General information

This certificate is to be used only by purchasers claiming exemption from the petroleum business tax and sales tax on purchases of residual petroleum product by registered residual petroleum product businesses for resale, by electric corporations with a direct pay permit for the production of electricity for sale, or by consumers for use as bunker fuel in vessels. Electric corporations are those subject to the supervision of the Department of Public Service and defined in section 2(13) of the Public Service Law.

When this certificate is properly completed and presented to a registered residual petroleum product business, the seller may exclude from the sale the tax(es) indicated above. Accordingly, the seller shall exclude any residual petroleum product sold above from the petroleum business tax imposed under Article 13-A of the New York State Tax Law.
