cities of Mount Vernon, New Rochelle, Rye, White Plains and Yonkers.

A vendor having receipts from admissions, club dues or cabaret charges would collect the 8¼% combined tax in Mount Vernon and Yonkers and the 7¼% combined tax in the cities of New Rochelle, Rye and White Plains. The 5¾% combined tax would be collected on such charges in the remainder of Westchester County. The taxable receipts from these admissions, club dues and cabaret charges must be reported on the Mount Vernon (city), New Rochelle (city), Rye (city), White Plains (city), Yonkers (city) or Westchester County line of this schedule. The remainder of taxable receipts is reported on the appropriate line on page 2, Form ST-810.

Part III: A new Part III has been added to this schedule to report the 5% special hotel occupancy tax imposed on every charge for occupancy of a room or suite of rooms in a hotel located in New York State, where the charge for occupancy is at the rate of one hundred dollars (\$100) or more per day.

This tax, effective June 1, 1990, is in addition to the state and local sales or use tax imposed on hotel occupancy and must be reported separately on this schedule. Since the 5% special tax is reported on the same receipts on which sales tax is reported, the receipts shown in this part (Part III) **must not be transferred to**

Box B on page 1 of Form ST-810, but the tax due **must be included** with the tax reported on line 1 of the ST-810.

If a hotel operator had no receipts subject to the 5% special hotel occupancy tax during the quarter, the box shown in Part III must be checked and the schedule attached to the sales and use tax return.

Schedule A must be filed whether or not a hotel operator has any sales to report in Part III. There is no change to the way sales tax is computed or reported on these sales. That is, receipts from occupancy of rooms both under \$100 and \$100 or more are reported on Part I of this schedule, on Schedule N or on page 2 of the ST-810 and are added to the taxable receipts reported in Box B on page 1 of the ST-810.

Taxable Receipts - Column (c)

Report on each appropriate line taxable receipts for the type of tax imposed by the locality shown on that line. Enter the sum of all amounts in Column (c) on the "Total" line for Parts I and II. Include this total in the amount reported in Box B on Page 1 of Form ST-810.

Tax - Column (e)

Compute the tax by multiplying the amount in Column (c) by the combined State and local tax rate shown in Column (b) for Parts I and II, and by the 5% tax for Part III.

Enter the sum of all amounts reported in Column (e) on the "Total" line. Include the total for Parts I, II and III in the amount to be reported on Line 1, Page 1 of Form ST-810.

Credits

Credits which can be identified by locality should be taken on the appropriate line(s) on the front of this form. Credits taken on this form should be included in the total amount entered in Box D on the front of Form ST-810.

Net credits (negative amounts) should be shown in parentheses.
