Instructions for Physician's statement

Taxpayer

Enter in the space provided the date you retired if after December 31, 1976.

If required, your physician must complete the above statement. File both front and back pages of this form with your tax return.

If both spouses take the exclusion, a *Physician's statement* must be completed for each spouse.

If you retired on disability before January 1, 1977, the *Physician's statement* must show that you were permanently and totally disabled on January 1, 1976, or January 1, 1977.

If you retired on disability after 1976, the *Physician's statement* must show that you were permanently and totally disabled when you retired.

Physician

A person is permanently and totally disabled when they cannot engage in any substantial gainful activity because of a physical or mental condition, and a physician determines that the disability:

- has lasted or can be expected to last continuously for at least a year; or
- can be expected to lead to death.

Complete the statement area above, sign the form, and return it to the taxpayer to submit with their return.
