

# Instructions for Form IT-2106

## Estimated Income Tax Payment Voucher for Fiduciaries

New York State • New York City • Yonkers

(These instructions are applicable to Form IT-2106-MN.)

**IT-2106-I**

(formerly IT-2105-I-F)

**Note:** At the present time there is only one version of Form IT-2106 and it is designated as Form IT-2106-MN. Any reference to Form IT-2106 within these instructions, or within any income tax forms, applies to Form IT-2106-MN.

### Changes for 2006

Fiduciary forms are now completely separate from individual estimated income tax forms and are numbered in a series that includes IT-2106 in the form number.

Certain rates within the New York State and New York City tax rate schedules have been reduced.

The *solar electric generating equipment credit* has been changed to the *solar energy system equipment credit*. The credit now includes solar energy system equipment that utilizes solar radiation to provide heating, cooling, hot water, or electricity for use in a residence. The maximum credit is increased to \$5,000 for property placed in service after September 1, 2006. The credit is \$3,750 for qualified solar energy equipment placed in service before September 1, 2006.

The farmer's school tax credit eligibility has been enhanced. Beginning on or after January 1, 2006, federal gross income from farming will also include gross income from a commercial horse boarding operation as defined in the Agriculture and Markets Law section 301.

### General information

Fiduciaries filing Form IT-2106 must use these instructions and not Form IT-2105-I.

Estates and certain grantor trusts that receive the residue of the decedent's estate under the decedent's will are exempt from paying estimated income tax for the tax year of the decedent's death and the following tax year.

Estimated income tax is the amount of New York State, New York City, and Yonkers tax owed for the year after subtracting:

- tax withheld;
- estimated income tax paid with Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*;
- estimated income tax paid with Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*; and
- credits.

If any of the income of the estate or trust is subject to New York City or Yonkers resident income taxes or Yonkers nonresident earnings tax, substitute *New York City* or *Yonkers* for *New York State* in the following instructions to determine if the estate or trust is required to make estimated payments of these taxes.

Nonresident estates and trusts must figure their income tax as if they were New York State resident estates and trusts and then prorate the taxes based on the ratio of New York adjusted gross income from New York State sources to total New York adjusted gross income from all sources. The New York adjusted gross income of an estate or trust must be figured as if the estate or trust were an individual.

### Who must make estimated income tax payments

Generally, a fiduciary of an estate or trust must pay estimated income tax if the estate or trust is expected to owe, after subtracting its withholding, estimated income tax paid with Form IT-2663 and/or IT-2664, and credits, at least \$300 of New York State, New York City, or Yonkers income tax for 2006 and can expect withholding, estimated income tax paid with Form IT-2663 and/or IT-2664, and credits to be less than:

- (1) 90% of the income tax shown on the 2006 return, or
- (2) 100% of the income tax shown on the 2005 return (110% of that amount if the estate's or trust's New York adjusted gross income on that return is more than \$150,000 and less than two-thirds of the total federal gross income for 2005 or 2006 is from farming or fishing).

However, if a return was not filed for 2005, or that return did not cover a full 12 months, item 2 above does not apply.

**Note:** Do not include in the estimate any amount of sales or use tax the estate or trust expects to owe on its 2006 fiduciary income tax return.

### When to pay the estate's or trust's estimated income tax

Generally, the first payment of 2006 estimated income tax should be made by April 17, 2006. All of the estimated income tax due can be paid with the first voucher or it can be paid in four equal installments by April 17, June 15, September 15, 2006, and January 16, 2007.

Changes in income or deductions during 2006 may require that the original estimate be amended or that the first payment of estimated income tax be made after April 17, 2006. Use the *Amended estimated income tax worksheet* on page 6 to amend the original estimate. If the first payment is not due until after April 17, 2006, the payment due dates are as follows:

#### If the requirement is met after:      Payment due date is:

March 31 and before June 1	June 15, 2006
May 31 and before September 1	September 15, 2006
August 31	January 16, 2007

If Form IT-205, *Fiduciary Income Tax Return*, is filed on or before January 31, 2007, with full payment of the tax due, it is not necessary to make the payment due on January 16, 2007.

If, after March 31, 2006, the estate or trust has a large change in income, deductions, additional taxes, or credits that requires the estate or trust to start making estimated income tax payments, the estate or trust should figure the amount of its estimated income tax payments by using the annualized income installment method explained in Publication 94, *Should You Be Paying Estimated Tax in 2006?*, and Form IT-2105.9-I, *Instructions for Form IT-2105.9, Underpayment of Estimated Income Tax by Individuals and Fiduciaries*, Worksheet 1 (and, if applicable, Worksheet 2 and Worksheet 3). Although the payment due dates will be the same as shown above, the payment amounts will vary based on the estate or trust income, deductions, additional taxes, and credits for the months ending before each payment due date. As a result, this method may allow the estate or trust to skip or lower the amount due for one or more payments. If the estate or trust uses the annualized income installment method, be sure to file Form IT-2105.9, with its 2006 tax return, even if no penalty is owed.

**Fiscal-year filers** — If the estate reports income on a fiscal-year basis, adjust the calendar-year due dates to correspond with the fifteenth day of the fourth, sixth, and ninth months of the fiscal year, and the first month of the succeeding fiscal year. If any date falls on a Saturday, Sunday, or legal holiday, use the next regular workday.

### Where to file

**Do not** staple or clip the check or money order to the voucher. Detach any check stubs before mailing. Mail the payment and Form IT-2106 to:

NYS ESTIMATED INCOME TAX  
PROCESSING CENTER  
PO BOX 4122  
BINGHAMTON NY 13902-4122

### Private delivery services

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to file your return and pay tax. However, if, at a later date, you need to establish the date you filed your return or paid your tax, you cannot use the date recorded by a private delivery service **unless** you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* on page 4 of these instructions for information on ordering forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your return, contact that private delivery service for instructions on how to obtain written proof of the date your return was given to the delivery service for delivery. If you use **any** private delivery service, whether it is a designated service or not, address your return to: JPMorgan Chase, NYS Tax Processing — Estimated Tax, 33 Lewis Rd, Binghamton NY 13905-1040.

### How to complete the payment voucher

Enter the estate's or trust's employer identification number (EIN). Print or type the name of the estate or trust and the address of the fiduciary or firm in the spaces provided. To ensure that payments of estimated income tax are properly credited, this information **must** agree with the information on the New York State fiduciary income tax return. The name of the estate or trust and the name of the fiduciary or firm must be spelled correctly.

**Fiscal year filers only** — Enter in the fiscal-year box the date the estate's or trust's fiscal year begins and ends.

To obtain forms, see *Need help?* on page 4.

When computing the amounts to be entered in the *Record of estimated income tax payments* on page 6, the estate or trust may apply an estimated overpayment of New York State, New York City, or Yonkers tax to an estimated underpayment of New York State, New York City, or Yonkers tax.

Enter the amount(s) due as computed at the bottom of the *Estimated income tax worksheet* on page 5, or line 6 of the *Amended estimated income tax worksheet* on page 6, in the appropriate space(s) on the voucher. Be sure to **separately enter** the amounts for New York State, New York City, and Yonkers; then enter the total in the *Total payment* box. If there is **no amount** to be entered, **leave blank**. If entering a whole dollar amount (no cents), enter **00** to the right of the decimal. If too much tax was paid on the 2005 return and the overpayment is to be applied to 2006 estimated income tax, all or part of the overpayment can be applied

to any installment. Enter only the net amount of each installment in the appropriate space(s) on the voucher. **Do not** send the voucher unless a payment is included.

Make a check or money order payable to **New York State Income Tax** for the total amount due as shown on the voucher. Write the EIN of the estate or trust and **2006 IT-2106** on it.

Enclose the check or money order with the payment voucher and mail to the applicable address shown on the front of the voucher. Fill in the *Record of estimated income tax payments* section on page 6 so that the estate or trust will have a record of its past payments.

**Certain payments of estimated income tax treated as paid by beneficiary** — If the payments of estimated income tax made by the fiduciary for 2006 exceed the tax liability shown on the fiduciary's 2006 Form IT-205, the fiduciary (or executor, under certain circumstances) may elect to treat any portion of the payment as a payment made by a beneficiary and not as a payment made by the fiduciary. Such an amount is treated as a payment by the beneficiary of estimated income tax which would otherwise be due January 16, 2007.

The fiduciary must make the election on the 2006 Form IT-205-T, *Allocation of Estimated Tax Payments to Beneficiaries*. The election must be filed on or before the 65th day after the close of the fiduciary's tax year.

### Statement of account

If the estate or trust pays New York State estimated income tax and the estate or trust filed a New York State fiduciary income tax return for 2004 using the same identification number (social security number or employer identification number), the estate or trust will receive Form IT-2106-S, *Statement of Estimated Income Tax Account for Fiduciaries*, and Form IT-2106.1, *Reconciliation of Estimated Income Tax Account for Fiduciaries*. Examine this statement carefully and follow the instructions for Form IT-2106.1 to resolve a discrepancy, if any.

If the estate or trust did not file a New York State fiduciary income tax return for 2004, or the estate's or trust's estimated income tax account identification number does not match the income tax identification number of the return the estate or trust filed for 2004, the estate or trust will not receive a statement of account. In this case, the estate or trust should file its Form IT-205, claiming estimated income tax paid according to its records.

**The estate or trust can check its balance and reconcile its estimated income tax account by accessing our Web site at [www.nystax.gov](http://www.nystax.gov) and clicking on *Electronic Services*.**

### Penalty for underpayment of estimated income tax

A penalty may be charged for not paying enough estimated income tax or for not making the payments on time. The penalty does not apply if each payment is timely and the total tax paid is:

- at least 90% (66 $\frac{2}{3}$ % for farmers and fishermen) of the amount of income tax due as shown on the 2006 Form IT-205, or 90% of the tax due if no return was filed (if the estate or trust is unsure of its estimated tax liability for the current year, it may want to pay more than 90% (or 66 $\frac{2}{3}$ %)); **or**
- 100% of the income tax shown on the 2005 Form IT-205 (110% of that amount if the estate's or trust's New York adjusted gross income on that return is more than \$150,000 and less than two-thirds of the total federal gross income for 2005 or 2006 is

(continued)

from farming or fishing). A full 12-month year Form IT-205 must have been filed for 2005; **or**

- 90% of the income tax figured by annualizing the taxable income received for the months ending before the due date of the installment.

The penalty will not apply if the estate or trust is a New York State resident estate or trust (or a nonresident estate or trust or part-year resident estate with New York source income) that had no tax liability for the full 12-month preceding tax year.
