

Instructions

Part I

For each out-of-state supplier from whom **you imported** diesel motor fuel during the quarter, enter the name and address of the supplier, the code for each product type, and the total gallons of each product type that you imported during the quarter from each supplier. If diesel motor fuel has been imported from your own out-of-state facilities during the quarter, enter the name and address of each facility, the code for each product type and the total gallons of each product type that you imported during the quarter. Include gallons shipped directly to any of your own facilities or shipped directly to your customers in New York State.

Part II

For each supplier from whom you purchased or received diesel motor fuel in New York State, indicate the name of the supplier, the supplier's distributor of diesel motor fuel registration number, the code for each product type, the total gallons of each product type that you purchased or received untaxed and the total gallons of each product type that you purchased or received with the tax passed through to you. Include gallons shipped directly to **any** of your own facilities or shipped directly to your customers in New York State.
