Who must file Form CT-3-C — All corporate stockholders in domestic international sales corporations (DISCs) must file this consolidated return when the DISC is exempt from tax under Tax Law Article 9-A. The return must include information about the stockholder and tax-exempt DISCs in which the stockholders own stock.

Required forms — The tax-exempt DISC must complete and file Form CT-3-B, *Tax-Exempt Domestic International Sales Corporation* (*DISC*) *Information Return*. The stockholder of the DISC must complete and file Form CT-3-C and either Form CT-3, *General Business Corporation Franchise Tax Return*, or Form CT-3-A, *General Business Corporation Combined Franchise Tax Return*. Copies of the information return for tax-exempt DISCs, Form CT-3-B, must accompany Form CT-3-C.

General instructions — List names and employer identification numbers of the stockholder and DISCs in the spaces provided.

The information requested on this form may be found on Forms CT-3; CT-3-ATT, Schedules B, C, and D - Attachment to Form CT-3; and CT-38, Minimum Tax Credit, filed by the stockholder; and CT-3-B, filed by the tax-exempt DISC. When the tax period of the DISC differs from that of its stockholder, the period of the DISC that ends within the period of the stockholder is consolidated on Form CT-3-C.

Stockholder of tax-exempt DISC included in a combined

group — If the stockholder of a tax-exempt DISC files as a part of a combined group, it does not file Form CT-3. However, the stockholder should record its own information on Schedules B through E as if it had filed Form CT-3 (obtain instructions for specific lines from Form CT-3-A-I, *Instructions for Forms CT-3-A, CT-3-A/ATT, and CT-3-A/B*, under *Line instructions for Forms CT-3-A and CT-3-A/B*). Then, only carry information to Schedule A, from Schedules B through E, for lines 1, 4, 8, 11, 14, 19, 21, 24, 27, 29, 32, and 42. Such information will then be listed on Form CT-3-A for the stockholder.

- you have a tax year of less than 12 months that begins and ends in 2015, and
- the 2015 return is not yet available at the time you are required to file the return.

Instead, file a request for an extension to file for the short period and wait for the 2015 return to become available on the Tax Department's Web site (see *Need help?*).

All filers must complete the beginning and ending tax year boxes in the upper right corner on page 1 of the form.

Line instructions

Complete Schedules B through E before completing Schedule A. Obtain the DISC information for Schedules B through E from the DISC information report, Form CT-3-B.

Schedule A — Compute a tax for each taxable base (Parts 1 through 5) and if applicable, transfer the amounts to Form CT-3.

Note: As stated in *Stockholder of tax-exempt DISC included in a combined group*, stockholders included as part of combined returns complete only certain lines of Schedule A and do not compute tax amounts.

Lines 10, 18, 26, and 34 — Find the appropriate tax rates in Form CT-3/4-I, Instructions for Forms CT-4, CT-3, and CT-3-ATT.

Line 41 — For complete details, see Form CT-38, Schedule A instructions. Also enter the amount from this line on Form CT-38, line 18.

Schedule B, Parts 1 and 2 — The receipts factor is the business allocation percentage (BAP) and the alternative BAP.

DISC columns — Enter at the top of each column the percentage owned, based on issued and outstanding capital stock. Enter the stockholder's attributable share of amounts reported by the DISC on Form CT-3-B.

Column B – Intercorporate eliminations – You must base intercorporate eliminations on the respective reporting periods of the stockholders and the DISCs. Attach a statement explaining all intercorporate eliminations.

- Schedule B Eliminate intercorporate business receipts.
- Schedule E Eliminate deemed and actual dividends received from DISCs to the extent included in ENI. Also eliminate intercorporate assets and liabilities.
