^{*} General business corporations previously filing Form CT-4 or Form CT-4-S may claim the credit by filing Form CT-3 or Form CT-3-S in any year the credit is claimed.

A tax credit will not be allowed for the special additional mortgage recording tax paid on **residential** mortgages (defined below) recorded on or after May 1, 1987, if the real property is located in Erie County or any of the counties within the Metropolitan Commuter Transportation District (MCTD). The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk and Westchester.

A *residential mortgage* is defined as a mortgage of real property that has been or will be principally improved by one or more structures containing a total of not more than six **residential** dwelling units, each with its own separate cooking facilities.

Residential mortgage borrowers who borrow from an exempt organization and residential mortgage lender corporations, taxable under Article 9-A, will **not** be allowed to carry forward unused special additional mortgage recording tax credit due

and paid in any tax year beginning before 1986. For periods beginning in 1986 through periods beginning in 1989, and periods beginning in or after 1994, these taxpayers may elect, in lieu of carryover, to treat the unused portion of special additional mortgage recording tax credit as an overpayment of tax to be credited or refunded on Form CT-43.1. See TSB-M-94(4)C for additional information.

New York S corporations taxable under Article 9-A will not be allowed to carry forward special additional mortgage recording tax credit due and paid in any tax year beginning before 1994. For periods beginning in and after 1994, this credit may be applied against the franchise tax, carried over, or treated as an overpayment of tax as discussed above.

Do not file Form CT-43 if you are claiming a refund on Form CT-43.1.

When claiming this credit, the amount of the special additional mortgage recording tax used as a deduction in the computation of federal taxable income must be added back when computing New York State entire net income. When the special additional mortgage recording tax credit is not claimed, add-back of the tax paid is not required. (For additional information, see Technical Services Bureau Memorandums TSB-M-87(7)C and TSB-M-87(10)C.)

Corporations taxable under Articles 9-A, 32 and 33 must apply this credit after all other tax credits. If there is a special additional mortgage recording tax credit available to be carried forward, complete lines 5 through 8 of this form.

Line 6 — A taxpayer filing Form CT-33 may be subject to a tax less than the minimum tax because of section 1505 of Article 33. In this case, if line 6 is greater than line 5, enter "0" on line 7.

For corporations filing Forms CT-3, CT-3-A, CT-3-S, CT-3-S-A, CT-32, CT-32-A, CT-32-A, CT-32-A, CT-32-A, CT-32-A, CT-33-A the gain or loss on the sale of real property on which the special additional mortgage recording tax credit was claimed must be increased, in the case of a gain, or decreased, in the case of a loss, when all or any portion of the credit was used in the basis for computing federal gains.
