Report fuel or utilities used for **residential** purposes on Form ST-810.3, Quarterly Schedule B for Part-Quarterly Filers.

Use the New York City - local tax only 41%% tax rate line to report sales in the city of New York for: 1) fuel and utility services used in the production of gas, electricity, refrigeration, and steam for sale; and 2) installation, repair, and maintenance services to property used in farming. Credits against sales and services

Credits that can be identified by locality should be taken on the appropriate line in Step 3. If the result is a negative number, enter it in parentheses. Examples of such credits include:

 Tax paid on property purchased in bulk and stored, but not used by the purchaser, and subsequently shipped for use in another jurisdiction. Tax paid on property fabricated, assembled, processed, printed, or imprinted in one jurisdiction, that was shipped for use in another jurisdiction

 Tax paid on cancelled sales, returned merchandise, and bad debts. · Tax paid on construction materials resold or incorporated into realty

· Tax paid by a veterinarian on drugs and medicines used in certain veterinary services.

Note: To claim an empire zone (EZ) credit, a credit from your prior return, or a credit that you are unable to associate with a particular jurisdiction see 🚯 .

If you are filing Form ST-810.4, *Quarterly* Schedule NJ for Part-Quarterly Filers, or Form ST-810.11, *Monthly Schedule CT*, or both, **do** not enter the sales information from the schedules onto Form ST-810, but **do** include the amount of tax due to New Jersey and Connecticut, along with the amount due from Form ST-810, in your check or money order

Form ST-810.4 is used by those taxpayers registered in the New Jersey/New York reciprocal tax agreement to report sales subject to New Jersey tax.

Form ST-810.11 is used by those taxpavers registered in the Connecticut/New York reciprocal tax agreement to report sales subject to Connecticut tax.

9 Column D – Purchases subject to tax

• Purchases outside New York State: Report the full amount of purchases made outside New York State of tangible personal property and services used in your business in New York State on which no New York State tax was paid.

• Purchases in New York State in one jurisdiction/use in another jurisdiction: Report the full amount of any tangible personal property or services purchased for use in your business, if the tax rate is higher in the jurisdiction where the property or services are used than the tax rate in the jurisdiction where you purchased the property or services.

In either of the cases above, you may be able to claim a credit for tax paid on such purchases in Step 5. See 16 .

Do not include in Column D purchases of property or services purchased for resale or which are exempt.

Contractors: Also report materials purchased in one jurisdiction that are incorporated into realty in another.

Column E – Tax rate 10

Tax rates for the period are printed in Column E in percentage formats.

Column F – Sales and use tax

For each jurisdiction for which you reported sales, purchases, or credits, add the amounts in Columns C and D, then multiply the total by the tax rate in Column E, one line at a time. Enter the result in Column F. $(C + D) \times E = F$.

This result may be a net credit, which you should identify by enclosing it in parentheses. Note: Any net credits should be subtracted when totaling the column

Column totals

(box 6), Column D (box 7), and Column F (box 8). Include the amounts from schedules, listed in boxes 2, 3, 4, and 5, when subtotaling each column. Transfer the box 6, 7, and 8 amounts to page 3, boxes 10, 11, and 12, respectively.

b. On page 3, separately total Column C (box 13), Column D (box 14), and Column F (box 15). Include the column subtotals from page 2 (entered in boxes 10, 11, and 12) when totaling each column. Enter the box 15 amount in Step 6.

Credits against sales or use tax 16

Credits must be substantiated by attaching a statement and any other supporting documentation explaining the basis for credit claimed.

Enter the total amount of other credits or refunds of sales tax you are claiming (excluding the vendor collection credit). You must keep records to validate all credits and refunds claimed, and attach to your return the forms or explanations that verify them. Do not enter any credits that were claimed on jurisdiction lines in Step 3.

Credits that may be claimed in Step 5 include:

· Credit for sales tax paid against additional tax on purchases reported in Column D (included are credits for taxes paid in another jurisdiction in New York State or to another state).

Example: You purchased tangible personal property in a jurisdiction with a 6% tax rate; you later use this property at your business located in a jurisdiction with an 8% tax rate. You must report the purchase in Column D on the appropriate 8% jurisdiction line, and take a credit for the 6% sales tax originally paid on the purchase.

 Credits where the tax rate for the period in which tax was paid is different from the tax rate in the period in which the credit is claimed

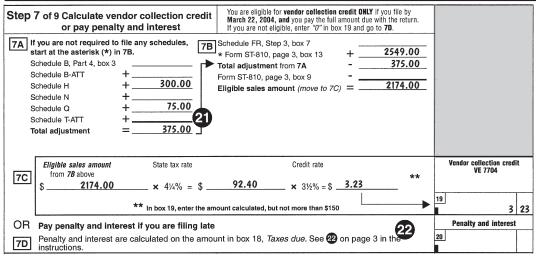

Example: You paid 8% tax, and later determined that you are entitled to a credit. During that time, the tax rate changed to 7%. You are still entitled to the 8% credit.

· Credit for an overpayment of tax made in a prior quarter that you have not previously claimed.

Note: Any credit against tax taken in Step 5 should be based on the amount of tax paid or paid over at the time of the original transaction.

· Credit for state tax and some local taxes paid on certain construction materials in empire zones (EZ) (see Publication 30).

Calculate vendor collection credit or pay penalty and interest

Vendor collection credit 21

The Tax Law provides you with a credit for your collection of state sales tax from your customers. You may not include in the credit computation any use tax paid or any local tax collected. The maximum vendor collection credit you can claim on your return is \$150

You can receive this credit only if you file your return on time and pay the full amount due. If you file on time but do not pay the full amount due, or if you file late, you cannot claim this credit. Enter "O" in box 19 and go to Step 7D.

If you qualify, calculate your vendor collection credit in Step 7. If the result is less than \$150, enter the result in box 19. If the result is equal to or more than \$150, enter only \$150 in box 19.

7A — If you completed schedules B, B-ATT, H, N, Q, or T-ATT, enter the appropriate amount (see each schedule for the amount to enter). Schedules A and T are not included as no adjustment is needed. Add the amounts in 7A and enter the total on the Total adjustment line. Note: If you did not complete any schedules, skip Step 7A on the return and start at the asterisk in Step 7B.

7B — If you completed Form ST-810.10, enter the amount from box 7 of that form. Fill in the lines as applicable, and add or subtract them according to the math symbols provided. Enter and add the amount from Form ST-810, page 3, box 13. Enter and subtract the Total

4 Add the two lines in Column J and enter the total in box 16. Also enter the box 16 amount in Step 6.

· Credit for additional tax paid on property incorporated into realty according to a preexisting lump sum or unit price construction contract, where the additional tax is the result of a rate increase.

adjustment from 7A, if any. Enter and subtract the amount from Form ST-810, page 3, box 9*. Enter the result of the addition and subtractions on the Eligible sales amount line. Transfer this amount to 7C.

*New York City only: If you reported sales on the New York City 41/8% tax rate line (page 3, in box 9), enter this amount in Step 7B. As local sales, they do not qualify for the vendor collection credit.

7C — Calculate your vendor collection credit by multiplying the Eligible sales amount from 7B by the state tax rate; then the result by the credit rate. If the credit amount is less than \$150, enter the credit in box 19. If the credit amount is equal to or more than \$150, enter \$150 in box 19.

Determine penalty and interest

22 If you are filing your return late or not paying the full amount due, or both, you owe penalty and interest, and cannot claim a vendor collection credit. Penalty and interest are calculated on the amount in box 18, Taxes due. The minimum penalty for late filing is \$50. For penalty information, see Penalty computation on page 4. Interest is due on any late payment or underpayment and accrues from the due date of the return to the date the tax is paid. Interest rates are compounded daily and adjusted guarterly. For an estimate of your penalty and interest amount, call 1 800 972-1233. A Tax Department representative will calculate this estimate for you. Or you can use our Web site at

www3.tax.state.ny.us/PAIC/PAICHomeServlet to estimate your penalty and interest. Enter this amount in box 20.
