Annual Schedule N-ATT Taxes on Parking Services in New York City Instructions Report transactions for the period March 1, 2014, through February 28, 2015.

Who must file

Complete Form ST-101.5-ATT, Annual Schedule N-ATT, and Form ST-101.5, Annual Schedule N, if you are required to collect tax on the services of parking, garaging, or storing of motor vehicles in New York City.

All exempt organizations and vendors whose facilities are located outside Manhattan must complete only Section A of Form ST-101.5-ATT. Vendors conducting business in Manhattan must complete both Sections A and B of Form ST-101.5-ATT.

Specific instructions

Identification number and name — Print the sales tax identification number and legal name as shown on Form ST-101, New York State and Local Annual Sales and Use Tax Return, or on your business's Certificate of Authority for sales and use tax.

Exempt organizations — Mark an \boldsymbol{X} in the box beneath the identification number and name boxes, and complete Section A.

Other parking providers — There are spaces for two different locations to be listed in both Sections A and B. If you need to report for more than two facilities, photocopy this form or request additional copies (see Need help? on Form ST-101-I if you need to obtain forms).

Section A — All New York City locations

The maximum daily rate indicated in Section A refers to the cost of keeping a vehicle in a garage all day, not including overnight, as on file with the New York City Department of Consumer Affairs (DCA). The licensed vehicle capacity refers to the capacity most recently authorized by DCA. The license number refers to the license the DCA issued for the facility. If the DCA has issued more than one license for the facility, the vendor must list every license number issued for that location. If the facility is not required to be licensed, this area should be left blank, but vehicle capacity must be shown.

Complete the information requested in Section A for every New York City facility you operate, whether the facility is located inside or outside Manhattan. Mark an X in the box in Section A if your facility is located outside Manhattan, and fill in the complete address, including the ZIP code. If your facility is not required to be licensed by the DCA, complete the rest of Section A, and enter your vehicle capacity in the section marked Licensed vehicle capacity.

Do **not** mark an **X** in the box in Section A if your facility is located in Manhattan, but complete the remainder of Section A and all of Section B. You **must** complete Section B if your facility is located in Manhattan.

Section B — Manhattan locations

Complete Section B if your facility is located in Manhattan. You must report the Manhattan parking receipts separately by category and tax rate for each facility (weekday sales, weekend sales, monthly sales, and Manhattan resident sales).

Enter in Column A the total weekday (Monday through Friday) receipts taxed at 183/6% for each month of the year. Add the monthly totals and enter the annual total on the total line in Column A.

Enter in Column B the total weekend (Saturday and Sunday) receipts taxed at 183/8% for each month of the year. Add the monthly totals and enter the annual total on the total line in Column B.

Enter in Column C the total monthly receipts for nonresident parking purchased on a monthly (or longer term) basis taxed at 183/8% for each month of the year. Add the monthly totals and enter the annual total on the total line in Column C.

Enter in Column D the total monthly receipts for Manhattan residents parking taxed at 103/8% for each month of the year. Add the monthly totals and enter the annual total on the total line in Column D.

The total receipts reported in Columns A, B, and C represent the Manhattan receipts subject to tax at 18%%. Report the Manhattan receipts subject to tax at 10%% in Column D.

The combined totals for Columns A, B, and C in Section B for all locations must equal the taxable receipts reported on Form ST-101.5, Part 1, Column C, box 2.

The grand total from Column D in Section B for all locations must equal the amount reported on Form ST-101.5, Part 1, Column C, box 3.

Filing this schedule

File a completed Form ST-101.5-ATT with Form ST-101.5 and any other attachments to Form ST-101 by the due date. Please be sure to keep a copy of your completed return for your records.

A parking facility operator's regular sales and compensating use tax return will be deemed incomplete and not filed unless a properly completed Form ST-101.5-ATT is submitted for each separate parking facility. Any address listed on Form ST-101.5-ATT must include a ZIP code.

If the operator's return is deemed not filed, the statute of limitations that limits the time to assess additional sales and compensating use tax does not begin to run (that is, additional taxes for the period may be assessed at any time).
