

Quarterly Schedule N-ATT For Part-Quarterly Filers

Taxes on Parking Services in New York City

Attach this form to Form ST-810.5, Quarterly Schedule N for Part-Quarterly Filers.

Instructions

Effective December 1, 1992, vendors who are required to collect tax on the services of parking, garaging or storing motor vehicles in New York City must complete both Form ST-810.5, *Quarterly Schedule N for Part-Quarterly Filers*, and Section A or Sections A and B of Form ST-810.5-ATT, *Quarterly Schedule N-ATT for Part Quarterly Filers*.

All exempt organizations and vendors whose facilities are located outside Manhattan must complete only Section A. Vendors conducting business in Manhattan must complete both Sections A and B.

A vendor who reports parking for more than five facilities in New York City must report the required information for each additional facility at which the vendor provides parking. A vendor who needs additional space to report may make photocopies of this form or request forms by calling our toll free number.

Enter the beginning and ending date of the period being reported. Print your name, address and identification number as they appear on your Form ST-810.

If you are an exempt organization, check the box indicated.

Section A — All New York City Locations

Complete the information requested in Section A for each New York City facility you operate, regardless of whether the facility is located inside or outside Manhattan. The maximum daily rate refers to the cost of keeping a vehicle in a garage all day, not including overnight, as on file with the New York City Department of Consumer Affairs (DCA). The license vehicle capacity refers to the capacity most recently authorized by DCA. The license number refers to the license issued for the facility by the DCA. If the DCA has issued more than one license for the facility, list every license number issued for that location.

Section B — Manhattan Locations

Complete the financial information required in Section B for all facilities located in Manhattan. The Manhattan receipts previously reported in total on Form ST-810.5, Part I, lines 2 and 3, must now also be reported individually; that is, the weekday sales, weekend sales, monthly sales and Manhattan residents sales must be reported separately for each facility and for each category.

A parking facility operator's regular sales and compensating use tax return will be deemed incomplete and not filed unless the parking facility operator files with his or her return, the number of properly completed Schedule N- Attachments (ST-810.5-ATT) needed to report all the information required for each separate parking facility he or she operates.

If the operator's return is deemed not filed, the statute of limitations that limits the time to assess additional sales and compensating use tax does not begin to run; i.e., additional taxes for the period may be assessed at any time.

For **each** facility listed in Section A that is in Manhattan, complete the following:

Enter in column (a) the total weekday* receipts for each month of the quarter. Add the 3 monthly totals and enter the quarterly total on the total line in column (a) for that location (facility).

Enter in column (b) the total weekend ** receipts for each month of the quarter. Add the 3 monthly totals and enter the quarterly total on the total line in column (b) for that location (facility).

Enter in column (c) the total monthly receipts for nonresident parking purchased on a monthly (or longer term) basis. Add the three monthly totals and enter the quarterly totals on the total line in column (c) for that location (facility).

Enter in column (d) the total monthly receipts for *Manhattan resident* parking. Add the three monthly totals and enter the quarterly totals on the total line in column (d) for that location (facility).

The total receipts reported in columns (a), (b) and (c) represent the Manhattan receipts subject to tax at $18\frac{1}{4}$ %. The Manhattan receipts subject to tax at $10\frac{1}{4}$ % are reported in column (d).

Please note that the combined totals for columns (a), (b) and (c) in Section B from all Forms ST-810.5-ATT must equal the taxable receipts reported on Form ST-810.5, Part I, line 2, column (c).

The grand total from column (d) in Section B (plus any additional Forms ST-810.5-ATT) must equal the amount reported on Form ST-810.5, Part I, line 3, column (c).

- * Weekday means Monday through Friday.
- ** Weekend means Saturday and Sunday.
