## From Commissioner Michael Urbach:

Over the last four years, New York has led the nation in cutting taxes, slashing them more than Illinois, Texas, and California combined. Since 1995, Governor Pataki and the Legislature have cut taxes 31 times, firmly establishing the Empire State as the tax-cutting capital of America.

Hardworking New Yorkers are now getting the benefit of these tax cuts every payday. Since 1994, a middle-class working family with two children and an income of $\$ 50,000$ has seen their state personal income taxes cut by more than $28 \%$. This family's annual state tax bill is now almost $\$ 700$ lower than it was in 1994.

The personal income tax cut, combined with other tax cuts enacted by Governor Pataki and the Legislature, such as the STAR School Property Tax Reduction Plan, elimination of the sales tax on clothing, and elimination of New York's estate tax on middle-class families, will ultimately return more than $\$ 12.5$ billion to New Yorkers each year.

Just a few short years ago, the state would raise taxes year after year, reaching into the wallets of every New Yorker. Even Money magazine once called New York State a "tax hell." Thankfully, over the last four years,

New York has quickly gone from worst to first in the nation in cutting taxes, making New York a better place to live and work.

At the same time, the Department of Taxation and Finance continues to enhance and improve the services we provide taxpayers.

New York State now processes state income tax refunds faster than ever before. Through the use of state-of-the-art technology, we are processing more refunds each day, providing New Yorkers their refund checks at a record pace. Just a few years ago, taxpayers often had to wait until July 15 to receive their hard-earned refund; today it is a matter of weeks.

Also, through our use of the Department Internet site, we are providing taxpayers easier access to forms, publications, and up-to-date tax information which taxpayers need to quickly and easily complete their tax returns. Our website is accessible 24 hours a day, seven days a week, at: www.tax.state.ny.us.

Forms and instructions are also available around the clock through our Fax-on-Demand system at $1800748-3676$. If you need personal assistance completing your taxes, you may take advantage of our Taxpayer Assistance toll-free hotline at 1800 225-5829.

New York City Residents May Claim School Tax Credit

If you are a full-year or part-year resident of New York City and cannot be claimed as a dependent on another taxpayer's federal return, you are entitled to the City of New York school tax credit. If you are married filing a joint return, and either you or your spouse is 65 or older, you are entitled to a credit of $\$ 125$. Surviving spouses 65 or older are also entitled to a credit of $\$ 125$. All other persons 65 or older are entitled to a credit of $\$ 62.50$. For qualified persons under 65 , the credit is $\$ 12$. For more information, see page 3 of these instructions.

## Direct Deposit of Refunds Now Available

If you have a refund coming, you can now choose to have it deposited directly into your bank account, rather than having it mailed to you. Your refund will be available to you sooner this way, and you won't have to worry about a lost or stolen refund check. If you want us to deposit your refund directly into your bank account, see the instructions for Direct Deposit on page 13.

## Refund Mailer

If you prefer not to have your refund deposited directly into your bank account, it will be mailed to you as in the past. However, it will arrive in a mailer (illustrated below). This mailer was designed to provide greater security for refund checks and to help facilitate refund processing.

## Private Delivery Services

The date recorded or marked by certain private delivery services, as designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance, will be treated as a postmark, and that date will be considered to be the date of delivery in determining whether your return was filed on time. The private delivery service can tell you how to get written proof of this date. If you use any private delivery service, address your return to: State Processing Center, 431C Broadway, Menands, NY 12204.

The current designated delivery services are:

## Name Format Changed

The name area at the top of your return has been redesigned. If you do not have a mailing label and have to write in your name on the form, please enter your first name, middle initial, and last name, in that order, as indicated in the heading area of your return. If you are married and filing a joint return, also enter your spouse's first name, middle initial, and last name in the space indicated.

## Electronic Filing

You can now file your return electronically using your personal computer or, if you prefer, you can use the services of a professional preparer. Electronic filing offers many benefits, including fast and accurate return and refund processing, and enhanced customer service. For more information, see page 5.

## Visit Our Website

You can now download many of our forms, instructions, and publications by accessing our website at http://www.tax.state.ny.us

## Americans with Disabilities Act (ADA)

In compliance with the Americans with Disabilities Act, we will ensure that our lobbies, offices, meeting rooms and other facilities are accessible to persons with disabilities. If you have questions about special accommodations for persons with disabilities, please call the information numbers listed under Need Help? on page 17.

## Your Rights under the Tax Law

The Taxpayer Bill of Rights requires, in part, that the Tax Department advise you, in writing, of your rights and obligations during an audit, when appealing a departmental decision and when your appeal rights have been exhausted and you need to understand enforcement capabilities available to the Tax Department to obtain payment. For a complete copy of the information contained in all of these statements, you may request Publication 131, Your Rights and Obligations Under the Tax Law.

## Do you need a tax packet?

If you use a paid preparer, or if you use computer software to prepare your return, or if for any other reason you do not need a tax packet mailed to you for next year's taxes, please check the box at item E of your Form IT-200. By checking this box, you will help us reduce printing and mailing costs.

When you check the box, we will send you a peel-off label that you or whoever prepares your return should use on your 1999 return. Be sure to use your preprinted peel-off label; if you do not, it may cause a delay in processing your return and your refund, if you are entitled to one.

## Returns Sent to the State Processing Center

You may have noticed that both the preaddressed envelope in the tax packet and the return address in the instructions refer to the State Processing Center. This is a separate sorting facility whose purpose is to help us ensure that your return is processed efficiently, and that you receive any refund that you are entitled to as quickly as possible. Although your personal income tax return is no longer delivered directly to the W A Harriman Campus in Albany, the sorting operation at the Processing Center is conducted in strict conformity with the secrecy provisions of the Tax Law. No unauthorized access to any information contained on your return is permitted.

## Residents of New York City and Yonkers

If you were a resident of New York City or Yonkers for 1998 and you have to file a New York State return, report your New York City income tax or your Yonkers resident income tax surcharge on your state return.

## Nonresidents of New York City and Yonkers

If you were not a New York City or Yonkers resident for 1998 but you earned wages or self-employment income in either of these cities and you have to file a New York State income tax return, you must also file Form NYC-203, City of New York Nonresident

Earnings Tax Return, or Form Y-203, City of Yonkers Nonresident Earnings Tax Return. If you are married, you cannot file jointly on Form NYC-203 or Form Y-203. If you each have taxable earnings, you must each file a separate Form NYC-203 and/or Form Y-203. Forms NYC-203 and Y-203 are due at the same time as your state return and must be attached to it. For more information, see the instructions for these forms.

## Homeowners and Renters

If you are a New York State resident and if your household gross income was $\$ 18,000$ or less, you may be entitled to a state tax credit for part of the real property taxes or rent you paid during the year. Qualified persons 65 or older can claim a credit of up to $\$ 375$. For qualified persons under 65, the maximum credit is $\$ 75$. To claim the credit, complete Form IT-214, Claim for Real Property Tax Credit for Homeowners and Renters, and attach it to your return.

If you do not have to file an income tax return, you may still claim the credit by

## filing only Form IT-214.

For more information, see Instructions for Form IT-214 on page 23 and Publication 22, General Information on New York State's Real Property Tax Credit for Homeowners and Renters.

## New York City Residents

If you are a New York City resident or part-year resident and cannot be claimed as a dependent on another taxpayer's federal return, you are entitled to the City of New York school tax credit. Married persons 65 or older filing a joint return, and surviving spouses 65 or older, are entitled to a credit of $\$ 125.00$. All other persons 65 or older are entitled to a credit of $\$ 62.50$.
For qualified persons under 65 , the credit is $\$ 12.00$. Married individuals under 65 who file separately are each entitled to a $\$ 12.00$ credit.
See the instructions for line 37 on page 12.

## TIP

 Even if you do not have to file an income tax return, you may still claim the credit by filing only Form NYC-210, Claim for City of New York School Tax Credit. For more information, see Form NYC-210. If you are filing a tax return on Form IT-100, IT-200, IT-201, or IT-203, do not complete Form NYC-210; you claim the credit directly on your return (on Form IT-100, it is computed automatically for you).
## Earned Income Credit

If you are a New York State resident and claimed a federal earned income credit, you may be entitled to a state earned income credit. To claim the credit, complete Form IT-215, Claim for Earned Income Credit, and attach it to your return.
For more information, see Instructions for Form IT-215 on page 27.

## Child and Dependent Care Credit

## TIP

If you are a New York State resident, you may be entitled to a child and dependent care credit even if you did not have to file a federal income tax return. To claim the credit, complete Form IT-216, Claim for Child and Dependent Care Credit, and attach it to your return.

For more information, see Instructions for Form IT-216 on page 29.

## Deceased Taxpayers

If a taxpayer died before filing a return for 1998, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If a taxpayer did not have to file a federal return but had New York State tax withheld, a New York return must be filed to get a refund. If a joint federal income tax return was filed for the deceased taxpayer and the surviving spouse, a joint New York State return can be filed on Form IT-200 or Form IT-201, depending on which federal form was filed. The filing due date is the same as if the taxpayer had lived. The person who files the return for the deceased taxpayer should write the taxpayer's first name and date of death in the area indicated at the top of the return.

If a refund over $\$ 10,000$ is requested and (1) the return is not signed by the fiduciary or (2) you are a court-appointed representative and are claiming a refund for a deceased taxpayer, file the return and attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and may have to attach Form AU-281.17, Survivor's Affidavit. Call or write us for this form. See Need Help? on page 17 of these instructions.

## Nonresidents and Part-Year Residents

If you were not a New York State resident for 1998, or if your New York State resident status changed, and you had New York State source income, you may have to file Form IT-203, Nonresident and Part-Year Resident Income Tax Return. For more information, see the instructions for Form IT-203.

If you were a New York State resident for all of 1998, but a New York City or Yonkers resident for only part of the year, you cannot use Form IT-200. Instead, you must complete Form IT-201 and Form IT-360.1, Change of City Resident Status. For more information on change of city resident status, see IT-360.1-I, Instructions for Form IT-360.1, Change of City Resident Status.

## Who Must File (continued)

## Members of the Armed Forces

If you are a member of the military and a New York State resident, the amount of your military pay that is subject to federal income tax is also subject to New York income tax. If your permanent home (domicile) was in New York State when you entered the military but you were assigned to duty outside the state, you are still a New York State resident and must file a resident return even if you are presently serving outside New York State. If your permanent home (domicile) was in New York State when you entered the military but you meet the conditions for nonresident status, your military pay is not subject to New York State income tax. If you are stationed in a foreign country when your return is due and you qualify for an automatic two-month extension of time to file your federal return, you are automatically granted a two-month extension of time to file your New York return.

City taxes - If you were a New York City or Yonkers resident when you entered the military and if your military pay is subject to New York State income tax, it is also subject to New York City or Yonkers taxes. However, if you meet the conditions for nonresident status, your military pay is not subject to the New York City or Yonkers nonresident earnings tax.

For more information, see Publication 361, New York State Income Tax Information for Military Personnel and Veterans.

(You must use Form IT-200 if you are married and filing a separate federal return and you did not have individual retirement arrangement (IRA) distributions, pension or annuity income or social security benefits included in your federal adjusted gross income.)
Note: You must use Form IT-200 if you had 414(h) retirement contributions withheld from your pay or you have an IRC 125 amount shown on your wage and tax statement(s).
or
Form IT-200 if you want to figure your tax yourself and you did not have individual retirement arrangement (IRA) distributions, pension or annuity income or social security benefits included in your federal adjusted gross income, or you want to claim the real property tax credit (see Homeowners and Renters on page 3) or the city of New York school tax credit (see New York City Residents on page 3), or you want to disclaim a spouse's debt (see Collection of debts from your refund and Disclaiming of spouse's debt, page 12), you want to claim the earned income credit (see page 3) or you want to claim the child and dependent care credit (see page 12).
1040 Form IT-201 (but see Can you file Form IT-200 instead of Form IT-201? below).

## Can you file Form IT-200 instead of Form

 IT-201?Even though you filed federal Form 1040, you should file New York's shorter return, Form IT-200, instead of Form IT-201 if:
you itemized your deductions on federal Form 1040, but your New York standard
deduction is larger than your New York itemized deduction (use worksheet below) andyour income was only from wages, interest, dividends, taxable refunds, credits or offsets of state and local income taxes or unemployment compensation; and
$\square$ your adjustments to income are only for IRA deductions, public employee 414(h) retirement contributions, IRC 125 amounts deducted or deferred from your salary under a flexible benefits program established by the city of New York or certain other New York City public employers, interest income on U.S. government bonds or taxable refunds, credits or offsets of state and local income taxes; andyour taxable income is less than $\$ 65,000$; and
your only New York State tax credits are the child and dependent care, household, earned income or real property tax credits; andyour only New York City credits are the household credit and the New York City school tax credit;

## and

your only other income taxes are full-year New York City or Yonkers income taxes; andyou didn't make estimated tax payments, you don't need to extend the time to file your return and you're a calendar-year filer.

## for Figuring Which Deduction is Larger

a. Total itemized deductions
from federal Schedule A, line 28 $\qquad$ income taxes from federal
Schedule A, lines 5 and 8.
c. Subtract line b from line a...

d. Enter the standard deduction

Single (can be

Married filing

Married filing
separate return....... 6,500
Head of household ... 10,500
Qualifying widow(er) . . 13,000
If line $d$ is larger than line c , you meet the first requirement in Can you file Form IT-200 instead of Form IT-201?, and you should file Form IT-200 if you meet the other requirements. If line $c$ is larger than line $d$, your tax will be less if you file Form IT-201 and take the itemized deduction. If other adjustments to federal itemized deductions apply to you (for example, interest expense on money borrowed to purchase or carry bonds or securities whose interest is exempt from New York State income tax), adjust line c appropriately.

If you did not have to file a federal return but you must file a New York return, use your federal instructions to choose the federal form you would have filed if one had been required. If you need help, see page 17 of these instructions.

## T|P Separate returns are required for some married taxpayers who file a joint federal return.

 If one of you was a New York State resident and the other was a nonresident or part-year resident, you must each file a separate New York return. The New York State resident must use Form IT-200 or Form IT-201. The nonresident or part-year resident, if required to file a New York return, must use Form IT-203. However, if both of you choose to file as New York residents, you may file a joint New York State return; use Form IT-200 or Form IT-201. Some Form IT-201 filers can use Form IT-200. See Can you file Form IT-200 instead of Form IT-201? on page 4. For the definition of resident, nonresident and part-year resident, see the instructions for Form IT-201.Also, if you filed a joint federal return but are unable to file a joint New York return because the address or whereabouts of your spouse is unknown, you may be able to file a separate return. See Item A, Filing Status, on page 8.

## TELECTRON/C <br> TAX FIIING

You can file Form IT-200 electronically, using your personal computer and one of the many commercially available software packages, or you can choose to have a tax professional electronically file your return for you. Electronic filing is the fastest way to receive your refund, if you are entitled to one. The speed and accuracy of computers allow electronic returns to be processed faster than paper returns, and since all electronic returns are prepared using software programs that have been approved by the Tax Department, the possibility of errors and delays is greatly reduced. To receive your refund even faster, you can choose to have it deposited directly into your savings or checking account.
If you are filing electronically and you owe tax, you or your preparer must also file Form IT-201-V, Payment Voucher for Income Tax Returns Filed Electronically, with your tax payment.
Other forms that may be filed electronically with Form IT-200 include:
IT-214 Claim for Real Property Tax Credit
IT-215 Claim for Earned Income Credit
IT-216 Claim for Child and Dependent Care Credit
IT-280 Nonobligated Spouse Allocation
NYC-203 City of New York Nonresident Earnings Tax Return
Y-203 City of Yonkers Nonresident Earnings Tax Return
(For a complete listing of New York State tax forms that may be filed electronically, see the instructions for Form IT-201.)

## Other Forms You May Have to File

Form IT-201-X, Amended Resident Income Tax Return

Generally, an amended return claiming credit for, or a refund of, an overpayment must be filed within three years of the date that the original return was filed, or within two years of the date the tax was paid, whichever is later. However, if you file an amended federal return showing a change in your taxable income, tax preference items, total taxable amount of capital gain or ordinary income portion of a lump-sum distribution, earned income credit or credit for child and dependent care expenses, you must also file an amended New York State return within 90 days of the date you amend your federal return.

You must also file an amended return to correct any error on your original state return, and to report changes made by the Internal Revenue Service.

If the Internal Revenue Service changes the taxable income, tax preference items, total taxable amount of capital gain or ordinary income portion of a lump-sum distribution, or disallows your refund claim, earned income credit or credit for child and dependent care expenses that you reported on your federal return, you must report these changes to the New York State Tax Department within 90 days from the date the Internal Revenue Service makes its final determination.

To amend your 1998 return, you must use 1998 Form IT-201-X. Since we cannot process your amended return until we have completed the processing of all original returns, there may be some delay in processing your amended return.

## Form CT-33-D, Tax on Premiums Paid or Payable to an Unauthorized Insurer on Risks Located Within New York State

Complete this form if you have purchased or renewed a taxable insurance contract from an insurer not authorized to transact business in New York State under a Certificate of Authority from the Superintendent of Insurance. You will be liable for a tax of $3.6 \%$ of the premium. The return must be filed within 60 days following the end of the calendar quarter in which the contract was purchased or renewed. For more information, see Form CT-33-D and TSB-M-90(9)C.

## Federal/State Tax Agreement

Under authority of federal and New York State laws, the New York State Department of Taxation and Finance and the Internal Revenue Service have entered into a federal/ state agreement for the mutual exchange of tax information.

## When to File

File your return as soon as you can after January 1, 1999, but not later than the filing deadline, April 15, 1999. If you file late, you may have to pay penalties and interest. See Penalties and Interest on page 15.

Extension of time to file - If you know that you cannot meet the filing deadline, ask for an extension of time by filing New York State Form IT-370, Application for Automatic Extension of Time to File for Individuals. The time to file will be automatically extended for four months if you file Form IT-370 on time and pay any tax you owe with it. If you expect to either receive a refund or have no amount of New York State, New York City or Yonkers income tax remaining unpaid as of the due date of your return, and you are filing federal Form 4868 to extend the time to file your federal return, you can also use a copy of federal Form 4868 to extend the time to file your New York return instead of filing Form IT-370. Write New York State Copy at the top of the form.

If you are enclosing a payment with your extension request, mail Form IT-370 with your payment to: Extension Request, P O Box 15106, Albany NY 12212-5106.

If you use a delivery service other than the U.S. Postal Service, see Private Delivery Services on page 2.
If the balance due from line 6 of Form IT-370 is " 0 ," mail Form IT-370 (or the copy of your federal Form 4868) to: Extension Request NR, P O Box 15105, Albany NY 12212-5105.

If you use a delivery service other than the U.S. Postal Service, see Private Delivery Services on page 2.
When you file, you must use Form IT-201; you cannot file Forms IT-100 or IT-200.
If, after asking for an extension of time to file, you choose to file your federal return electronically, you may still file your New York State resident income tax return electronically through October 15, 1999. Electronic returns may not be filed after this date.
If you are a U.S. citizen or a U.S. resident living and working abroad and you qualify for an automatic two-month extension of time to file your federal return, you are automatically granted a two-month extension of time to file your New York return. For more information, see Publication 88, General Tax Information for New York State Nonresidents and Part-Year Residents.

## Reminders

## Refunds/Real Property Tax Credit/ Earned Income Credit/Child and Dependent Care Credit

Even if you do not have to file a return for any other reason, (see Who Must File, page 3) you cannot get a refund of New York State, New York City, or Yonkers income taxes withheld from your pay unless you file a return. You must also file a return to receive any refund to which you are entitled because you are qualified to claim the earned income credit. If you qualify, attach Form IT-215 to your IT-200 to claim the refund for this credit. For more information see Earned Income Credit on page 3 of these instructions.
You may also be eligible for a refund if you are qualified to claim the city of New York school tax credit. If you qualify, answer the questions at Item $C$ on page 1 of your return and enter the amount of the credit on line 37. If you do not have to file a tax return, you can still claim the credit by filing only
Form NYC-210. For more information, see New York City Residents on page 3.
You may also be eligible for a refund if you are qualified to claim the real property tax credit. If you qualify, file Form IT-214 to claim the refund for the credit. You do not have to file a tax return in order to file Form IT-214. For more information on the real property tax credit, see Homeowners and Renters on page 3 of these instructions.

You may also be eligible for a refund if you are qualified to claim the child and dependent care credit. If you qualify, complete Form IT-216 and attach it to your return. For more information on the child and dependent care credit, see the instructions for line 34 on page 12 of these instructions.

## Name and Social Security Number

You must enter your first name, middle initial and last name and social security number on all forms you send to us. If you are making a payment, write your social security number and 1998 income tax on your check or money order.

## Whole Dollar Amounts

You may round all money items on your return to the nearest dollar. For example, round $\$ 10.49$ to $\$ 10.00$; round $\$ 10.50$ to $\$ 11.00$. If you round to the nearest dollar, round for all amounts.

## Household Credit

If you are single, with federal adjusted gross income of $\$ 28,000$ or less and cannot be claimed as a dependent on another taxpayer's federal return, you qualify for a household credit.

If you are married filing jointly, head of household (with qualifying person) or a qualifying widow(er) with dependent child with federal adjusted gross income of $\$ 32,000$ or less and cannot be claimed as a dependent on another taxpayer's federal return, you qualify for a household credit.
If you are a New York City resident you may also qualify for the New York City household credit and the New York City school tax credit.

For more information on the New York State household credit, see the instructions for line 20 on page 10 of these instructions. For more information on the New York City household credit, see the instructions for line 23 on page 11 of these instructions.

## Wage and Tax Statements

Your employer must give you a wage and tax statement - either federal Form W-2 or New York State Form IT-2102. This statement shows your total earnings and the amount of New York State, New York City and Yonkers taxes withheld from your pay during the year.

You must staple your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2), to your return as shown in Step 7, Return Assembly, on page 14 of these instructions. If you have not received your wage and tax statement by February 16, 1999, or if the statement you received is incorrect, contact your employer.

## Paid Preparers Must Sign Your Return

Anyone you pay to prepare your return must sign it and fill in the other blanks in the paid preparer's area on the back of your return. The preparer required to sign your return must sign it by hand; signature stamps or labels are not acceptable. If someone prepares your return and does not charge you, that person should not sign it.

Paid preparers may be subject to a penalty for failure to comply with certain requirements. For more information, see Penalties and Interest on page 15.

## Computer Filled-In Returns

If you use a computer to fill in your return, be sure:
$\square$ any computer-generated form you use complies with the guidelines in Publication 75, Specifications for Reproduction of 1998 New York State Income Tax Forms.
$\square$ your software conforms to current federal and state income tax laws.

## Check Your Withholding for 1999

If, after completing your 1998 tax return, you want to change the amount of tax withheld from your paycheck, complete Form IT-2104, Employee's Withholding Allowance Certificate, and give it to your employer.

## Keep Copies of Your Tax Records

Please remember to keep a copy of your completed income tax return. Also keep copies of any books, records, schedules, statements or other related documents.

You may be asked by the Tax Department to provide copies of these records after you have filed your income tax return.

## New York Additions

New York additions are items you must add to the adjusted gross income from your federal return, and help determine whether or not you have to file a New York income tax return. Brief descriptions of the more common additions follow:

1. Interest income on state and local bonds (but not those of New York State and local governments within the state).
2. Interest or dividend income on U.S. bonds or securities exempted from federal income tax but not from state income tax.
3. The amount of public employee $414(\mathrm{~h})$ retirement contributions paid by Tier 3 or Tier 4 members of the New York State and Local Retirement Systems, which includes the New York State Employees' Retirement System and the New York State Policemen's and Firemen's Retirement System; or employees of the Manhattan and Bronx Surface Transporation Operating Authority
(MABSTOA); or Tier 3 or Tier 4 members of the New York State Teachers' Retirement System; or employees of the State or City University of New York who belong to the Optional Retirement Program; or any tier member of the New York City Employees' Retirement System, the New York City Teachers' Retirement System, the New York City Board of Education Retirement System, the New York City Police Pension Fund or the New York City Fire Department Pension Fund.
4. The amount that was deducted from your salary for health insurance and the welfare benefit fund surcharge if you were a career pension plan member of:

- the New York City employees' retirement system, or
- the New York City Board of Education retirement system.

5. Income taxes deducted in figuring federal adjusted gross income (i.e., deducted as a business expense on your federal return).
6. Interest expense on loans used to buy bonds and securities whose interest is exempt from New York State tax if you deducted that interest expense in figuring your federal adjusted gross income.
7. Amortization of bond premiums whose interest income is exempt from New York State tax and expenses relating to income exempt from New York State tax if you deducted the amortization or expenses in figuring your federal adjusted gross income.
8. The IRC 125 amounts deducted or deferred from your salary under a flexible benefits program established by the city of New York or certain other New York City public employers.

## Scannable Returns

You may have noticed that rectangular boxes and white entry areas have been printed on a number of our forms. These design changes will let us use state-of-the-art scanning equipment to process your return. The boxes will guide you in making your handwritten entries on the forms, and will allow our scanning equipment to more accurately read your return and let us process it more efficiently.

You can help by observing the following:

- Please print (using a blue or black pen) or type all " X " marks and money amounts in the boxes and spaces provided.
- Do not use dollar signs, commas, decimal points, dashes or any other punctuation marks or symbols. All necessary punctuation has been printed on the form.
- Write your numbers like this:

- Enter your money amounts so that the whole dollar amount ends immediately to the left of the cents decimal, and the cents amount starts immediately to the right.
- Make your money amount entries in the boxes, allowing one numeral for each box.
Example: If your entry for line 1 is $\$ 13,525.50$, your money field entry should look like this:

- If you are rounding all money items on your return (see Whole Dollar Amounts on page 6) please enter " 00 " in the cents boxes.
- Leave blank any spaces and boxes that do not apply to you.

## Steps for Preparing Your Return

Prepare your federal return first; much of the information on your New York State return will be the same. In many cases when New York State and federal tax laws are similar, the New York instructions do not repeat all the requirements but, instead, explain the differences.

## Step 1

Get all forms and publications you need.
If you need any forms or publications, see Need Help on page 17.

## Step 2

## Get your tax records together.

If you received a salary or wages, get all your 1998 wage and tax statements together. These can be either New York Form IT-2102 or federal Form W-2. Only your employer can issue or correct these forms. If you have not received your wage and tax statements by February 16, or if the form you received is incorrect, contact your employer.
If you plan to take the real property tax credit, get all the supporting information and records you will need.

## Step 3

## Fill in your return.

Fill in your return using the line instructions for Form IT-200 that begin on this page or the instructions for Fast Form IT-100 that begin on page 19. Then continue with Step 4 on page 13.

## Line Instructions for Form IT-200

All information on your return, except for your present address, must be for the calendar year January 1 through December 31, 1998.

Make your entries in the white areas of Form IT-200.

## Name and Address Box

Do not write in this box or attach your mailing label until you have completed and
checked your return. Step 5 on page 13 of these instructions will tell you how to complete this section of your return.

After you have completed and checked your return be sure to use your preprinted mailing label; if you do not, it may cause a delay in processing your return and your refund, if you are entitled to one.

## Deceased Taxpayers

Enter the name of the deceased taxpayer and, in the boxes provided, list the date of death in month, day, and last 2 digits of year order.

## Line Instructions for Form IT-200 (continued)

## Item A

Filing status
Show your filing status by marking an $\boldsymbol{X}$ in only one box. In nearly all cases, you must use the same filing status on your state return that you used on your federal return. If you did not have to file a federal return, use the same filing status that you would have used for federal income tax purposes.

The only exceptions to this rule apply to married individuals who file a joint federal return and:
(1) one spouse is a New York State resident and the other is a nonresident or part-year resident. In this case you must either:
(a) file separate New York returns using filing status (3) or
(b) file jointly, as if you both were New York State residents, using filing status (2).
(2) you are unable to file a joint New York return because the address or whereabouts of your spouse is unknown or your spouse refuses to sign a joint New York return. In this case, you may file a separate New York return using filing status (3).

Caution - A separate return may be filed using exception (2) only if you meet at least one of the following conditions:

- you can demonstrate that the address or whereabouts of your spouse is unknown, reasonable efforts have been made to locate your spouse and good cause exists for the failure to file a joint New York return; or
- reasonable efforts have been made to have your spouse sign a joint return, there exists objective evidence of alienation from your spouse such as judicial order of protection, legal separation under a decree of divorce or separate maintenance, or living apart at all times during the preceding year, and good cause exists for the failure to file a joint return.

## Item B

Did you itemize your deductions on your 1998 federal return?
If you itemized your deductions on your 1998 federal income tax return, check the Yes box. If you claimed the standard deduction on your federal return, check the No box.

## Item C

## City of New York Residents Only

(1) Were you 65 or older on $1 / 1 / 99$ ? - If you were 65 or older, check the Yes box. If not, check the No box.
(2) Was your spouse 65 or older on 1/1/99? - If you were married and marked an $\mathbf{X}$ in box 2 of Item $\mathbf{A}$ (Married filing joint return) and your spouse was 65 or older, check the Yes box. If your spouse was not 65 or older, check the No box.
We need this information to help verify your New York City school tax credit.

## Item E

Do you need a tax packet (IT-200-P) sent to you next year?
If you use a paid preparer, or if you use computer software to prepare your return, or if for any other reason you do not need a tax
packet mailed to you for next year's taxes, please check the box at item E of your Form IT-200. By checking this box, you will help us reduce printing and mailing costs.
When you check the box, we will send you a mailing label that you or whoever prepares your return should use on your 1999 return.

## Tax Computation

## Simplified instructions for resident taxpayers who do not have to file a federal return but may have to file a New York State return.

Even if you did not have to file a federal return, you do have to file a New York State return if:
your federal filing status would have been:
single, and you can be claimed as a
dependent on another taxpayer's federal return.

single, and you cannot be claimed as a
dependent on another taxpayer's federal
return or
married filing joint return or
married filing separate return or
head of household or

*(New York additions are explained on page 7 of these instructions.)
If your income consists only of wages, salaries, tips, interest, dividends and unemployment compensation, you may qualify for Simplified Filing. To see if you qualify, answer the following questions:
Are you required to file a federal return?
Did you have New York State, New York City, or Yonkers tax withheld
from your wages?
Are you claiming the earned income tax credit?
Are you claiming the child and dependent care credit?
Does your income consist only of wages, salaries, tips, interest,
dividends and unemployment compensation?
If you checked a shaded box, stop; you do not qualify for this Simplified Filing method. You
must file Form IT-100, Form IT-200, or Form IT-201 in its entirety. If you did not check any
shaded box, continue with the worksheet below.

## Line 13

Interest income on U.S. government bonds
Enter on line 13 the amount of interest income from U.S. government bonds or other U.S. government obligations that is included in your federal adjusted gross income. Interest income on bonds or other obligations of the U.S. government is not taxed by New York State. Include on line 13 dividends you received from a regulated investment company (mutual fund) that invests in obligations of the U.S. government and meets the $50 \%$ asset requirement each quarter. Information regarding the $50 \%$ asset requirement and figuring your allowable subtraction (if any) should be obtained from the mutual fund.

## Refund

If line 41 is more than line 33 , subtract line 33 from line 41 and enter your refund on line 42.
You must file a return to get a refund. The Tax Department will not refund an amount of one dollar or less unless you attach to your return a signed statement asking for it. If you want us to deposit your refund directly into your bank account, see Direct Deposit on page 13.
Collection of debts from your refund We will keep all or part of your refund if you owe past due support or a past-due legally enforceable debt to the Internal Revenue Service or a New York State agency. This includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district. Any amount over your debt will be refunded.
Disclaiming of spouse's debt - If you checked filing status (2) and you do not want to apply your part of the refund to your spouse's debt because you are not liable for it, complete Form IT-280, Nonobligated Spouse Allocation and attach it (not a photocopy) to the front of your original return. We need the information on it to process your refund as quickly as possible. Once you have filed your return, you cannot file an amended return to disclaim your spouse's defaulted student loan or past-due support liability or past-due legally enforceable debt owed to a state agency. (However, you will be notified if your refund is applied against your spouse's defaulted student loan or past-due support or past-due legally enforceable debt owed to a state agency and you did not attach Form IT-280 to your return. You will then have ten days from the date of notification to file Form IT-280. However, this will result in a delay in your refund and extra work for you.) For more information, see Form IT-280.
If you have any questions about whether you owe a past-due legally enforceable debt to the Internal Revenue Service or a state agency, contact the IRS or that particular state agency.
For New York State, New York City or Yonkers tax liabilities only call 1800 835-3554 (outside the U.S. and Canada call (518) 485-6800) or write to NYS TAX DEPARTMENT, TAX COMPLIANCE DIVISION, W A HARRIMAN CAMPUS, ALBANY NY 12227.

## Need Help? See the phone numbers on page 17 of these instructions.

## Direct Deposit

Complete lines 42a through 42c if you want us to deposit your refund directly into your bank account.

On line 42a, enter the routing number shown on the checks issued by your bank (see sample check on this page). The routing number must be nine digits. If the first two digits are not 01 through 12, or 21 through 32, the direct deposit will be rejected and a check sent instead. On the sample check on this page, the routing number is 090090099 .

Your check may state that it is payable through a bank different from the one where you have your checking account. If so, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on this line.

On line 42 b , check the box for the type of account, checking or savings.

On line 42c, enter your account number shown on your checks (see sample check on this page). The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check on this page, the account number is 1357902468 .

The Department will not notify you that your refund has been deposited. However, if the amount we deposit is different from the amount of refund you claimed on your return, we will send you a written explanation of the adjustment within two weeks from the date your refund is deposited

We will make every effort to comply with your request for direct deposit. However, we cannot be responsible when a bank refuses a direct deposit. Some financial institutions, for example, do not allow a joint refund to be deposited into an individual account. If your bank refuses the direct deposit or the deposit cannot be made for any other reason, we will
send a check to the mailing address shown on your return. If you encounter any problem with the direct deposit of your refund to your account, call toll free 1800 321-3213. The processing time for an income tax return is approximately six to eight weeks.

## Line 43

## Amount you owe

If line 41 is less than line 33 , subtract line 41 from line 33 and enter the amount you owe on line 43.

If you owe more than one dollar, make your check or money order payable to New York State Income Tax and write your social security number and 1998 income tax on it. Staple your payment to the area indicated on the front left of your return. Do not send cash. You do not have to pay one dollar or less.

## Installment Payments

If you cannot pay the full amount you owe as shown on line 43 of your income tax return, you can ask to make monthly installment payments. However, you will be charged interest and may be charged a late payment penalty on any tax not paid by April 15, 1999, even if your request to pay in installments is granted. To limit the interest and penalty charges, file your return on time and pay as much of the tax as possible with your return. Before you request an installment payment agreement, you should consider other alternatives such as a commercial or private loan.
To be considered for an installment agreement, you must complete New York State Form DTF-383, Income Tax Installment Payment Agreement Request, and include all information requested. To get Form DTF-383, use the Income Tax Forms Order Blank (Form IT-86) that came with your income tax packet or see page 17 for a listing of our phone numbers.

You must attach your completed DTF-383 to the front of the 1998 income tax return you file. Your request for an income tax installment payment agreement will be considered based upon the information you provide. We will notify you if your request is approved or denied.

## Penalty for not paying enough tax during

 the year (estimated tax penalty)If line 43 is at least $\$ 100$ and, in addition, represents more than $10 \%$ of the tax shown on your return, you may owe a penalty. Generally, you are not subject to a penalty if your 1998 prepayments equal at least $100 \%$ of your 1997 tax (110\% of that amount if you are not a farmer or fisherman and the adjusted gross income shown on that return is more than $\$ 150,000$ or, if married filing separately, more than $\$ 75,000$ ) based upon a return covering 12 months.
If you owe a penalty you cannot file Form IT-200. You must file Form IT-201 and Form IT-2105.9.
Now continue with Step 4 below.

## Step 4

Check the figures on your return and any attachments.

## Step 5

Complete the top of your return.
Peel-off Label - Remove the peel-off label from under the flap on the inside front cover of your packet and place it in the name and address box at the top of your return. Check the peel-off label to make sure the information on it is complete and correct. The peel-off label has been redesigned to include 2 bar codes which represent the numeric information on the label. This new peel-off label has been designed to allow us to take advantage of the latest technology available to process your return.

Note: The routing and account numbers may appear in different places on your check.

| School district code County |  |
| :--- | :--- |
| Social security number(s) |  |
| Your name |  |
| Spouse's name |  |
| Number and Street |  |
| City $\quad$ State | ZIP code |

On the peel-off label is a series of numbers which shows your social security information and a single letter that indicates the form you filed last year.

If your name (or spouse's name) or address is wrong, cross it out and make the corrections directly on the peel-off label. Space for names on the label is limited to 36 characters. Do not correct the label if it is correct except for some missing final characters.
$\square$ If any other information is incorrect or missing or if you do not have a peel-off label enter the correct information in the white spaces. Do not enter information in the white spaces and boxes to the right of the peel-off label if all the information on the peel-off label is correct. Be sure your social security numbers are in the same order as your names. (Your social security number(s) is printed directly above your name(s); your county of residence is in the middle.) If this information is not on your peel-off label, enter it in the white spaces at the top of the form.
School district name and code number If your public school district code number is missing or incorrect, enter the name and code number of your public school district. This is the district where you were a resident on December 31, 1998. School districts and code numbers are on pages 33 through 36 of these instructions. If you do not know the name of your school district in which you lived on December 31, 1998, contact your nearest public school.
You must enter your school district name and code number even if you were absent from the school district temporarily, if the school your children attended was not in your school district, or if you had no children attending school. School aid may be affected if the school district or code number is not correct.

## Permanent home address

Enter your permanent home address within New York State on December 31, 1998, if it is not the same as the address on your peel-off label.
We ask for your permanent home address to verify your school district name and code number, which are used in figuring state aid to local school districts.
Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it. A summer or vacation home is not your permanent home.
Your permanent home address is not always the same as the mailing address that is entered on your income tax return. For example, you may use a post office box number for your mailing address; this is not your permanent home address.

- If you use a paid preparer and you use the preparer's address as your mailing address, enter the address of your permanent home in the space provided.
- If you are a permanent resident of a nursing home, enter the nursing home address as your permanent home address.
- If you are in the armed forces and your permanent home was in New York State when you entered the military, enter your New York permanent home address regardless of where you are stationed.
- If you moved after December 31, 1998, enter your permanent home address as of December 31, 1998, not your current home address.
If you do not have a peel-off label, enter all of the following information in the white spaces at the top of your return:
$\square$ first name, middle initial, last name and address (both names if filing a joint return);
$\square$ permanent home address (if different from mailing address);

## social security number(s);

New York State county of residence on December 31, 1998;

## $\square$ school district name and code.

Please keep your name and address entries within the spaces provided. For example, your first name and middle initial should not go past the vertical line separating them from your last name, and your last name should start to the right of the vertical line. Similarly, your mailing address, ZIP code, etc., should be kept within the boxes provided.

## Step 6

Sign and date your return at the bottom.
You must sign and date your return. If you are married and filing a joint return, you both must sign it. Your return cannot be processed if you do not sign it.

## Enter your daytime telephone number

 including the area code. This voluntary entry will enable the Tax Department to correct minor errors or omissions by calling you rather than writing or sending back your return. You are not required to give your telephone number.Keep a copy of your return and any attachments for future reference. If someone prepares your return for you, be sure to get a copy for your records.
If the return is for someone who died and there is no surviving spouse to sign it, the name and address of the person signing it must be printed or typed below the signature.

## A paid preparer must also sign your

 return.If you pay someone to prepare your return, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area on the back of your return. A person who prepares your return and does not charge you should not fill in the paid preparer's area.

## Step 7

## Return Assembly

Illustrated in the next column is the correct way to assemble your return and the various attachments for the most efficient handling. You can help ensure that your return (and your refund, if you are entitled to one) is processed as quickly as possible by taking a few moments to assemble your forms as shown.

- Staple payments, if any, to the front of your return in the area indicated.
- If you are filing Form IT-280, Nonobligated Spouse Allocation, please staple it, along with any correspondence and payments, to the front of your return, with the payments on top.
- Staple any other forms behind your return, face up, with your wage and tax statements last, stapled to the center of the top of your return.

## Step 8

## Checklist

Before you mail your return, a quick check will help you avoid common errors that may delay your refund. Did you:
$\square$ attach your peel-off label? (It is located under the flap on the inside front cover.) If you do not have a label, did you enter your name, address, social security number(s), county of residence, school district name and school district code number at the top of your return?
enter your permanent home address (if different from your mailing address)?check the box for item (E) on the front of Form IT-200 if you do not need a tax packet mailed to you for next year?check appropriate boxes for items (A), (B), (C) and (D)?enter the amount of your New York dependent exemptions?claim any adjustments or credits that you may qualify for?
use the correct tax table(s)?
sign your return (both husband and wife must sign a joint return)?
staple your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2) to the back of your return?
payable to New York State Income Tax for the full amount you owe?
$\square$ write your social security number and 1998 income tax on your check or money order?

## Step 9

Use the preaddressed mailing envelope.
To avoid delaying your refund, use the preaddressed envelope that came with your tax packet. If you are claiming a refund, mark an " $X$ " in the box on the front of the envelope. If you do not have a preaddressed envelope, address your envelope For refund returns:

STATE PROCESSING CENTER-REFUND '98 PO BOX 61000
ALBANY NY 12261-0001
For all other returns:
STATE PROCESSING CENTER
PO BOX 61000
ALBANY NY 12261-0001
If you use a delivery service other than the U.S. Postal Service, see Private Delivery Services on page 2.

## Resolving Tax Problems

The best ways to avoid tax problems are to keep accurate tax records and to stay on top of current tax requirements. These instructions contain information that can help you do both; the instructions list free publications you can order and give toll-free numbers you can call for answers to your specific questions.
Most tax problems can be resolved informally. If your refund is late, call our toll-free refund information number; if you receive a tax deficiency notice that you think is in error, promptly call the number listed on the notice. These instructions also list a toll-free number for ordering any forms you might need.

Our representatives will, depending upon the nature of your complaint, either give you the address and phone number of the Problem Resolution Officer in your area, or refer your complaint for further investigation and analysis.

Our Problem Resolution Officers are available to assist you when you have repeatedly attempted to clear up a difficulty and you have been unable to do so.

Problem Resolution Officers help remedy specific taxpayer circumstances that have not been resolved through routine departmental procedures.

Only a relative handful of tax problems fail to be resolved by these informal means. However, if you are issued a Notice of Deficiency or a refund denial and you feel that the Tax Department has made a mistake, you still have a number of options available to you:

- You can request a conciliation conference through the Bureau of Conciliation and Mediation Services. The conference is conducted informally by a conferee who issues an order that is binding on the Tax Department, but not on you (you can appeal by filing a petition for a formal hearing, as explained below). To set up a conference, get a Request for Conciliation Conference by calling toll free $1800462-8100$ or by writing to the Bureau of Conciliation and Mediation Services, NYS Tax Department, W A Harriman Campus, Albany NY 12227.
- You can file a petition for a Tax Appeals hearing. The hearing is held before an administrative law judge, and both you and the Tax Department may appeal the judge's decision to the Tax Appeals Tribunal. The Tax Department cannot seek a review of the Tribunal's decision, but you can by instituting an Article 78 proceeding in the Appellate

Division of the State Supreme Court. You can get the petition forms by writing to the Division of Tax Appeals, Riverfront Professional Tower, 500 Federal Street, 4th Floor, Troy NY 12180-2894.

- You can request a small claims hearing before an impartial presiding officer if the disputed amount is within certain dollar limitations set by the Rules of Practice and Procedure. The presiding officer's decision is final, but at any time before the end of the small claims hearing, you can request a transfer to a formal hearing before an administrative law judge. A copy of the Rules of Practice and Procedure will be sent to you when you request a petition form as explained in the following paragraphs.
Regardless of which appeal option you exercise, you may appear on your own behalf or you may have an authorized representative present your case for review. An authorized representative must have Power of Attorney from you in order to appear on your behalf. Further, your representative must be in compliance with the Ethics in Government Act which restricts appearances by former Tax Department employees. A summary of these restrictions is included on the back of Form DTF-14, Power of Attorney (Individual).

## Penalties and Interest

Interest - will be charged on income tax that is not paid on or before the due date of your return, even if you received an extension of time to file your return. Interest is a charge for the use of money and in most cases may not be waived. Interest is compounded daily and the rate is adjusted quarterly.

If you are due a refund, you may also be entitled to receive interest on your overpayment. Interest is compounded daily and the rate is adjusted quarterly. If the refund is made within 45 days after the due date of your return, no interest will be paid. If you file your return after the due date (including extensions), no interest will be paid if the refund is made within 45 days after the date you filed. If the refund is not made within this 45-day period, interest will be paid from the due date of the return or from the date you filed, whichever is later. However, interest will not be paid to you:

- on the portion of your refund that is attributable to the real property tax credit, earned income credit, child and dependent care credit, or City of New York school tax credit; or
- if your return cannot be processed.

To be processed, your return must show your name, address, social security number, signature and the information needed to mathematically verify your tax liability.

Late filing penalty - If you file late, you will be charged a penalty of $5 \%$ of the tax due for each month, or part of a month, the return is late, up to a maximum of $25 \%$, unless you extend the time to file or attach to your return an explanation showing reasonable cause for the delay. If your return is more than 60 days late, this penalty will not be less than the lesser of $\$ 100$ or $100 \%$ of the amount required to be shown as tax due on the return reduced by any tax paid and by any credit that may be claimed. For information on filing an extension of time to
file your return, see When to File on page 6 of these instructions.
Late payment penalty - If you do not pay your tax when due, you will be charged a penalty of $1 / 2$ of $1 \%$ of the unpaid amount for each month or part of a month it is not paid, up to a maximum of $25 \%$. This penalty is in addition to the interest charged for late payments.
This penalty may not be charged if you attach to your return an explanation showing reasonable cause for paying late.
If you figure your tax incorrectly - You may have to pay a penalty if the tax you report on your return is less than your correct tax. If you are off by more than $10 \%$ or $\$ 2,000$, whichever is more, you may have to pay this penalty. The penalty is $10 \%$ of the difference between the tax you reported and the tax you actually owe.

Negligence penalty - If your return does not show all of the tax imposed under the Tax Law, its rules or regulations, due to negligence or intentional disregard but not with intent to defraud, you will be charged a penalty of $5 \%$ of any deficient amount. In general, a deficiency is the difference between the correct tax and the tax shown on your return. In addition, $50 \%$ of the interest due on any underpayment resulting from negligence will be added to your tax.
Fraudulent returns - If any part of a deficiency is due to fraud, you will be charged a penalty of $50 \%$ of the deficiency. In general a deficiency is the difference between the correct tax and the tax shown on your return. In addition, $50 \%$ of the interest due on any deficiency resulting from a fraudulent act will be added to your tax.
Frivolous returns - A penalty of up to $\$ 500$ will be imposed on any person who files a frivolous tax return. A return is considered frivolous when it does not contain information needed to judge the correctness of the tax
return, or reports information that is obviously and substantially incorrect, and intended to delay or impede the administration of Article 22 of the Tax Law or the processing of the return. This penalty is added to any other penalty provided by law.

Failure of paid preparers to conform to
certain requirements - A penalty of $\$ 50$ per return or claim for refund will be assessed a paid preparer for failure to comply with any of the following requirements:

- failure to sign the tax return or claim for refund;

- failure to keep a completed copy of the return or claim for refund prepared for each taxpayer or to keep the name and identification number of each taxpayer for whom a return was prepared on a list and to make the copy or list available for inspection upon request.

The period for keeping a completed copy of the return or information on the list is three years after the due date of the return (not counting extensions) or three years after the date the return was presented to the taxpayer for signature, whichever is later.

## Breast Cancer Research and Education Fund

In New York State, about 3,700 women die each year from breast cancer. Now you can make a contribution on your New York State tax return and join the fight against this dreaded disease.
Your contribution will enhance public awareness of the need for early detection, and support medical research into the causes of breast cancer and effective medical treatments.
By entering an amount in the Gift for Breast Cancer Research and Education area on your tax return, you will be helping to conquer this serious health threat to women. Together, we can make a difference.

Your voluntary contribution helps the NYS Missing and Exploited Children Clearinghouse to provide direct assistance to parents, law enforcement officials and others when searching for missing and abducted children. Contributions also support statewide dissemination of informational and educational materials, and advanced training for law enforcement officers in the area of missing, abducted and exploited children. Additional information, including a listing of all available services, can be obtained by contacting the Clearinghouse at

## Don't Delay Your Refund

We want to send your refund to you as soon as possible. You can help us by filing an error-free return. Be sure that you have checked your correct filing status, and that you have signed your return and attached your wage and tax statements so that we do not have to send your return back to you. Please check the figures on your return and carefully follow Steps 5, 6, 7, 8, and 9 on pages 13 and 14 of these instructions.

## Earned Income Credit

New York State is providing an earned income credit (EIC) based on the federal earned income credit. Like the federal credit, New York's earned income credit is meant to assist lower-income workers, especially those with families. The program provides incentives
to work while bolstering families under economic hardship. The credit can be used to reduce a household's tax liability, and in many cases, may totally offset the income tax and even provide a refundable payment.

To claim New York's earned income credit, you must be eligible for and claim the federal credit.

## tIP How to Avoid Mistakes That Slow Down the Processing of Your Return and Refund

- Public employee contributions must be entered on line 9.

If you are a Tier 3 or Tier 4 member of the New York State and Local Retirement Systems (including the New York State Employees' Retirement System and the New York State Policemen's and Firemen's Retirement System), New York State Teachers' Retirement System, or an employee of the State or City University of New York who belongs to the Optional Retirement Program or any tier member of the New York City Employees' Retirement System, the New York City Teachers' Retirement System, the New York City Board of Education Retirement System, the New York City Police Pension Fund or the New York City Fire Department Pension Fund, or employees of the Manhattan and Bronx Surface Transportation Operating Authority, you must enter the amount of public employee 414(h) retirement contributions you made in 1998 on line 9.

- New York City IRC 125 flexible benefits program must be entered on line 10.

IRC Section 125 amounts deducted or deferred from your salary under a flexible benefits program established by the city of New York and certain other New York City public employers must be entered on line 10 of Form IT-200.

- Be sure to check either the Yes or No box at Item D.

Item D asks whether or not you can be claimed as a dependent on another taxpayer's federal return. Be sure to check either the Yes or No box, especially if you are single, since the answer determines the amount of standard deduction allowed.

- Complete the New York Dependent Exemption Worksheet on page 10 and enter the line c number on line 15.

Some taxpayers make the mistake of entering their federal exemptions on line 15. Federal exemptions may include both personal and dependent exemptions. Only dependent exemptions are allowed on your New York State return.

- Nonobligated spouses should attach Form IT-280 to the front of their returns.

If you are a nonobligated spouse who is filing Form IT-280 to disclaim your spouse's debt, use the original Form IT-280. Do not use a photocopy. Nonobligated spouses filing Form IT-280 cannot file Form IT-100, Resident Fast Form Income Tax Return.

- Check the New York standard deduction table on page 9 and make sure that you have claimed the correct standard deduction for your filing status on line 14.
- Use the correct New York tax table.

Some taxpayers erroneously use the city tax table to determine their state tax, and vice versa.

- Enter your refund or amount you owe on the correct line of your return.

Taxpayers sometimes enter the amount they owe on the refund line (line 42) instead of on the amount you owe line (line 43). If you owe tax, enter this amount on the correct line and pay this amount when you file your return to avoid a bill for the tax owed plus interest and possible penalty.

## Step 1

Get your tax records together - If you received a salary or wages, get all your 1998 wage and tax statement(s) together. These will be either New York State Form IT-2102 or federal Form W-2. Only your employer can issue or correct these forms. If you have not received your wage and tax statement(s) by February 16, or if the form you received is incorrect, contact your employer.

Much of the information you need for Fast Form IT-100 comes from your federal return. Where possible, we have provided the specific line numbers on the federal form from which you can copy this information.
If you did not have to file a federal return but you must file a New York return, use the federal instructions to determine your filing status, the number of federal exemptions you may claim and your income and adjustments to income.

## Step 2

Fill in your return - Fill in Fast Form IT-100 using the following line instructions. Print your numbers inside the boxes. Do not use dollar signs. Leave blank any line that does not apply to you. Please write like this:

After completing all items that apply to you, continue with Step 3 on the next page.

## IT-100 Line Instructions

All information on your return, except for your present address, must be for the calendar year January 1 through December 31, 1998.
We will figure your tax and send you a refund or a bill for any additional tax you owe. We will also send a statement showing how we figured your tax. If you do owe additional tax, you must pay it by April 15, 1999, or within ten days of the date of your bill, whichever is later.
Name and address box - Do not write in this box or attach your peel-off label until you have completed and checked your return. Step 4 on the next page will tell you how to complete this section.

## Item (A)

Filing status - Show your filing status by putting an $\mathbf{X}$ in one box. If you filed a federal return, your filing status is the same. If you did not have to file a federal return, use the same filing status that you would have used for federal income tax purposes.

## Item (B)

Can you be claimed as a dependent? - If you can be claimed as a dependent on another taxpayer's federal return, put an $\mathbf{X}$ in the Yes box. If not, put an $\mathbf{X}$ in the No box.

## Item (C)

If you were not a resident of New York City for any part of the year but earned wages there, you must use Form IT-200.

## Item (D)

City of New York residents only:
(1) Were you 65 or older on $1 / 1 / 99$ ? - If you were 65 or older, check the Yes box. If not, check the No box.
(2) Was your spouse 65 or older on $1 / 1 / 99$ ? - If you were married and marked an $\mathbf{X}$ in box 2 of Item A (married filing joint return) and your spouse was 65 or older, check the Yes box. If your spouse was not 65 or older, check the No box.
We need this information to compute your New York City school tax credit.
If you were not a resident of New York City, do not make entries in these boxes.

## Item (E)

Were you a resident of the city of Yonkers for all of 1998? - If you were a city of Yonkers resident for all of 1998, put an $X$ in the Yes box. If not, put an $\mathbf{X}$ in the No box. If you were a resident for part of the year, you must use Form IT-201.

If you were not a resident of Yonkers for any part of the year but earned wages there, you must use Form IT-200.

The information for lines 1 through 7 should be the same as on your federal return. If you did not have to file a federal return, report the same information that you would have reported if you had filed one.

If you filed your federal return by telephone, report the same information on Form IT-100 that you would have reported if you had filed your federal return on paper.

Do not complete and file Form IT-215, Claim for Earned Income Credit.

If you are claiming the federal earned income credit and you are having the IRS compute the credit for you, do not enter an amount on line 12. Write EIC in the area to the left of line 12 and complete the Claim for Earned Income Credit for IT-100 Filers on the back of Form IT-100.

## Direct Deposit

Complete lines 1a through 1c on the back of your return if you want us to deposit your refund (the total of any credit and refund amounts) computed on your return directly into your bank account.
On line 1a, enter the routing number shown on the checks issued by your bank (see sample check on this page). The routing number must be nine digits. If the first two digits are not 01 through 12, or 21 through 32, the direct deposit will be rejected and a check sent instead. On the sample check on this page, the routing number is 090090099 .
Your check may state that it is payable through a bank different from the one where you have your checking account. If so, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on this line.

On line 1b, check the box for the type of account, checking or savings.

On line 1c, enter your account number shown on your checks (see sample check on this page). The account number can be up to 17 characters (both numbers and letters). Include
hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check on this page, the number is 1357902468.

We will send you a written explanation of how we computed your tax. Any refund that you may be entitled to will be reflected in your bank statement.

We will make every effort to comply with your request for direct deposit. However, we cannot be responsible when a bank refuses a direct deposit. Some financial institutions, for example, do not allow a joint refund to be deposited into an individual account. If your bank refuses the direct deposit or the deposit cannot be made for any other reason, we will send a check to the mailing address shown on your return. If you encounter any problem with the direct deposit of your refund to your account, call toll free 1800 321-3213. The processing time for an income tax return is approximately six to eight weeks.
(Now continue with Step 3 below.)

## Step 3

Check the figures on your return.

## Step 4

Complete the top of your return -
If you have your peel-off label (it is inside the income tax packet that was mailed to you), place it in the name and address box at the top of your return.

- If any information on the peel-off label is incorrect, cross it out and make the corrections directly on the label.
- If the information on your peel-off label is correct, do not enter your social security number, New York State county of residence, school district name or school district code number in the spaces at the top of your Form IT-100.
If you do not have a peel-off label, enter the following in the spaces at the top of your return:
- your social security number (and your spouse's social security number if you are married);
- your first name, middle initial and last name (and, if you are married filing a joint return, your spouse's first name, middle initial and last name). Please keep your name and address entries within the spaces provided. For example, your first name and middle initial should not go past
the vertical line separating them from your last name, and your last name should start to the right of the vertical line. Similarly, your mailing address, ZIP code, etc., should be kept within the boxes provided;

## - your address

- your New York State county of residence (on December 31, 1998);
- your school district name and code number - Enter the name and code number of your public school district. This is the district where you were a resident on December 31, 1998. School districts and code numbers are listed, by county, in the instructions for Forms IT-200 and IT-201. If you do not know the name of your school district, contact your nearest public school.
You must enter the name of your school district and code number even if you were absent from your school district temporarily, if your children did not attend the school in your school district, or if you had no children attending school. School aid may be affected if the school district code number is not correct.
- permanent home address - Enter your permanent home address within New York State on December 31, 1998, if it is not the same as your mailing address.
We ask for your permanent home address to verify your school district name and code number, which are used in figuring state aid to local school districts.

Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it. A summer or vacation home is not your permanent home.
Your permanent home address is not always the same as the mailing address on your income tax return. For example, you may use a post office box number for your mailing address; this is not your permanent home address.
If you are a permanent resident of a nursing home, enter the nursing home address as your permanent home address.
If you are in the armed forces and your permanent home was in New York State when you entered the military, enter your New York permanent home address regardless of where you are stationed.
If you moved after December 31, 1998, enter your permanent home address as of December 31, 1998, not your current home address.

## Instructions for Claim for Child and Dependent Care Credit for IT-100 Filers

## Who Qualifies

You may claim the New York State child and dependent care credit even if you did not claim the federal child and dependent care credit on federal Form 2441. However, to claim the New York credit, you must qualify to claim the federal credit. To qualify and to use Form IT-100, you must meet all of the following federal requirements.

1. Your filing status is Single, Head of Household, Qualifying widow(er) with dependent child, or Married filing jointly.
2. The care was provided so you (and your spouse, if you were married) could work or look for work. However, if you did not find a job and have no earned income for the year, you cannot take the credit. If your spouse was a student or disabled, see the line 13 instructions on the next page.
3. You (and your spouse, if you were married) paid over half the cost of keeping up your home. The cost includes rent, mortgage interest, real estate taxes, utilities, home repairs, and food eaten at home.
4. You and the qualified person(s) lived in the same home.
5. The person who provided the care was not your spouse or a person whom you can claim as a dependent. If your child provided the care, he or she must have been age 19 or older by the end of 1998.

## In addition to the above federal

requirements, to claim the New York State child and dependent care credit you must:

- file (or have filed) a New York State return for 1998; and complete the Claim for Child and Dependent Care Credit for IT-100
Filers section on the back of Form IT-100.
If you are a resident, you may qualify for a refund of any child and dependent care credit in excess of your New York State tax liability.

## Important Terms

A qualifying person is:

- Any child under age 13 whom you can claim as a dependent (but see Exception for Children of Divorced or Separated Parents below). If the child turned 13 during the year, the child is a qualifying person for the part of the year he or she was under age 13.
- Your disabled spouse who is not able to care for himself or herself.
- Any disabled person not able to care for himself or herself who you can claim as a dependent for federal purposes (or could claim as a dependent for federal purposes, except that the person had gross income of $\$ 2,700$ or more). If this person is your child, see Exception for Children of Divorced or Separated Parents below. To find out who is a dependent, see the instructions for federal Form 1040 or 1040 A , line 6 c .

Caution: To be a qualifying person, the person must have shared the same home with you in 1998.

## Exception for Children of Divorced or

Separated Parents - If you were divorced, legally separated, or lived apart from your spouse during the last 6 months of 1998, you may be able to take the credit or the exclusion even if your child is not your dependent. If your child is not your dependent, he or she is a qualifying person only if all five of the following apply:

1. You had custody of the child for a longer time in 1998 than the other parent. For the definition of custody, see federal Publication 501, Exemptions, Standard Deduction, and Filing Information.
2. One or both of the parents provided over half of the child's support in 1998.
3. One or both of the parents had custody of the child for more than half of 1998.
4. The child was under age 13 or was disabled and could not care for himself or herself.
5. The other parent claims the child as a dependent because:

- as the custodial parent, you signed federal Form 8332, Release of Claim to Exemption for Child of Divorced or Separated Parents, or a similar statement agreeing not to claim the child's exemption for 1998, or
- your divorce decree or written agreement went into effect before 1985 and states that the other parent can claim the child as a dependent, and the other parent gave at least $\$ 600$ for the child's support in 1998. This rule does not apply if your decree or agreement was changed after 1984 to say that the other parent cannot claim the child as a dependent.

Dependent care benefits - include amounts your employer paid directly to either you or your care provider for the care of your qualifying person(s) while you worked. These

22 Instructions for Preparing Fast Form IT-100
benefits also include the fair market value of care in a day-care facility provided or sponsored by your employer. Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown in box 10 of your 1998 federal W-2 form(s).

Qualified expenses - include amounts paid for household services and care of the qualifying person(s) while you worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless you included the reimbursement in your income.

Household services - are services needed to care for the qualifying person as well as to run the home. They include, for example, the services of a cook, maid, babysitter, housekeeper, or cleaning person if the services were partly for the care of the qualifying person(s). Do not include services of a chauffeur or gardener.

You may also include your share of the employment taxes paid on wages for qualifying child and dependent care services.

Care of the qualifying person - includes the cost of services for the qualifying person's well-being and protection. It does not include the cost of clothing or entertainment.

You may include the cost of care provided outside your home for your dependent under age 13 or any other qualifying person(s) who regularly spends at least 8 hours a day in your home. If the care was provided by a dependent care center, the center must meet all applicable state and local regulations. A dependent care center is a place that provides care for more than six persons (other than persons who live there) and receives a fee, payment, or grant for providing services for any of those persons, even if the center is not run for profit.

You may include amounts paid for food and schooling only if these items are part of the total care and cannot be separated from the total cost. But do not include the cost of schooling for a child in the first grade or above. Also, do not include any expenses for sending your child to an overnight camp.

Some disabled spouse and dependent care expenses may qualify as medical expenses if you itemize deductions on federal Schedule A (Form 1040). For more information on qualifying medical expenses, see federal Publication 503, Child and Dependent Care Expenses, and Publication 502, Medical and Dental Expenses.

## Line 8

List the name, amount of qualified expenses paid in 1998, social security number and year of birth for the qualifying persons for whom you are claiming the New York State child and dependent care credit. Also, be sure to place an $\mathbf{X}$ in the box under the heading Person with disability if the qualifying person was permanently disabled during 1998.

## Line 10

Complete columns (A) through (D) for each person or organization that provided the care. If you have more than two providers, list the information on a separate sheet. You can use federal Form W-10, Dependent Care
Provider's Identification and Certification, or any other source listed in its instructions to get the information from the care provider. If you do not give correct or complete information, your credit (and exclusion, if applicable) may
be disallowed unless you can show you used due diligence (a serious and earnest effort) in trying to get the required information.

You can show that you used due diligence by keeping in your records a federal Form W-10 completed by the care provider. Or you may keep one of the other sources of information listed in the instructions for Form W-10. If the provider does not give you the information, complete the entries you can on line 10. For example, enter the provider's name and address. Write see attached in the columns for which you do not have the information. Then, on a separate sheet, explain that the provider did not give you the information you requested.

Columns (A) and (B). Enter the care provider's name and address. If you were covered by your employer's dependent care plan and your employer furnished the care (either at your workplace or by hiring a care provider), enter your employer's name in column (A). Next, write see W-2 in column (B). Then leave columns (C) and (D) blank. If your employer paid a third party (not hired by your employer) on your behalf to provide the care, you must give information on the third party in columns (A) through (D).

Column (C). If the care provider is an individual, enter his or her social security number (SSN). Otherwise enter the provider's employer identification number (EIN). If the provider is a tax-exempt organization, write tax-exempt in column (C).

Column (D). Enter the total amount you actually paid in 1998 to the care provider. Also, include amounts your employer paid to a third party on your behalf. It does not matter when the expenses were incurred. Do not reduce this amount by any reimbursement you received.

## Line 11

Enter the amount of qualified expenses you incurred and paid in 1998 only. Do not enter more than $\$ 2,400$ (one qualifying person) or \$4,800 (two or more qualifying persons). If you had qualified prior year expenses for 1997 that you didn't pay until 1998, write PYE and the amount of the expenses on the dotted line next to line 11.

## Line 12

Enter only your earned income on line 12 (do not include your spouse's). Earned Income is generally your wages, salaries, tips, and other employee compensation. Earned income does not include a scholarship or fellowship grant if you did not get a wage and tax statement (federal Form W-2) for it. Earned income also includes certain nontaxable earned income such as meals and lodging provided for the convenience of your employer. For more information, see federal Publication 503, Child and Dependent Care Expenses. However, including nontaxable earned income will only give you a larger credit if your other earned income (and your spouse's other earned income, if filing a joint return) is less than the qualified expenses entered on line 11 on the back of Form IT-100.

If you are filing a joint federal return, disregard community property laws. If your spouse died in 1998 and had no earned income, see federal Publication 503. If your spouse was a student or disabled in 1998, see the line 13 instructions below.

## Line 13

If you are filing your return using filing status (2), Married filing joint return, enter only your spouse's earned income on line 13. If you are using any other filing status, enter the amount from line 12 on line 13

Spouse Who Was a Student or Disabled. Your spouse was a student if he or she was enrolled as a full-time student at a school during any 5 months of 1998. Your spouse was disabled if he or she was not capable of self-care. Figure your spouse's earned income on a monthly basis.

For each month or part of a month your spouse was a student or was disabled, he or she is considered to have worked and earned income. His or her earned income for each month is considered to be at least \$200 (\$400 if more than one qualifying person was cared for in 1998). If your spouse also worked during that month, use the higher of \$200 (or \$400) or his or her actual earned income for the month. If, in the same month, both you and your spouse were either students or disabled, this rule applies to only one of you for that month.

For any month that your spouse was not disabled or a student, use your spouse's actual earned income if he or she worked during the month.

## Instructions for Preparing Form IT-214

## Real Property Tax Credit

If your household gross income was $\$ 18,000$ or less, you may be entitled to a credit on your New York State income tax return for part of the real property taxes or rent you paid during 1998. If you do not have to file a return, you can file for a refund of the credit by using Form IT-214 only.

## Changes for 1998

This year we changed the order of the questions at lines 1 through 8. Please keep this in mind when you complete the form.
New York City residents and part-year residents who cannot be claimed as a dependent on another taxpayer's federal return are also entitled to claim the New York City school tax credit. If you qualify for this credit and you are not filing a New York tax return on Form IT-100, IT-200, or IT-201, file Form NYC-210, and mail it in with your Form IT-214. For more information, see Form NYC-210 and its instructions.
If you are filing a return, you do not have to complete Form NYC-210; you claim the credit directly on your return (on Form IT-100, it is computed automatically for you).

## Who Qualifies

Homeowners - To qualify for the real property tax credit, you have to meet all of these conditions for the taxable year 1998:

- your household gross income was \$18,000 or less;
- you occupied the same New York residence for six months or more;
- you or your spouse paid real property taxes on your residence;
- you were a New York State resident for all of 1998;
- you could not be claimed as a dependent on someone else's federal income tax return;
- your residence was not completely exempted from real property taxes;
- the current market value of all your real property (house, garage, land, etc.) was \$85,000 or less;
- any rent you received for nonresidential use of your residence (see Definitions below) was $20 \%$ or less of the total rent you received.
Renters - To qualify for the real property tax credit, you have to meet all of these
conditions for the taxable year 1998:
- your household gross income was \$18,000 or less;
- you occupied the same New York residence for six months or more;
- you or your spouse paid rent for your residence:
- you were a New York State resident for all of 1998;
- you could not be claimed as a dependent on someone else's federal income tax return;
- your residence was not completely exempted from real property taxes;
- the average monthly rent you and other members of your household paid was $\$ 450$ or less, not counting charges for heat, gas, electricity, furnishings or board.
If you meet all of these conditions as a homeowner or renter, you are a qualified taxpayer and may be entitled to the real property tax credit.

You cannot file a real property tax credit claim form for a taxpayer who has died.

## Definitions

All who share your residence and its furnishings, facilities and accommodations are members of your household, whether they are related to you or not.
However, tenants, subtenants, roomers or boarders are not members of your household unless they are related to you in one of the following ways:

- a son, daughter or a descendent of either;
- a stepson or stepdaughter;
- a brother, sister, stepbrother or stepsister;
- a father, mother or an ancestor of either;
- a stepfather or stepmother;
- a niece or nephew;
- an aunt or uncle;
- a son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law or sister-in-law.
No one can be a member of more than one household at one time.

Household gross income is the annual total of the following income items that you and all members of your household received during 1998:

- Federal adjusted gross income (even if you don't have to file a federal return).
- New York State additions to federal adjusted gross income. For a list of these additions, see Publication 22, General Information on New York State's Real Property Tax Credit for Homeowners and Renters, or the instructions for Form IT-201. For Form IT-200 filers, the New York State additions to federal adjusted gross income are shown on Form IT-200, line 9, Public employee 414(h) retirement contributions and line 10, IRC 125 amounts from the New York City flexible benefits program. See instructions for Form IT-200.
- Support money, including foster care support payments.
- Income earned abroad exempted by section 911 of the Internal Revenue Code.
- Supplemental security income (SSI) payments.
- Nontaxable interest received from New York State, its agencies, instrumentalities, public corporations or political subdivisions.
- Workers' compensation.
- The gross amount of loss-of-time insurance. (For example, an accident or health insurance policy and disability benefits received under a "no-fault" automobile policy, etc.).
- Cash public assistance and relief, other than medical assistance for the needy. (For example, cash grants to clients, emergency aid to adults, value of food vouchers received by clients, etc.) Do not include amounts received from the Home Energy Assistance Program (HEAP).
- Nontaxable strike benefits.
- The gross amount of pensions and annuities, including railroad retirement benefits;
- all payments received under the federal Social Security Act and veteran's disability pensions.
Household gross income does not include food stamps, medicare, medicaid, scholarships, grants, surplus food, or other relief in kind. It also does not include payments made to veterans under the Federal Veterans' Dioxin and Radiation Exposure Compensation Standards Act because of exposure to herbicides containing dioxin (agent orange), or pursuant to certain agent orange product liability litigation.
Further, household gross income does not include payments made to individuals because of their status as victims of Nazi persecution as defined in federal Public Law 103-286.
A residence is a dwelling that you own or rent, and up to one acre of land around it. It must be located in New York State. If your residence is on more than one acre of land, only the amount of real property taxes or rent paid that applies to the residence and only one acre around it may be used to figure the credit. (If you do not know how much rent or real property tax you paid for the one acre surrounding your residence, contact your local assessor.) Each residence within a multiple dwelling unit may qualify. A condominium, a cooperative or a rental unit within a single dwelling is also a residence.
A trailer or mobile home that is used only for residential purposes is also a residence.
Real property taxes paid are all current, prior, and prepaid real property taxes, special ad valorem levies and assessments levied and paid upon a residence owned or previously owned by a qualified taxpayer (or spouse, if the spouse occupied the residence for at least six months) during the taxable year. You may elect to include real property taxes that are exempted from tax under section 467 (for persons 65 and older) of the Real Property Tax Law (veterans' tax exemption does not qualify). If you do not know this amount, contact your local assessor.
Real property taxes paid also include any real estate taxes allowed (or which would be allowable if the taxpayer had filed return on a cash basis) as a deduction for
tenant-stockholders in a cooperative housing corporation under section 216 of the Internal Revenue Code.
If any part of your residence was owned by someone who was not a member of your household, include only the real property taxes paid that apply to the part you and other qualified members of your household own.
If your residence was part of a larger unit, include only the amount of real property taxes paid that can be reasonably applied to your residence.
If you owned and occupied more than one residence during the taxable year, add together the prorated part of real property taxes paid for the period you occupied each residence.
Rent constituting real property taxes paid is $25 \%$ of the adjusted rent paid on a New York residence during the taxable year.

Adjusted rent is the rent paid after subtracting any charges for heat, gas, electricity, furnishings or board. If these charges are not separately stated, complete lines 22 through 25 of Form IT-214 to figure $25 \%$ of adjusted rent. Do not include any subsidized part of your rental charge in adjusted rent.
If any part of your residence was rented by someone who was not a member of your household, include in line 22 of Form IT-214 only the amount of rent you and members of your household paid.
If you moved from one rented residence to another rented residence during the taxable year, add $25 \%$ of adjusted rent paid for each residence.

## Which Form to File

To claim the real property tax credit, complete Form IT-214, Claim for Real Property Tax Credit, and attach it to Form IT-200 or Form IT-201. (You cannot claim this credit on Fast Form IT-100.) If neither you nor your spouse has to file a New York return but you qualify to claim the credit, just file Form IT-214 to claim your refundable credit.
If you are filing or have filed an original Form IT-214 without attaching it to another return, such as Form IT-200, please enter your daytime telephone number including the area code. This voluntary entry will enable the Tax Department to correct minor errors or omissions by calling you rather than writing or sending back your Form IT-214. You are not required to give your telephone number.

To file an amended Form IT-214, get a blank Form IT-214 for the tax year involved and write Amended at the top of the form. Complete the form by entering the corrected information.

If more than one member of your household qualifies for the credit, each must file a separate Form IT-214. See the line 17 instructions for division of the credit. However, if you are married and filing a joint tax return, you must file a joint claim on Form IT-214.

## When to File

If you are filing a New York State income tax return, attach Form IT-214 to it. File your New York State income tax return as soon as you can after January 1, 1999, but not later than April 15, 1999.

If you don't have to file a New York State income tax return, file Form IT-214 as soon as you can after January 1, 1999.
If you have previously filed Form IT-200 or Form IT-201 without claiming the real property tax credit, you may still be able to claim the credit. To claim the credit, file Form IT-214 as soon as you can, but no later than April 15, 2002.

## Filing Form IT-214 for Past Years

If you did not file Form IT-214 for previous years, you may still be able to receive a real property tax credit for those years. To see if there is still time for you to file Form IT-214, see the table below:

## Line Instructions

Print or type the information requested in the name and address box at the top of the front. Enter your name, address, social security number and county of residence as of December 31, 1998. Married taxpayers enter both social security numbers. On the bottom line of the name and address box, enter the address of the New York residence that qualifies you for this credit if it is different from your mailing address. If not, enter the word same on this line.

## Filling in your claim form

Please keep your name and address entries within the spaces provided. For example, your
first name and middle initial should not go past the vertical line separating them from your last name, and your last name should start to the right of the vertical line. Similarly, your mailing address, ZIP code, etc., should be kept within the boxes provided.
Form IT-214 has been designed to let us use the latest scanning and image-processing equipment. Rectangular boxes and white entry areas have been printed on the form to guide you in making your handwritten entries. This will enable our scanning equipment to more accurately read your return and let us process it more efficiently. Please spend a moment reviewing the method below for making your entries:

- Please print (using a blue or black ballpoint pen; no pencils, please) or type all "X" marks and money amounts in the boxes or spaces provided.
- Do not use dollar signs, commas, decimal points, dashes or any other punctuation marks or symbols. All necessary punctuation has been printed on the form.
- Write your numerals like this:

- Carefully enter your money amounts so that the whole dollar amount ends immediately to the left of the cents decimal and the cents amount starts immediately to the right of the cents decimal.
- Make your money amount entries in the white areas allowing one numeral for each box.
Example: If your entry for line 10 is $\$ 3,525.50$, your money field entry should look like this:

- Leave blank any spaces and boxes that do not apply to you.

## Line 5

If you were a resident of a nursing home or if your residence was completely exempted from property taxes in 1998, check the Yes box. If not, check the No box.
Generally, residents of nursing homes do not qualify for this credit because they share common living facilities. This situation usually disqualifies all residents of a nursing home since they are all considered to be members of one household which usually exceeds the household gross income level of \$18,000 and the average monthly rent level of $\$ 450$. If you are a resident of a nursing home and you check the Yes box, do not file Form IT-214 unless you attach a statement explaining how your household does not exceed these two limitations.
Residents of housing facilities that are completely exempt from paying real property taxes do not qualify for this credit. Some examples include, but are not limited to, residents of public housing projects and senior citizen homes. Find out if your residence is completely exempt from paying real property taxes by asking the management of your housing facility. If you check the Yes box on line 5, do not file Form IT-214.

## Line 6

Enter the number of members of your household, including yourself, who are filing a

Form IT-214 for 1998. Count a joint claim filed by husband and wife as one Form IT-214. See the instructions for line 17 if more than one member of your household is filing Form IT-214.

## Line 7

If any qualified member of your household was 65 or older on December 31, 1998, check the Yes box. If not, check the No box. Among other conditions (see Who Qualifies), a household member 65 or older must have paid real property taxes or rent to qualify for this credit. If you checked the Yes box on line 7 , indicating that you or a member of your household was 65 or older on December 31, 1998, enter the social security number of that person in the box Qualifying social security number. Enter same if it is your social security number.

## Line 8

Check the appropriate box. If you owned your residence for part of the year and rented your residence for part of the year, check the Own box.

## Complete Schedule A or B and Schedule C on the back of Form IT-214 before continuing with line 9.

## Schedule A (homeowners)

Enter on lines 18 and 19 any county, city, town, village or school district taxes and assessments that you and all qualified members of your household paid during 1998 (do not include penalty and interest charges). Persons age 65 or older may enter on line 20 the amount exempted from taxation under section 467 of the Real Property Tax Law (do not include the veterans' tax exemption or the STAR exemption). However, if you choose to make an entry on line 20 , your credit, before limitation, will be only $25 \%$ (instead of $50 \%$ ) of your eligible real property taxes. You may want to figure your credit both ways to see which results in the greater credit. Add lines 18 through 20 and enter the total on line 21. Transfer this amount to line 10 on the front of Form IT-214.

## Schedule B (renters)

Enter on line 22 the total rent you and all members of your household paid during 1998; do not include any subsidized part of your rental charge. Figure the amounts to be entered on lines 23, 24 and 25. Transfer the amount on line 25 to line 10, on the front of Form IT-214.
If the monthly average of your adjusted rent (line 24) was more than $\$ 450$, stop; you do not qualify for this credit.

## Schedule C

(homeowners and renters)
List the name, social security number and year of birth of everyone, including yourself, who lived in your household in 1998. If you need more space, list additional names on a separate sheet and attach it to Form IT-214. Enter in the boxes on line 26 the total number of household members.
Figure your household gross income by completing lines 27 through 34.
Enter on line 27 the total federal adjusted gross income of you and all members of your household. If you or any members of your
household do not have to file a federal return, include the amount that would be included in federal adjusted gross income if a federal return had been required.
Enter on line 28 the total additions to federal adjusted gross income required by section 612(b) of the Tax Law. For a list of these additions, see Publication 22, General Information on New York State's Real Property Tax Credit for Homeowners and Renters, or the instructions for Form IT-201. For Form IT-200 filers, the New York State additions to federal adjusted gross income are shown on Form IT-200, line 9, Public employee 414(h) retirement contributions and line 10, IRC 125 amounts from the New York City flexible benefits program. See instructions for Form IT-200. Include the total of these additions that apply to you and all members of your household, even if a New York State income tax return is not required.

Enter on lines 29 through 33 the total of each type of income you and all members of your household received during 1998 that was not included on lines 27 and 28.

If someone was a member of your household for only part of the taxable year, include on lines 27 through 33 the income he or she received while a member of your household.

Add lines 27 through 33 and enter the total on line 34. Round this amount to the nearest whole dollar and transfer it to line 11 on the front of Form IT-214. If this amount is more than $\$ 18,000$, stop; you do not qualify for this credit.

## Line 9

If you qualify for an exemption from taxation under section 467 of the Real Property Tax Law and elect to enter this exemption on line 20 , check the Yes box. If not, check the No box.

## Line 10

Real property taxes paid or $25 \%$ of adjusted rent paid

If you owned your residence for all of 1998, enter your real property taxes paid (from line 21) on line 10.
If you rented your residence for all of 1998, enter $25 \%$ of your adjusted rent paid (from line 25) on line 10.

If you owned your residence for part of the taxable year and rented your residence for part of the taxable year, add $25 \%$ of your adjusted rent paid (from Schedule B) to the prorated part of any charges you list on Schedule A. Enter the total on line 10.

## Line 15

If you entered on line 20 any amount of taxes not paid due to the exemption for persons 65 or older (section 467 of the Real Property Tax Law), figure $25 \%$ of line 14 and enter the result on line 15. If you did not make an entry on line 20, figure $50 \%$ of line 14 and enter the result on line 15.

## Line 16

Credit limitation
Using the following table, find your credit limitation according to the amount of your household gross income (line 11) and the age
of qualified household members (line 7). Be careful to select your limitation from the proper column.

## Line 17

Real property tax credit
The real property tax credit for your household is the amount on line 15 or line 16 - whichever is less. Enter the lesser amount on line 17.

If more than one member of your household is filing Form IT-214, divide the line 17 amount equally among all filers. You can divide the line 17 amount any way you want if you each agree to the amount of your share and attach a copy of the agreement to your Form IT-214. Enter only your share of the line 17 amount on your Form IT-214 (and on your return if you have to file one).

If you are married and filing a joint Form IT-214, you do not have to divide the credit. However, if you do not want to apply your share of a credit to a debt owed by your spouse, you must also file Form IT-280,
Nonobligated Spouse Allocation (see Collection of debts from your refund and Disclaiming of spouse's debt on the next page).

If you are filing a 1998 New York State income tax return, transfer your line 17 amount to Form IT-200, line 36 or Form IT-201, line 59.

Your credit will be subtracted from the amount of tax you owe. Any amount over the tax you owe will be refunded to you.

## Sign Form IT-214 and attach it to the return you are filing.

If you pay someone to prepare Form IT-214, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area. If someone prepares Form IT-214 for you and does not charge you, that person should not sign it.

## Failure of paid preparers to conform to

 certain requirements - A penalty of $\$ 50$ per return or claim for refund will be assessed a paid preparer for failure to comply with any of the following requirements:- failure to sign the tax return or claim for refund;
- failure to include the identifying number of the paid preparer (if an individual paid preparer is an employee of an employer or a partner in a partnership that is a paid preparer, the return or claim for refund must also include the identifying number of the employer or partnership);
- failure to furnish a completed copy of the tax return or claim for a refund to the taxpayer not later than the time the return is presented for the taxpayer's signature;
- failure to keep a completed copy of the return or claim for refund prepared for each taxpayer or to keep the name and identification number of each taxpayer for whom a return or claim for refund was prepared on a list and to make the copy or list available for inspection upon request.
The period for keeping a completed copy of the return or information on the list is three years after the due date of the return (without regard to extensions) or three years after the date the return was presented to the taxpayer for signature, whichever is later. The period for keeping a completed copy of a claim for refund is three years from the time the claim for refund was presented to the taxpayer for signature.
For each of the requirements listed above, a paid preparer may be subject to a maximum penalty of $\$ 25,000$.

## Private Delivery Services

The date recorded or marked by certain private delivery services, as designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance, will be treated as a postmark, and that date will be considered to be the date of delivery in determining whether your return was filed on time. (Designated delivery services are listed in Publication 55, Designated Private Delivery Services. See Need Help? on page 24 of these instructions for information on ordering forms and publications.) If you use any private delivery service, address your return
to: State Processing Center, 431C Broadway, Menands, NY 12204.

## Direct Deposit Information

Complete lines 35a through 35c if you want us to deposit your real property tax credit directly into your bank account. Do not complete these lines if you are filing Form IT-214 with your New York State income tax return. Instead, complete the lines for direct deposit on the return that you are filing.

## Line 35a

Enter the routing number shown on the checks issued by your bank (see sample check on this page). The routing number must be nine digits. If the first two digits are not 01 through 12, or 21 through 32, the direct deposit will be rejected and a check sent instead. On the sample check on this page, the routing number is 090090099 .

Your check may state that it is payable through a bank different from the one where you have your checking account. If so, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on this line.

## Line 35b

Check the box for the type of account, checking or savings.

## Line 35c

Enter your account number shown on your checks (see sample check on this page). The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check on this page, the account number is 1357902468.
The Department will not notify you that your refund of your real property tax credit has been deposited. However, if the amount we deposit is different from the amount of real property tax credit you claimed on your Form IT-214, we will send you a written explanation of the adjustment within two
weeks from the date your refund of your real property tax credit is deposited.

We will make every effort to comply with your request for direct deposit. However, we cannot be responsible when a bank refuses a direct deposit. Some financial institutions, for example, do not allow a joint credit claim to be deposited into an individual account. If your bank refuses the direct deposit or the deposit cannot be made for any other reason, we will send a check to the mailing address shown on your return. If you encounter any problem with the direct deposit of your refund of your real property tax credit to your account, call toll free 1800 321-3213. The processing time is approximately six to eight weeks.

Note: The routing and account numbers may appear in different places on your check.

Collection of debts from your refund-
We will keep all or part of your refund if you owe past-due support or a past-due legally enforceable debt to the Internal Revenue Service or a New York State agency. This includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district. Any amount over your debt will be refunded.

Disclaiming of spouse's debt - If you are married and you do not want to apply your part of the refund to your spouse's debt because you are not liable for it, complete Form IT-280, Nonobligated Spouse Allocation and attach it (not a photocopy) to your original return. We need the information on it to process your refund as quickly as possible. Once you have filed your return, you cannot file an amended return to disclaim your spouse's defaulted student loan or past-due support liability or past-due legally enforceable debt owed to a state agency. (However, you will be notified if your refund is applied against your spouse's defaulted student loan or past-due support or past-due legally enforceable debt owed to a state agency and you did not attach Form IT-280 to your return. You will then have ten days from the date of notification to file Form IT-280. However, this will result in a delay in your refund and extra work for you.) For more information, see Form IT-280.

If you have any questions about whether you owe a past-due legally enforceable debt to the Internal Revenue Service or a state agency, contact the IRS or that particular state agency.

## General Information

## Who Qualifies

To qualify for the New York State earned income credit you must:

- have claimed the federal earned income credit for tax year 1998; and
- file (or have filed) a New York State return for 1998.
If you are a resident or part-year resident, you may qualify for a refund of any earned income credit in excess of your New York State tax liability. Nonresidents do not qualify for a refund of the New York State earned income credit.

## How to Claim the Credit

In order to claim the New York State earned income credit you must:
complete Form IT-215 using the information from your federal return, worksheets, and, if applicable, federal Schedule EIC; or

- if you file the IT-100 return, complete the Claim for Earned Income Credit for IT-100 Filers on the back of the return.

## Filling in Your Claim Form

Form IT-215 for 1998 has been designed to let us use the latest scanning and image-processing equipment. Rectangular boxes and white entry areas have been printed on the form to guide you in making your handwritten entries. This will enable our scanning equipment to read your return more accurately and let us process it more efficiently. Please spend a moment reviewing the method below for making your entries:

- Please keep your name and address entries within the spaces provided. For example, your first name and middle initial should not go past the vertical line separating them from your last name, and your last name should start to the right of the vertical line. Similarly, your mailing address, ZIP code, etc., should be kept within the boxes provided.
- Please print (using a blue or black ballpoint pen; no pencils, please) or type all "X" marks and money amounts in the boxes or spaces provided.
- Do not use dollar signs, commas, decimal points, dashes or any other punctuation marks or symbols.
- Write your numerals like this:
[1231451677890 区
Carefully enter your money amounts so that the whole dollar amount ends in the box immediately to the left of the cents decimal and the cents amount starts in the box immediately to the right of the cents decimal.
- Make your money amount entries in the boxes allowing one numeral for each area.
Example: If your entry for line 9 is $\$ 329.68$, your money field entry should look like:

- Leave blank any spaces and boxes that do not apply to you.

## Line Instructions for All Filers

All resident, nonresident, and part-year resident filers complete lines 1 through 17 as applicable. (Form IT-100 filers - Do not file Form IT-215 unless you have already filed your Form IT-100 for 1998.)

All part-year resident filers must also complete lines 18 through 26.

Line 1 - You must have claimed the federal earned income credit for 1998 in order to claim the New York State earned income credit.
Line 2 - You cannot claim the New York State earned income credit if your investment income is more than $\$ 2,300$. For most people, investment income is the total amount of:
taxable interest (from line 8a of federal Form 1040 or 1040A);
tax-exempt interest (from line 8b of federal Form 1040 or 1040A);

- ordinary dividends (from line 9 of federal Form 1040 or 1040A); and
- capital gain net income from line 13 of Form 1040 (if more than zero).

For additional information on what qualifies as investment income, see federal Publication 596, Earned Income Credit.

Line 3 - File Form IT-215 with your original 1998 New York State income tax return. If you have already filed your original return, you may file Form IT-215 by itself. If you haven't previously filed your income tax return for this year, you must file one with this claim.
Line 4 - If you filed federal schedule EIC, be sure to list the name, relationship, number of months the child lived with you, social security number and year of birth for the same children you claimed on the federal schedule.

Caution: To be eligible to claim the New York State earned income credit, you must provide a correct and valid social security number (SSN) for each person listed on your tax return.
If you have applied for a social security number by filing federal Form SS-5 with the Social Security Administration, but you have not received it by the April 15, 1999, filing deadline, you can either:

1) File Form IT-370 requesting an automatic extension of time to file until August 15, 1999. (This extension does not give you any extra time to pay any tax owed. You should pay any New York taxes you expect to owe to avoid interest or penalty charges. For more information, see Form IT-370, Application for Automatic Extension of Time to File for Individuals.) or
2) File your return on time without claiming the earned income credit and do not attach Form IT-215. After receiving the SSN, file Form IT-215 and claim the credit.

Be sure to place an $\mathbf{X}$ in the box under the heading Person with disability if your child
was born before 1979 and was permanently disabled during any part of 1998. Place an X in this box only if you put a checkmark in the Yes box on your 1998 federal schedule EIC, line 3b.

Line 6 - This amount can be found on the appropriate line of the federal return you filed. Amounts paid to inmates in penal institutions for their work and certain subsidized wages paid to individuals employed under a state workfare program are not earned income for purposes of the earned income credit. If the total amount reported on your federal return
(Form 1040EZ, line 1, 1040A, line 7, 1040, line 7) includes either of these incomes, subtract that income from the amount reported on your federal return and enter the result on Form 215, line 6. Also print PRI (for prison wages) or WOR (for workfare wages), and the amount subtracted, in the space to the left of the line 6 amount column.

Lines 7, 8, and 9 - If you received a taxable scholarship or fellowship that was not reported on a federal Form W-2, or had nontaxable earned income or business income or loss, you must enter the amount from your Earned Income Credit Worksheet found in the instructions for your federal return. Nontaxable earned income also includes 414(h) retirement contributions shown on your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2). Line 9, Business income or loss, applies only to federal Form 1040 filers.

Line 9 - Enter the amount of business income or loss from your federal Form 1040 instructions, Earned Income Credit Worksheet, line 5. Do not use a minus sign or brackets to show a loss. Check the appropriate box on line 9 to indicate if the amount reported is a profit or a loss. Be sure to enter your Employer Identification Number (EIN) for your business. If you have income or loss from more than one business, enter the EIN representing your primary business activity. If your primary business activity doesn't have an EIN, use your social security number.

Line 10a - If you are filing New York State Form IT-200, IT-201, or IT-203, you must enter your federal modified adjusted gross income (FMAGI) from the Earned Income Credit Worksheet in the instructions for the federal form you filed.

- 1040 filers - Form 1040 instructions, Earned Income Credit Worksheet, line 8
- 1040A filers - Form 1040A instructions, Earned Income Credit Worksheet, line 7
- 1040EZ filers - Form 1040EZ instructions, Earned Income Credit Worksheet, line 7

If you elected to have the Internal Revenue Service figure your federal earned income credit for you, you must use the instructions on the next page to determine your federal modified adjusted gross income (even if you are requesting the Tax Department to compute your New York State earned income credit for you).

Federal modified adjusted gross income for most Form IT-200, IT-201 or IT-203 filers is the same as federal adjusted gross income. Federal adjusted gross income is the amount reported on Form IT-200, line 8, Form IT-201, line 18 or Form IT-203, line 18, Federal Amount column. But if you had tax exempt interest, a nontaxable distribution from a pension, annuity, or individual retirement arrangement (IRA), unless rolled over into a similar type of plan during the period allowed for rollovers, or you filed federal Schedule(s) C, C-EZ, D, E, or F, your federal modified adjusted gross income is the amount reported on Form IT-200, line 8, Form IT-201, line 18, or Form IT-203, line 18, Federal Amount column, plus

- Any tax-exempt interest reported on line 8b of federal Form 1040 or 1040A, or identified as tax exempt interest (TEI) on
Form 1040EZ, line 2;
- Any nontaxable distributions from a pension, annuity, or IRA, unless rolled into a similar type of plan during the period allowed for rollovers. The nontaxable distributions (to be included in FMAGI) could be all or a portion of the amount(s) reported on federal Form 1040, lines 15a and 16a, or federal Form 1040A, lines 10a and 11a;
- Any net capital loss claimed on Form IT-201 or Form IT-203, line 7;
- Any net loss from estates and trusts claimed on federal Form 1040, Schedule E, line 36;
- Any royalty loss included on federal Form 1040, Schedule E, line 26;
- $75 \%$ of any net business loss claimed on Form IT-201 or Form IT-203, line 6;
- $75 \%$ of any net farm loss claimed on Form IT-201 or Form IT-203, line 12; and
- $75 \%$ of any loss determined by combining any rental real estate income or loss included on federal Schedule E, line 26, any partnership or $S$ corporation income or loss claimed on federal Schedule E, line 31, and any net farm rental income or loss from federal Schedule E, line 39. However, do not take into account items which are attributable to a trade or business which consists of the performance of services by the taxpayer as an employee.
Line 10b - This amount can be found on the appropriate line of your federal return. However, if you owe the federal alternative minimum tax, enter the amount of the federal earned income credit, as originally computed in the EIC Worksheet in your federal instructions before any reduction for the alternative minimum tax.

Line 11 - For 1998, the New York State earned income credit is $20 \%$ (.20) of the federal earned income credit reduced by any household credit allowed. The rate has already been filled in for you.

Line 12 - This amount represents your earned income credit before it has been reduced by the amount of household credit allowed. IT-100 filers stop; the Tax Department will compute your earned income credit for you.
Lines 13-15 - Form IT-200 filers, continue with line 13. Form IT-201 or IT-203 filers, complete Worksheet A on the back of the form. Then continue with line 13.

Line 16 - If you are attaching this claim to your original 1998 New York State income tax return and you answered No at line 3:
For filing status (1), (2), (4), or (5)

- Residents - Transfer the line 16 amount to Form IT-200, line 35, or Form IT-201, line 58.
- Nonresidents - Transfer the line 16 amount to Form IT-203, line 41.
- Part-year Residents - Transfer the line 16 amount to Form IT-203, line 41 and continue on line 18.

For filing status (3), Married filing separate return

- The line 16 amount represents both spouses' combined (total) earned income credit. You must complete line 17 and indicate the amount of line 16 that you are claiming.
If you have previously filed your 1998 New York State income tax return and you answered Yes at line 3:

> For filing status $(1),\left(2\right.$, , 4 , or ${ }^{(5)}$
> - Residents, nonresidents, and part-year residents - mail your completed Form IT-215 to:
> STATE PROCESSING CENTER PO BOX 61000 ALBANY NY 12261-0001

## For filing status (3, Married filing separate return

- The line 16 amount represents both spouses' combined (total) earned income credit. You must complete line 17 and indicate the amount of line 16 that you are claiming.
Line 17 - Complete this line only if your filing status is (3), Married filing separate return.

If you are attaching this claim to your original return and answered No at line 3, show the portion of line 16 that you are claiming as your share of the earned income credit and follow the appropriate instructions below. Remember, while the credit can be split in any manner you and your spouse agree to, the combined amount of both spouses' credits cannot be more than the amount on line 16.

- Residents - Transfer the line 17 amount to Form IT-200, line 35, or Form IT-201, line 58.
- Nonresidents - Transfer the line 17 amount to Form IT-203, line 41.
- Part-year Residents - Transfer the line 17 amount to Form IT-203, line 41 and continue on line 18.
If you have already filed your 1998 New York State income tax return and answered Yes at line 3 :
- Residents, nonresidents, and part-year residents - Mail your completed Form IT-215 to:

```
        STATE PROCESSING CENTER
        PO BOX }6100
        ALBANY NY 12261-0001
```

## Part-Year Residents Only

Lines 18 through 26 need to be completed only by part-year residents claiming the earned income credit who are filing, or have
previously filed, Form IT-203, Nonresident and Part-Year Resident Income Tax Return, for this year. The amounts for these lines can be found on the appropriate lines of the IT-203 or IT-203-ATT, Itemized Deduction and Other Credits and Taxes, or their instructions.
The earned income credit must first reduce your tax liability to zero before the remaining excess earned income credit is eligible to be refunded. The amount to be refunded will be based on the ratio of resident period income to the combined income from both the resident and nonresident periods.
Line 25 - Divide line 23 by line 24 and carry the result to four decimal places. (Do not enter more than $100 \%$ (1.0000) even if your actual result is more than $100 \%$.) If the result is zero percent ( $0 \%$ ), you have no remaining excess earned income credit available to be refunded. Do not complete line 26.
Line 26 - If line 25 is greater than $0 \%$, multiply line 22 by line 25. If you answered No at line 3, transfer the line 26 amount to Form IT-203-ATT, line 56 and attach Form IT-215 to your Form IT-203. This amount represents the refundable portion of your part-year resident earned income credit.
If you have previously filed your 1998 New York State income tax return and you answered Yes at line 3, mail your completed Form IT-215 to:

## Instructions for Preparing Form IT-216

## General Information

Change to the New York State child and dependent care credit for tax year 1998
For 1998, the New York State child and dependent care credit is a minimum of $20 \%$ and as much as $100 \%$ of the federal credit, depending on the amount of your New York adjusted gross income.

## Who Qualifies

If you qualify to claim the federal child and dependent care credit, you can claim the New York State credit (whether you actually claim the federal credit or not).
If you did not file federal Form 2441, you can still claim the New York State child and dependent care credit on Form IT-216 if all five of the following apply.

1. Your filing status is Single, Head of household, Qualifying widow(er) with dependent child, or Married filing jointly. However, see Special Rule for Married Persons Filing Separate Returns below.
2. The care was provided so you (and your spouse, if you were married ) could work or look for work. However, if you did not find a job and have no earned income for the year, you cannot take the credit. If your spouse was a student or disabled, see the line 7 instructions on page 31.
3. You (and your spouse, if you were married) paid over half the cost of keeping up your home. The cost includes rent, mortgage interest, real estate taxes, utilities, home repairs, and food eaten at home.
4. You and your child (or other qualifying person(s) for whom the care was provided) lived in the same home.
5. The person who provided the care was not your spouse or a person whom you can claim as a dependent. If your child provided the care, he or she must have been age 19 or older by the end of 1998.

## Married Persons Filing Separate Federal and New York State Returns

If your filing status is married filing separately and all of the following apply, you are considered unmarried for purposes of figuring the child and dependent care credit.

- You lived apart from your spouse during the last 6 months of 1998, and
- the qualifying person lived in your home more than half of 1998, and
- you provided over half the cost of keeping up your home.

If you meet all the requirements to be treated as unmarried and meet items 2 through 5 above, you may claim the credit. If you do not meet all the requirements to be treated as unmarried, you cannot claim the credit.

## Married Persons Filing Joint Federal Returns, but Required to File Separate New York Returns

 If you and your spouse file jointly for federal purposes, but are required to file separate New York returns because one spouse is a resident and the other spouse is either a nonresident or part-year resident, you may still claim the credit. However, the credit must be claimed on the return of the spouse with the lower taxable income (computed without regard to such credit).
## Married Persons Not Required to File a Federal Return

If you and your spouse are not required to file a federal income tax return, the New York State child and dependent care credit is allowed only if you file a joint New York State tax return (Form IT-100, IT-200, IT-201 or IT-203).

## How to Claim the Credit

In addition to the above federal requirements, to claim the New York State child and dependent care credit you must:

- file (or have filed) a New York State return for 1998,
- report the required information about the care provider on line 2 of Form IT-216, and
- complete Form IT-216.

## Important Terms <br> Qualifying Person(s)

A qualifying person is:

- Any child under age 13 whom you can claim as a dependent (but see Exception for Children of Divorced or Separated Parents below). If the child turned 13 during the year, the child is a qualifying person for the part of the year he or she was under age 13.
- Your disabled spouse who is not able to care for himself or herself.
- Any disabled person not able to care for himself or herself whom you can claim as a dependent for federal purposes (or could claim as a dependent for federal purposes, except that the person had gross income of $\$ 2,700$ or more). If this person is your child, see Exception for Children of Divorced or Separated Parents below. To find out who is a dependent, see the instructions for federal Form 1040 or 1040 A, line 6c.

Caution: To be a qualifying person, the person must have shared the same home with you in 1998.

## Exception for Children of Divorced or Separated Parents

If you were divorced, legally separated, or lived apart from your spouse during the last

6 months of 1998, you may be able to take the credit even if your child is not your dependent. If your child is not your dependent, he or she is a qualifying person only if all five of the following federal requirements apply to you:

1. You had custody of the child for a longer time in 1998 than the other parent. For the definition of custody, see federal Publication 501, Exemptions, Standard Deduction, and Filing Information.
2. One or both of the parents provided over half of the child's support in 1998.
3. One or both of the parents had custody of the child for more than half of 1998.
4. The child was under age 13 or was disabled and could not care for himself or herself.
5. The other parent claims the child as a dependent because

- as the custodial parent, you signed federal Form 8332, Release of Claim to Exemption for Child of Divorced or Separated Parents, or a similar statement agreeing not to claim the child's exemption for 1998, or
- your divorce decree or written agreement went into effect before 1985 and it states that the other parent can claim the child as a dependent, and the other parent gave at least $\$ 600$ for the child's support in 1998. This rule does not apply if your decree or agreement was changed after 1984 to say that the other parent cannot claim the child as a dependent.

## Qualified Expenses

These include amounts paid for household services and care of the qualifying person(s) while you worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless you included the reimbursement in your income.

## Household Services

These are services needed to care for the qualifying person as well as to run the home. They include, for example, the services of a cook, maid, babysitter, housekeeper, or cleaning person if the services were partly for the care of the qualifying person(s). Do not include services of a chauffeur or gardener.
You may also include your share of the employment taxes paid on wages for qualifying child and dependent care services.

## Care of the Qualifying Person

Care includes the cost of services for the qualifying person's well-being and protection. It does not include the cost of clothing or entertainment.

You may include the cost of care provided outside your home for your dependent under age 13 or any other qualifying person(s) who regularly spends at least 8 hours a day in your home. If the care was provided by a dependent care center, the center must meet all applicable state and local regulations. A dependent care center is a place that provides care for more than six persons (other than persons who live there) and receives a fee, payment, or grant for providing services for any of those persons, even if the center is not run for profit.

You may include amounts paid for food and schooling only if these items are part of the total care and cannot be separated from the total cost. But do not include the cost of schooling for a child in the first grade or above. Also, do not include any expenses for sending your child to an overnight camp.

## Prior Year's Expenses

If you had qualified expenses for 1997 that you didn't pay until 1998, you may be able to claim these qualified expenses and increase the amount of credit you can take in 1998. For more information, see Amount of Credit in federal Publication 503, Child and Dependent Care Expenses. Also see the instructions for line 11 on the next page.

## Earned Income

Generally, this is your wages, salaries, tips, and other employee compensation. This is usually the amount shown on federal Form 1040, line 7. But earned income does not include a scholarship or fellowship grant if you did not get a wage and tax statement (federal Form W-2) for it.

Earned income does include certain nontaxable earned income, such as meals and lodging provided for the convenience of your employer. Earned income also includes 414(h) retirement contributions shown on your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2). For more information, see federal Publication 503, Child and Dependent Care Expenses. However, including nontaxable earned income will only give you a larger credit if your other earned income (and your spouse's other earned income if filing a joint return) is less than the qualified expenses entered on line 5 of Form IT-216.

If you were a statutory employee and are filing Schedule C or C-EZ with your federal return to report income and expenses as a statutory employee, earned income also includes the amount from line 1 of that Schedule C or C-EZ.

If you were self-employed, earned income also includes the amount shown on federal Schedule SE, line 3, minus any deduction you claim on federal Form 1040, line 27. If you use either optional method to figure self-employment tax, subtract any deduction you claim on federal Form 1040, line 27,
from the total of the amounts on federal Schedule SE, Section B, lines 3 and 4b to figure your earned income.
Note: You must reduce your earned income by any loss from self-employment.
If you are filing a joint federal return, disregard community property laws. If your spouse died in 1998 and had no earned income, see federal Publication 503. If your spouse was a student or disabled in 1998, see the line 7 instructions for Form IT-216.

## Filling in Your Claim Form

Form IT-216 is designed to let us use the latest scanning and image-processing equipment. Rectangular boxes have been printed on the form to guide you in making your handwritten entries. This will enable our scanning equipment to read your return more accurately and let us process it more efficiently. Please spend a moment reviewing the method below for making your entries:
Please keep your name and address entries within the spaces provided. For example, your first name and middle initial should not go past the vertical line separating them from your last name, and your last name should start to the right of the vertical line. Similarly, your mailing address, ZIP code, etc., should be kept within the boxes provided.

- Please print (using a blue or black ballpoint pen; no pencils, please) or type all "X" marks and money amounts in the boxes or spaces provided.
- Do not use dollar signs, commas, decimal points, dashes or any other punctuation marks or symbols.
- Write your numerals like this:

## [1231451678190

- Carefully enter your money amounts so that the whole dollar amount ends in the box immediately to the left of the cents decimal and the cents amount starts in the box immediately to the right of the cents decimal.
- Make your money amount entries in the boxes, allowing one numeral for each area.
Example: If your entry for line 5 is $\$ 3,525.50$, your money field entry should look like:

- Leave blank any spaces and boxes that do not apply to you.

## Line Instructions (for all filers)

All filers complete lines 1 through 14 as applicable. (Form IT-100 filers - Do not file Form IT-216 unless you have already filed your Form IT-100 for 1998 and did not claim the child and dependent care credit on it.)

## Line 1

File Form IT-216 with your original 1998 New York State income tax return. If you have already filed your original return, you may file Form IT-216 by itself. If you haven't
previously filed your income tax return for this year, you must file one with this claim.

## Line 2

Complete columns (A) through (D) for each person or organization that provided the care. If you have more than two providers, list the information on a separate sheet. You can use federal Form W-10, Dependent Care Provider's Identification and Certification, or any other source listed in its instructions to get the information from the care provider. If you do not give correct or complete information, your credit may be disallowed unless you can show you used due diligence (a serious and earnest effort) in trying to get the required information.

## Due Diligence

You can show due diligence to get the information by keeping in your records a federal Form W-10 completed by the care provider. Or you may keep one of the other sources of information listed in the instructions for Form W-10. If the provider does not give you the information, complete the entries you can on line 2 of Form IT-216. For example, enter the provider's name and address. Write See Attached in the columns for which you do not have the information. Then, attach an explanation to your Form IT-216 indicating that the care provider did not give you the information you requested.

## Columns (A) and (B)

Enter the care provider's name and address. If you were covered by your employer's dependent care plan and your employer furnished the care (either at your workplace or by hiring a care provider), enter your employer's name in column (A). Next, write See wage and tax statement in column (B). Then leave columns (C) and (D) blank. If your employer paid a third party (not hired by your employer) on your behalf to provide the care, you must give information on the third party in columns (A) through (D).

## Column (C)

If the care provider is an individual, enter his or her social security number (SSN). Otherwise, enter the provider's employer identification number (EIN). If the provider is a tax-exempt organization, write
Tax-Exempt in column (C).

## Column (D)

Enter the total amount you actually paid in 1998 to the care provider. Also, include amounts your employer paid to a third party on your behalf. It does not matter when the expenses were incurred. Do not reduce this amount by any reimbursement you received.

## Line 3

List the name, qualified expenses paid in 1998, social security number and year of birth for the qualifying person(s) for whom
you are claiming the New York State child and dependent care credit.

Caution: To be eligible to claim the New York State child and dependent care credit, you must provide a correct and valid social security number (SSN) for each person listed on your tax return. If the Internal Revenue Service (IRS) has issued you an Individual Taxpayer Identification Number (ITIN) because either you or a qualifying person claimed on Form IT-216 is a resident or nonresident alien, enter this ITIN in place of the social security number.

If you have applied for a social security number by filing federal Form SS-5 with the Social Security Administration or you have applied for an ITIN by filing federal Form W-7 with the IRS, but you have not received your SSN or ITIN by the April 15, 1999, filing deadline, you can either:

1) File Form IT-370 requesting an automatic extension of time to file until August 15, 1999. (This extension does not give you any extra time to pay any tax owed. You should pay any New York taxes you expect to owe to avoid interest or penalty charges. For more information, see Form IT-370, Application for Automatic Extension of Time to File for Individuals.)
2) File your return on time without claiming the child and dependent care credit and do not attach Form IT-216. After receiving the SSN, file Form IT-216 and claim the credit.

Also be sure to place an $\mathbf{X}$ in the box under the heading Person with disability if the qualifying person had a disability and was incapable of caring for himself or herself during 1998.

## Line 5

Using the filing description below that fits you, enter the amount of your qualified expenses as instructed.

- If you filed federal Form 2441 to claim the federal child and dependent care credit, enter on Form IT-216, line 5, the amount from federal Form 2441, line 3.
- If you filed Form 2441 only to complete Part III because you have dependent care benefits reported in box 10 of your federal Form W-2, enter on Form IT-216, line 5, the amount from line e of Worksheet 1 below.
- If you did not file federal Form 2441 but are completing Form IT-216 to claim the New York State child and dependent care credit, enter the amount of qualifying expenses you incurred and paid in 1998. Do not include the following expenses on line 5.

1. Qualified expenses you incurred in 1998 but did not pay until 1999. However, next year you may be able to use these expenses to increase your 1999 credit.
2. Qualified expenses you incurred in 1997 but did not pay until 1998. If you had prior year expenses you did not pay until 1998, see the instructions for line 11 below.

## Line 6

Enter only your earned income on line 6 (do not include your spouse's). For more information, see Earned Income on the previous page.

## Line 7

If you are filing your return using filing status (2), Married filing joint return, enter only your spouse's earned income on line 7. If you are using any other filing status, enter the amount from line 6 on line 7.

## Spouse Who Was a Student or

 Disabled - Your spouse was a student if he or she was enrolled as a full-time student at a school during any 5 months of 1998. Your spouse was disabled if he or she was not capable of self-care. Figure your spouse's earned income on a monthly basis.For each month or part of a month your spouse was a student or was disabled, he or she is considered to have worked and earned income. His or her other earned income for each month is considered to be at least $\$ 200$ ( $\$ 400$ if more than one qualifying person was cared for in 1998). If your spouse also worked during that month, use the higher of $\$ 200$ (or $\$ 400$ ) or his or her actual earned income for that month. If, in the same month, both you and your spouse were either students or disabled, this rule applies to only one of you for that month.

For any month that your spouse was not disabled or a student, use your spouse's actual earned income if he or she worked during the month.

## Line 8

Enter the smallest of line 5, 6, or 7 . Federal limitations require you to use the lesser of qualified expenses, your earned income, or your spouse's earned income (if applicable) in the computation of the federal credit.

## Line 9

Enter your federal adjusted gross income from Form IT-200, line 8, IT-201, line 18, or Form IT-203, line 18, Federal Amount column.

## Line 10

Enter on line 10 the appropriate decimal amount for your federal adjusted gross income shown on line 9.

## Line 11

This is your eligible federal child and dependent care credit. If you claimed the child and dependent care credit on your federal return, the amount shown on Form IT-216, line 11, should be the same as the amount shown on federal Form 2441, line 9, before any federal limitation.

If you had qualified expenses for 1997 that you didn't pay until 1998, you may be able to claim these qualified expenses and increase the amount of credit you can take in 1998. If you can take a credit for 1997 expenses paid in 1998, write PYE and the amount of the credit you are claiming for prior year expenses on the dotted line next to line 11. Also include this amount in the line 11 amount box. Attach a statement showing how you figured the credit for 1997 expenses.

## Line 12

Transfer the amount from line 11 to line 12 and complete the remainder of Form IT-216.

## Line 13

For 1998, the New York State child and dependent care credit is a minimum of $20 \%$ and as much as $100 \%$ of the federal credit, depending on the amount of your New York adjusted gross income. Enter in the space provided your New York adjusted gross income using the following:

- Form IT-200 filers - amount from line e of the worksheet below.
- Form IT-201 filers - amount from line 31 of Form IT-201.

## Line Instructions for Part-Year Residents Only (Lines 15-22)

Lines 15 through 22 need to be completed only by part-year residents claiming the New York State child and dependent care credit who are filing, or have previously filed, Form IT-203, Nonresident and Part-Year Resident Income Tax Return, for 1998. The amounts for these lines can be found on the appropriate lines of Form IT-203 or Form IT-203-ATT, Itemized Deduction, and Other Taxes and Tax Credits, or the instructions for Form IT-203.

The New York State child and dependent care credit must first reduce your tax liability
to zero before the remaining excess is eligible to be refunded. The amount to be refunded will be based on the ratio of resident period income to the combined income from both the resident and nonresident periods.

Line 21 - Divide line 19 by line 20 and carry the result to four decimal places. Do not enter more than $100 \%$ (1.0000) even if your actual result is more than $100 \%$. If the result is zero percent ( $0 \%$ ), you have no remaining excess child care credit available to be refunded. Do not complete line 22.

Line 22 - If line 21 is greater than 0\%, multiply line 18 by line 21 and enter the result on line 22 . If you answered No at line 1, transfer the line 22 amount to Form IT-203-ATT, line 55 and attach Form IT-216 to your Form IT-203-ATT. This amount represents the refundable portion of your part-year resident child and dependent care credit.

See Where to File and Private Delivery Services above.
