Annual Schedule N-ATT Instructions

Taxes on Parking Services In New York City

Report transactions for the period March 1, 1999, through February 29, 2000

Who Must File

Complete Annual Schedules N and N-ATT if you are required to collect tax on the services of parking, garaging, or storing of motor vehicles in New York City.

All exempt organizations and vendors whose facilities are located outside Manhattan must complete only Section A of Schedule N-ATT. Vendors conducting business in Manhattan must complete both Sections A and B of Schedule N-ATT.

Specific Instructions

Identification Number and Name — Attach one of the preprinted Schedule labels (provided with your Form ST-101) in the space indicated. If you do not have a label, print the sales tax identification number and legal name as shown on your business' *Certificate of Authority* for sales and use tax.

Exempt Organizations — Check the box beneath the identification number and name boxes, and complete Section A.

Other parking providers — There are spaces for two different locations to be listed in both Sections A and B. If you need to report for more than two facilities, photocopy this form or request additional copies (see *Need help?* below if you need to obtain forms).

Section A — All New York City Locations

The *maximum daily rate* indicated in Section A refers to the cost of keeping a vehicle in a garage all day, not including overnight, as on file with the New York City Department of Consumer Affairs (DCA). The *licensed vehicle capacity* refers to the capacity most recently authorized by DCA. The *license number* refers to the license the DCA issued for the facility. If the DCA has issued more than one license for the facility, the vendor must list every license number issued for that location. If the facility is not **required** to be licensed, this area should be left blank, but vehicle capacity **must** be shown.

Complete the information requested in Section A for every New York City facility you operate, whether the facility is located inside or outside Manhattan. Check the box in Section A if your facility is located **outside Manhattan**, and fill in the **complete address**, **including the ZIP code**. If your facility is not required to be licensed by the DCA, complete the rest of Section A, and enter your vehicle capacity in the section marked *Licensed vehicle capacity*.

Do **not** check the box in Section A if your facility is located **in Manhattan**, but complete the remainder of Section A and all of Section B. Section B **must** be completed if your facility is located in Manhattan.

Section B — Manhattan Locations

Complete Section B if your facility is located in Manhattan. The Manhattan parking receipts must be reported separately by category and tax rate for each facility (weekday sales, weekend sales, monthly sales, and Manhattan resident sales).

Enter in Column A the total weekday* receipts taxed at 181/4% for each month of the year. Add the 12 monthly totals and enter the annual total on the total line in Column A.

Enter in Column B the total weekend** receipts taxed at 181/4% for each month of the year. Add the 12 monthly totals and enter the annual total on the total line in Column B.

Enter in Column C the total monthly receipts for **nonresident** parking purchased on a monthly (or longer term) basis taxed at 181/4%. Add the 12 monthly totals and enter the annual total on the total line in Column C.

Enter in Column D the total monthly receipts for Manhattan resident parking taxed at $10\frac{1}{4}$ %. Add the 12 monthly totals and enter the annual total on the total line in Column D.

The total receipts reported in Columns A, B, and C represent the Manhattan receipts subject to tax at $18^{1}/4\%$. The Manhattan receipts subject to tax at $10^{1}/4\%$ are reported in Column D.

The combined totals for Columns A, B, and C in Section B for all locations must equal the taxable receipts reported on Form ST-101.5, Part 1, Column C, Box 2.

The grand total from Column D in Section B for all locations must equal the amount reported on Form ST-101.5, Part 1, Column C, Box 3.

Filing This Schedule

File this schedule with Schedule N and any other attachments to Form ST-101, *New York State and Local Annual Sales and Use Tax Return*, by the due date. Keep a copy of your completed return for your records.

A parking facility operator's regular sales and compensating use tax return will be deemed incomplete and not filed unless a properly completed Schedule N-ATT (Form ST-101.5-ATT) is submitted for each separate parking facility. (Any address listed on Schedule N-ATT must include a ZIP code.)

If the operator's return is deemed not filed, the statute of limitations that limits the time to assess additional sales and compensating use tax does not begin to run (that is, additional taxes for the period may be assessed at any time).
