Instructions

Vendor collection credits

The vendor collection credit does not apply to the sales reported on this schedule.

Who must file

Schedule P must be filed by any vendor who is registered to make PrompTax payments of sales tax. The schedule is used to report the PrompTax payments of sales tax you made during the quarter covered by this schedule. If you are a vendor who is required to remit PrompTax payments for more than one sales tax type (i.e., prepaid sales tax on motor fuel and diesel motor fuel *and* sales and use tax) you must remit (and report) each tax type separately. Schedule P may **only** be used to report the PrompTax payment of sales tax. Use Schedule FT for reporting PrompTax payments of prepaid sales tax (on motor fuel and diesel motor fuel).

When to file

Schedule P must be filed quarterly with Form ST-810, *New York State and Local Sales and Use Tax Return Quarterly for Part-Quarterly Filers*. Form ST-810 is due 20 days after the end of the quarter covered by the return.
