## Introduction

The New York State (NYS) Department of Taxation and Finance (DTF) makes available an online upload service so that submitters (partnerships) can make estimated income tax payments to NYS DTF on behalf of their corporate partners. The electronic payment voucher can be used in lieu of filing Form CT-2658, *Report of Estimated Tax for Corporate Partners*, and allows the partnership to make one payment for many corporate partners.

*Estimated tax for corporate partners* means a corporate partner's distributive share of the partnership's income derived from New York sources for the year, multiplied by the highest rate of tax under Tax Law section 210(1)(a) for the year (7.25% for 2021 and 2022, and reduced by the corporate partner's distributive share of any allowable credits from the partnership. For more information, see Form CT-2658-I, *Instructions for Form CT-2658*, and Form IT-204-I, *Instructions for Form IT-204*.

## Program participation

DTF will accept bulk files only from approved submitters.

### New applicants

New applicants (software providers and transmitters) to the electronic payment voucher program should contact a bulk filing representative in the e-file unit at [TSS-HelpCORP@tax.ny.gov](mailto:TSS-HelpCORP@tax.ny.gov). The e-file unit will contact new applicants to obtain the necessary information including contact, e-file program, and electronic payment program information.

### Current participants

Current participants in the electronic payment voucher program should notify the e-file unit Help Desk at **518-457-6387** when there is a change to the contact and program information previously provided.

### New York State Online account is necessary.

Participants can submit their bulk upload files via the **New York State Online Services application**. Information about creating an Online Services account can be found at [www.tax.ny.gov](http://www.tax.ny.gov).

The New York State Online Services application offers some enhanced features, including:

- real time validation of the file, allowing the submitter to know at the time of submission if the file was successfully uploaded (if the file was not successful, the errors will be displayed at the time of submission),
- the ability for a submitter to view all submitted files, and
- a testing option that is available at all times (this allows a submitter to test a file at any time to ensure the validity of the file layout).

## Filing estimated corporation tax (Form CT-2658) payments

The electronic bulk upload payment option enables a bulk filer to make one payment on behalf of multiple corporate partners. This process has a data transmission component (account information, tax period, amount, etc.) and a payment component (paper check remittance). A payment by check **must** be accompanied by Form CT-2658-V, *Payment Voucher for Estimated Tax for Corporate Partners Bulk Upload Submitted Online*,

---

to ensure that it is applied correctly. The payment due dates are the same whether filing electronically or on paper.

Each file contains account data for only one tax period. A filer can create multiple files for the same tax period (e.g., to add more payments). A filer cannot submit different tax periods in the same file. There is no limit on the number of accounts for which a program participant can file. However, each file must be limited to 13,000 accounts. **Note:** Larger files will take longer to validate. Please allow time for validation. Voucher records may be sorted in any order on the voucher file.

File format and record layouts for Form CT-2658 are in the *Appendix*, as well as on the *File Upload* page in the New York State Online Services application.

## Filing and processing procedures

### A. Setting up a new *bulk filer* or *submitter* account

1. A bulk filer or submitter must notify and receive approval from DTF before participating in this program. At the time of approval, DTF will assign a *Filer ID* (FID). Bulk filers who do not submit their own files must use a DTF-approved submitter.
2. Submitters must use DTF Online Services to submit files. You must create an account if you do not already have one. Visit [www.tax.ny.gov/online/default.htm](http://www.tax.ny.gov/online/default.htm) for additional information concerning DTF Online Services account creation and login.
3. Bulk filers not submitting their own files must provide their 4-digit FID to the submitter who will be submitting their files.

### B. Testing a file

It is recommended that each submitter submit a test file. Any errors in the test file will be detected at the time of submission and will be displayed on the Online Services application screen. Once a valid test is submitted, it will have a status of *Validated*. This ensures that the correct file formats and layouts are being used.

### C. Filing and making payments

Once testing is complete, submitters must use the following procedures to send voucher data files and payments:

1. The submitter submits voucher data to DTF via the *Estimated Tax Bulk Upload* application in their New York State Online Services account.
2. If there is any submission problem, submitters should contact the e-file Help Desk (see the *Contact information* appendix).
3. The file will be validated at the time of submission. **Note:** Larger files will take longer to validate. Please allow time for validation.
4. The bulk filer mails a single check with the payment voucher, Form CT-2658-V, to the correct address.

Payments **must** be sent by the filer and received by DTF the same day the file is submitted. Use a same-day delivery service.

### D. Reconciling the voucher data and payment

DTF reconciles the voucher data and the payment (check) received. If the payment reconciles with

---

the data file, the payment data will be posted. If the payment does not reconcile with the voucher data file, DTF will contact the bulk filer and/or the submitter.

- If the payment is correct but the data is incorrect, DTF will mark the file *Pending Resubmit* in the Online Services application, and the submitter must submit a corrected data file as soon as possible.
- If the payment is incorrect and it is **more** than the total amount specified in the data file, DTF will return the check and the submitter must submit a new check for the correct amount as soon as possible.
- If the payment is incorrect and it is **less** than the total amount specified in the data file, the submitter must make an additional payment for the difference as soon as possible.

Additional payments (if the initial payment is short), replacement payments, and resubmitted files must be received within two business days of notification or the payments or files will be considered late.

---

## Appendix

### Contact information

#### Department of Taxation and Finance

Return inquiries: Bulk filing representative: [TSS-HelpCORP@tax.ny.gov](mailto:TSS-HelpCORP@tax.ny.gov)

### Payments

Make your check payable in U.S. funds to: **Commissioner of Taxation and Finance**. Write on your check **Form CT-2658-V**, your identification number, and the confirmation number of your upload, and mail it with a completed Form CT-2658-V to:

**NYS TAX DEPARTMENT  
RPC-ET BULK UPLOAD  
PO BOX 15177  
ALBANY NY 12212-5177**

If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*. If you use any private delivery service, whether it is a designated service or not, send your payment and Form CT-2658-V to:

NYS Tax Department, RPC-ET Bulk Upload, 90 Cohoes Avenue, Green Island NY 12183.
