

# Instructions for Form CT-5.1

## Request for Additional Extension of Time to File (for franchise/business taxes, MTA surcharge, or both)

### General information

If you have already applied for an extension of time to file your returns and you need more time, use Form CT-5.1 to request an additional three-month extension. File **one** Form CT-5.1 when requesting an additional three-month extension for **both** your tax return and MTA surcharge return. You **must** file a separate Form CT-5.1 for each additional three-month extension.

### Limitations

- A corporation taxable under Article 9 with a valid three-month extension is limited to three additional three-month extensions.
- A corporation taxable under Article 9-A, 13, or 33 with a valid six-month extension is limited to two additional three-month extensions.
- New York S corporations may not request an additional extension of time beyond six months.

### Combined groups

The parent or designated agent of a new, or existing, combined group should file one Form CT-5.1 to request an additional three-month extension of time to file for all corporations included in the combined group.

### Exceptions

- Each taxpayer member corporation of a **new** combined group must **also** file a **separate** Form CT-5.1 to additionally extend the time to file for the **first** period for which the new combined group files a combined return. Mark an **X** in the box on line B.
- Each taxpayer member corporation being **newly** added to an **existing** combined group must **also** file a **separate** Form CT-5.1 to additionally extend the time to file for the **first** period for which they are included in the combined group's return. Mark an **X** in the box on line C.

**Note:** Non-taxpayer members of a combined group are **not** required to file a separate Form CT-5.1, whether they are included on Form CT-5.3, *Request for Six-Month Extension to File (for combined franchise tax return, or combined MTA surcharge return, or both)*, or not.

Neither filing, nor the failure to file, a particular extension request in any way impacts who must be included in a combined group.

### When to file

File Form CT-5.1 on or before the expiration date of your current extension.
