The filing of such *Certificate of Termination of Existence* with the New York State Secretary of State has the same effect as the filing of the *Certificate of Surrender of Authority* under section 1310 of the Business Corporation Law.

The Secretary of State will notify the Tax Department of the termination.

The consent of the Tax Department is not necessary for a corporation to terminate its existence. However, the Tax Department does require the corporation to pay any license fee due, and to file tax returns and pay all taxes due (this includes filing reports disclaiming tax liability and paying maintenance fees, if applicable), for each fiscal or calendar period that the corporation is authorized to conduct business activities in New York State. Any unpaid tax is a lien until paid.
