Instructions

General information

Self-employed individuals (including partners) do not pay MCTMT on net earnings from self-employment attributable to an approved START-UP NY business located within the MCTD for up to 10 consecutive years. The exemption begins with the tax year your approved business locates in the tax-free NY area.

You must still report annual MCTMT information if your total net earnings from self-employment allocated to the MCTD (both inside and outside the tax-free NY area) exceed \$50,000 for the tax year. However, your net earnings attributable to the tax-free NY area within the MCTD are excluded from the computation of your MCTMT liability.

Example: Taxpayer A is a partner in two partnerships. Taxpayer A has total net earnings from self-employment within the MCTD of \$100,000 (line 1); therefore, Taxpayer A is subject to the MCTMT. However, because \$60,000 (line 2) is from a partnership in the tax-free NY area within the MCTD, Taxpayer A will be able to exclude \$60,000 from the net earnings on which they will compute their MCTMT. Therefore, Taxpayer A's net earnings used to compute their MCTMT is \$40,000 (line 5).

Married persons filing joint return: if you both qualify to exclude START-UP NY earnings from the MCTMT, you must each complete your own Form IT-6-SNY.

You are not eligible for any START-UP NY tax benefits during any tax years that your business is suspended from the START-UP NY program.

Specific instructions

Line 1 – Enter your **total** net earnings from self-employment allocated to the MCTD from **all sources** of income, including your START-UP NY business(es).

In addition, if you carry on business both in and out of the MCTD, you must also complete Form IT-203-A, *Business Allocation Schedule*. Submit Form IT-203-A with your return.

Line 2 – Enter the 14-digit certificate number from the START-UP NY certificate of eligibility and your net earnings from self-employment for each approved business in the START-UP NY program within the tax-free NY area that is within the MCTD (these amounts should be included in line 1). Submit additional Form(s) IT-6-SNY if needed, with only your name, social security number, and line 2 completed. Enter the totals from all additional forms on line 3.
