Instructions

Vendor collection credit

The vendor collection credit does not apply to this schedule.

Who must file

Any vendor who is registered to make PrompTax payments of sales tax must file *Quarterly Schedule P for Part-Quarterly Filers*. Use *Quarterly Schedule P for Part-Quarterly Filers* to report the PrompTax payments of sales tax you made during the quarter covered by this schedule. If you are a vendor who is required to remit PrompTax payments for more than one sales tax type (that is, prepaid sales tax on motor fuel and diesel motor fuel **and** sales tax) you must remit (and report) each tax type separately. You may use *Quarterly Schedule P for Part-Quarterly Filers* **only** to report the PrompTax payment of sales tax. Use Form FT-945/1045-A, *Monthly Schedule FT*, to report PrompTax payments of prepaid sales tax on motor fuel and diesel motor fuel.

When to file

Quarterly Schedule P for Part-Quarterly Filers must be filed quarterly with Form ST-810, *New York State and Local Sales and Use Tax Return Quarterly for Part-Quarterly Filers.* Form ST-810 is due 20 days after the end of the quarter covered by the return.

Line instructions

As a participant in the PrompTax program, each month you may either pay the actual tax due for the 22-day period, or you may estimate your monthly PrompTax payment based on last year's comparable period. Since you may exercise either option **each month**, you must report each month separately on this form (*Quarterly Schedule P for Part-Quarterly Filers*).

Whichever option you choose, you may reduce your PrompTax payment by the amount of any prepaid tax credits (prepaid tax on cigarettes, motor fuel, or diesel motor fuel) you are entitled to for the 22 days. However, for the months in which you base your PrompTax payment on last year's comparable quarter, you **must** compute the PrompTax payment on your **total** sales tax liability for that quarter (before making any credit adjustments allowable in that quarter) and **then** deduct your **current** prepaid tax credits.

If your PrompTax payment for any month was based on actual tax due for the 22-day period, enter that amount in the box labeled *Actual tax due for the period* indicated (for example, 12/1/00 through 12/22/00). Do **not** complete this box for any period in which your PrompTax payment was based on last year's comparable quarter. If you are claiming any prepaid tax credit for the period, enter that amount in the box labeled *Actual prepaid tax for the period*.

Do not compute or include any penalty or interest due on your PrompTax payments.

- Line 1a Actual tax due for the period If your December payment was based on actual tax due for the period (December 1 through December 22), enter on line 1a the amount of your actual tax due. If you estimated your tax due, leave this line blank.
- Line 1b Actual prepaid tax for the period If you claimed a prepaid tax credit for the 22-day period, enter the amount.
- Line 2a Actual method If your December payment was based on actual tax due for the period (December 1 through December 22), check box *A* and enter your PrompTax payment (electronic funds transfer or certified check) on line 2a. The PrompTax payment shown on line 2a should have equaled at least 90% of the actual tax due for December 1 through December 22, minus credit for any prepaid tax from line 1b.
- Line 2b Estimated method If your payment was based on last year's comparable period, check box *E* and enter your PrompTax payment (electronic funds transfer or certified check) on line 2b. The PrompTax payment shown should have equaled at least 75% of one-third of the sales tax liability for last year's comparable quarter, minus credit for any prepaid tax from line 1b.
- Line 3 Enter the amount of prepaid sales tax credit claimed on your ST-809 return for December.

- Line 4 Enter the amount of the payment remitted with your ST-809 return for December. If you previously overpaid the tax, and claimed a credit on the return, enter "0".
- Line 5 Add line 2a or 2b, and line 3 and line 4. This amount should equal the total sales tax payments remitted for December.
- Line 6a Actual tax due for the period If your January payment was based on actual tax due for the period (January 1 through January 22), enter on line 6a the amount of your actual tax due. If you estimated your tax due, leave this line blank.
- Line 6b Actual prepaid tax for the period If you claimed a prepaid tax credit for the 22-day period, enter the amount.
- Line 7a Actual method If your January payment was based on actual tax due for the period (January 1 through January 22), check box *A* and enter your PrompTax payment (electronic funds transfer or certified check) on line 7a. The PrompTax payment shown on line 7a should have equaled at least 90% of the actual tax due for January 1 through January 22, minus credit for any prepaid tax from line 6b.
- Line 7b Estimated method If your payment is based on last year's comparable period, check box *E* and enter your PrompTax payment (electronic funds transfer or certified check) on line 7b. The PrompTax payment shown should equal at least 75% of one-third of the sales tax liability for last year's comparable quarter, minus credit for any prepaid tax from line 6b.
- Line 8 Enter the amount of prepaid sales tax credit claimed on your ST-809 return for January.
- Line 9 Enter the amount of the payment remitted with your ST-809 return for January. If you previously overpaid the tax, and claimed a credit on the return, enter "0".
- Line 10 Add line 7a or 7b, and line 8 and line 9. This amount should equal the total sales tax payments remitted for the month of January.
- Line 11a Actual tax due for the period If your February payment was based on the actual tax due for the period (February 1 through February 22), enter on line 11a the amount of your actual tax due. If you estimated your tax due, leave this line blank.
- Line 11b Actual prepaid tax for the period If you claimed a prepaid tax credit for the 22-day period, enter the amount.
- Line 12a Actual method If your February payment was based on actual tax due for the period (February 1 through February 22), check box *A* and enter your PrompTax payment (electronic funds transfer or certified check) on line 12a. The PrompTax payment shown on line 12a should have equalled at least 90% of the actual tax due for February 1 through February 22, minus credit for any prepaid tax from line 11b.
- Line 12b Estimated method If your payment was based on last year's comparable period, check box *E* and enter your PrompTax payment (electronic funds transfer or certified check) on line 12b. The PrompTax payment shown should have equaled at least 75% of one-third of the sales tax liability for last year's comparable quarter, minus credit for any prepaid tax from line 11b.
- Line 13 Enter the amount of prepaid sales tax credit claimed on your ST-810 return for February.
- Line 14 Enter the PrompTax payment for February (amount from line 12a or line 12b) plus line 13.
- Line 15 Add the PrompTax payments and the amounts paid with Form ST-809 for the first two months of the quarter (lines 5, 10, and 14), and enter the total on line 15.
- Line 16 Indicate the amount of tax paid with Form ST-810. Do not add to this amount the total reported on line 15.
