Instructions

Who must file

Schedule P must be filed by any vendor whose liability for sales tax was \$5,000,000 or more for the June 1 - May 31 tax year immediately preceding the most recent June 1 - May 31 tax year. The tax year used to determine this year's requirement for filing Schedule P was the year June 1, 1990 through May 31, 1991.

Schedule P is used to report the PromptTax payments of sales tax you made during the quarter covered by this schedule. If you are a vendor who is required to remit PromptTax payments for more than one sales tax type (i.e., prepaid sales tax on motor fuel and diesel motor fuel and sales and use tax) you must remit (and report) each tax type separately. Schedule P may **only** be used to report the PromptTax payment of sales tax. Use Schedule FT for reporting PromptTax payments of prepaid sales tax (on motor fuel and diesel motor fuel).

When to file

Schedule P must be filed quarterly with Form ST-810, *New York State and Local Sales and Use Tax Return Quarterly for Part-Quarterly Filers*. Form ST-810 is due 20 days after the end of the quarter covered by the return.
