Information on references to instructions made on this form

Form IT-203-X has its own instructions, Form IT-203-X-I, that should have been provided to you with Form IT-203-X. When you see a reference to *IT-203-X-I*, page 2, for example, you can find the information you need on page 2 of Form IT-203-X-I. This instruction is specific to the lines on the IT-203-X amended return that are not on Form IT-203, and to lines with special restrictions and computations.

You will also see many references to the instructions for Form IT-203. These instructions are printed in a booklet with form number *IT-203-I* and in a return and instructions packet with form number *IT-203-P*. Be sure that you have a copy of the **2004** IT-203 instructions before you begin to complete your 2004 IT-203-X amended return.

Instructions for both forms are available on the department's Internet Web site and on our fax-on-demand system. See *Need help?* on page 4 of the instructions for complete information on how to get forms and assistance.
