

Rockland County Sales and Use Tax Rate Increase Effective March 1, 2007

Attention:

All persons required to collect sales tax, pay compensating use tax, or both: Rockland County has enacted legislation to increase its local sales and use tax rate. **As of March 1, 2007, the combined state and local tax rate imposed in Rockland County is increased to 8³/₈%.** This includes the 4% state tax, the 3³/₈% Metropolitan Commuter Transportation District (MCTD) tax, and the 4% Rockland County local tax. This change will affect your tax collections and payments if you make taxable sales or deliveries to customers, or if you make taxable uses, in Rockland County.

Therefore, beginning March 1, 2007, **all taxable sales and uses in Rockland County are subject to tax at the 8³/₈% rate**, except as otherwise provided by the special transitional provisions below.

All taxable sales made within Rockland County reported on sales and use tax returns Form ST-100, Form ST-101, Form ST-102, and Form ST-810, must be reported on the Rockland County 8³/₈% entry line.

Special transitional provisions

All sales and uses occurring on or after March 1, 2007, are taxed at the rate of 8³/₈%, except as provided below:

(a) Layaway sales

Receipts may be reported at the lower rate of 8% only if the following conditions are met:

- (2) before March 1, 2007, the purchaser has paid at least 10% of the sales price.

(b) Utility bills for nonresidential gas and electricity based on meter readings

If the meter is read on or after March 1, 2007, and the number of days from March 1, 2007, to the date of the meter reading is more than half the total number of days covered by the bill, report sales of these services at the higher rate of 8³/₈%. Rockland County does not impose sales or use tax on **residential energy sources and services**.

(c) Telephone bills

Report charges for services furnished on or after the date of the first bill dated in March 2007 at the higher rate of 8³/₈%. Report charges for services furnished before the date of the first bill dated in March 2007 at the lower rate of 8%, even though the services may be furnished on or after March 1, 2007.

(d) Telephone answering services

Prorate receipts that cover a period beginning before and ending on or after March 1, 2007. Receipts for the period prior to March 1, 2007, must be reported at the lower rate of 8%. Report receipts for the period on and after March 1, 2007, at the higher rate of 8³/₈%.

(f) Admissions

(g) Hotel occupancy

Report all taxable daily rentals occurring on or after March 1, 2007, at the higher rate of 8³/₈%. Report all taxable daily rentals occurring before March 1, 2007, at the lower rate of 8%. (h) Pre-existing lump sum or unit price construction contracts

Contractors purchasing materials in Rockland County for use in construction contracts pay the rate of 8% on purchases made before March 1, 2007, and 8³/₈% on purchases made on or after that date. Contractors who irrevocably entered into a pre-existing lump sum or unit

price construction contract before February 14, 2007 (the date on which the local legislation was adopted), may receive a credit or refund of the additional ³/₈% local sales and use tax paid on or after March 1, 2007.
