Quarterly Schedule A Instructions

Taxes on Selected Sales and Services in Nassau and Niagara Counties

Report transactions for the period March 1, 2003, through May 31, 2003.

Who must file

Complete Form ST-100.2, *Quarterly Schedule A*, if you make sales or provide any of the taxable services listed below in Nassau County or Niagara County, or both, as follows:

- Nassau County - food and drink; hotel/motel room occupancy.
- Niagara County - food and drink; hotel/motel room occupancy; admissions, club dues, and cabaret charges.

Within these two counties, several cities require separate reporting that affects how tax revenues are distributed. For Nassau County, sales in the city of Long Beach must be reported separately. For Niagara County, sales in the cities of Lockport and Niagara Falls must be reported separately for all three types of services. Individual lines are provided on Form ST-100.2 as required for each city and the remainder of the county.

Examples of taxable sales and services

Food and drink: Include sales by restaurants or taverns of any food and drink; and sales by caterers, delis, hot dog stands, supermarkets, etc., of heated food, sandwiches, or similar restaurant-type prepared foods.

Admissions, club dues, and cabaret charges: Include admission charges to athletic contests, shows, and entertainment events; social and athletic club dues; and charges for cabarets and clubs.

If you must file Form ST-100.2, you must also complete Form ST-100, *New York State and Local Quarterly Sales and Use Tax Return*. Report in Step 3 of Form ST-100 any taxable sales and purchases not reported on this or any other schedule. For example, restaurant and hotel operators must report sales of cigarettes and candy on the appropriate jurisdiction line in Step 3 of Form ST-100.

Specific instructions

Identification number and name — Print the sales tax identification number and legal name as shown on Form ST-100 or on your business's *Certificate of Authority* for sales and use tax.

Credits — Reduce the amount of taxable sales and services to be entered on a jurisdiction line by the amount of any credits related to that jurisdiction. If the result is a negative number, enter it in parentheses.

PART 1 Nassau County

Report sales of food and drink, and rents from hotel/motel room occupancy, in Nassau County. List the sales for the city of Long Beach separately from all other sales in Nassau County, as indicated on Form ST-100.2. After entering your taxable sales and services in Column D, multiply this amount by the tax rate in Column E and enter the resulting tax in Column F.

PART 2 Niagara County

Report sales of food and drink, rents from hotel/motel room occupancy, and admissions charges, club dues, and cabaret charges in Niagara County. List the sales for Niagara County on the lines provided if reporting sales outside Lockport and Niagara Falls. Report the three types of taxable sales for the cities of Lockport and Niagara Falls. After entering your taxable sales and services in Column D, multiply this amount by the tax rate in Column E and enter the resulting tax in Column F.

Column totals

Compute and enter in the appropriate boxes the totals of Columns D and F for all entries in Parts 1 and 2 (combined) and include these column totals on Form ST-100, page 2, Columns C and F, in boxes 3 and 5.

Vendor collection credit adjustment

You may take the vendor collection credit only against **sales** on which **state** sales tax is due. Currently, all sales reported on Form ST-100.2 are subject to state sales tax and are therefore eligible for the vendor collection credit. These sales will automatically be included in the credit computation when you include the Column D total on Form ST-100, in box 3, as instructed above.

Filing this schedule

File a completed Form ST-100.2 and any other attachments with Form ST-100 by the due date. Please be sure to keep a copy of your completed return for your records.
