# Instructions

## **General information**

You must file Form PT-200, *Quarterly Petroleum Business Tax Return*, for each quarterly period. Monthly filers must use Form PT-100, *Petroleum Business Tax Return*, and Form PT-106, *Retailers of Non-Highway Diesel Motor Fuel Only*, or PT-104, *Tax on Kero-Jet Fuel*.

If you do not receive the proper forms covering a tax you owe, see *Need help*? for information on how to obtain forms.

All retailers of non-highway diesel motor fuel only and distributors of kero-jet fuel only who are not required to be registered as distributors of motor fuel, distributors of diesel motor fuel, residual petroleum product businesses, or liquefied petroleum gas fuel permittees must file Form PT-200. This return recaps the amount of the various taxes computed on Forms PT-201, *Retailers of Non-Highway Diesel Motor Fuel Only (Quarterly Filer)*, and PT-202, *Tax on Kero-Jet Fuel (Quarterly Filer)*, and determines the total amount due, including any appropriate penalty and interest.

**Change of business information** — Enter your legal name and complete mailing address if they are not preprinted on the form. If the printed information needs to be changed, make corrections on the form **and either** select the option to change your address on our website (see *Need help?*), or submit Form DTF-95, *Business Tax Account Update*. If only your address needs to be changed, you can submit Form DTF-96, *Report of Address Change for Business Tax Accounts*, instead of Form DTF-95. You can get these forms from our website or by phone; or call the Miscellaneous Tax Information Center for assistance (see *Need help?*).

### Line instructions

#### Lines 1 and 2

**Type of filer** – Indicate the type of petroleum product you are registered for by marking an X in the appropriate box in the left-hand column on the front of the return.

You must attach the appropriate Form PT-201 or PT-202 for the box marked. Enter any credit amounts in brackets.

Line 1 – Enter the amount from Form PT-201, line 28.

Line 2 - Enter the amount from Form PT-202, line 17.

**Line 3 –** Enter the amount from line 1 or 2.

**Line 4 –** Enter the total credit from line 10 of your prior quarterly Form PT-200.

**Line 5** – If, after applying the credit from line 4 to the amount on line 3, the result is an amount greater than zero, enter the balance due. If the result is zero or less than zero (negative amount), enter 0 and show the overpayment on line 9.

**Line 6 – Penalties –** A penalty is imposed at the rate of 10% of the tax due for the first month or part of a month and 1% of the tax due for each subsequent month or part of a month in which the tax remains unpaid, up to a maximum penalty of 30%.

If a return is not filed within 60 days of the due date, the penalty will be determined as indicated above but will not be less than the lesser of \$100 or 100% of the tax due. In addition, failure to file returns and pay any tax due may result in criminal penalties under the Tax Law Article 37.

Line 7 – Interest – Interest is computed at the rate set by the Commissioner of Taxation and Finance and is compounded daily. It is computed from the day the tax was due until the day the tax is paid. Interest is a charge for the use of state funds and may not be waived.

**Note:** You may compute your penalty and interest by accessing our website, or you may call and we will compute the penalty and interest for you (see *Need help?*).

Line 8 – Attach a check or money order payable in U.S. funds for the total amount due on line 8 to *Commissioner of Taxation and Finance*.

**Fee for payments returned by banks –** The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

Mail to: NYS Tax Department, PO Box 1833, Albany NY 12201-1833.

If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

**Lines 10 and 11 –** If line 9 shows an overpayment, enter on line 10 the amount you want to take as a credit on line 4 of your next quarterly return. Enter on line 11 the amount that should be refunded to you.

**Sales tax exempt organizations –** If you are a sales tax exempt organization that has established its status as an exempt organization under Tax Law section 1116(a), and all diesel motor fuel that you import into New York State is consumed exclusively by you, then you are not subject to the petroleum business tax. Mark an **X** in the appropriate box on the front of the return and do not include any petroleum business tax (Article 13-A) in the amounts on Form PT-201 or PT-202.

### Signature

The return must be signed and dated by the owner (if an individual), a partner (if a partnership), or by the president, treasurer, chief accounting officer, or any other person authorized to act on behalf of the corporation (if a corporation). The fact that an individual's name is signed on the certification shall be prima facie evidence that the individual is authorized to sign and certify the report on behalf of the business.

Additionally, if anyone other than an employee, owner, partner, or officer of the business is paid to prepare the return, he or she is required to sign and date the return and provide his or her mailing address and e-mail address.

**Paid preparer's responsibilities –** Under the law, all paid preparers must sign and complete the paid preparer section. Paid preparers may be subject to civil and/or criminal sanctions if they fail to complete this section in full.

When completing this section, you must enter your New York tax preparer registration identification number (NYTPRIN) if you are required to have one. Also, you must enter your federal preparer tax identification number (PTIN) if you have one; if not, you must enter your social security number.
